IN READINESS FOR TAKING BIG VOTE

The New Voting Machines Have Been Installed in the Different Voting Precincts of the County

OFFICIAL BALLOT IN THIS ISSUE

Republican Ticket Comes First on the Ballot—List of Candidates for the Township Offices Below

Everything is now in readiness for the taking of the vote in Crawford county on next Tuesday. The new voting machines have been installed in all of the voting precincts of the county and judges and clerks instructed as to the proper recording of the vote when the polls close at 7 o'clock. With the machines in use the result of the vote in Crawford county should be known by 10 o'clock election night.

On pages 2 and 5 of the second section of this issue of the Review will be found the sample ballot to be voted in this county at the general election. We urge every voter to study this ballot carefully before going to the polls to cast their vote.

It will be noted that the republican ticket comes first on the ballot and it also appears first on the voting machines. To cast a straight republican ticket the voter must pull down the levers over the name of the republican candidates for the various offices. Bear in mind that the ticket with the machine runs from left to right across the top of the machine and not perpendicular as was the case with the old Australian ballot. The most simple way to vote the machine is to start with the township assessor clear to the right hand side of the column and with the finger push down all the levers of the row at the left hand side of the machine. The entire ticket can be voted this way by one sweep of the hand. Remember that the republican column is the top row on the machine and the levers are just above the names of the candidates. Sample machines will be exhibited at every voting precinct in the county and you will be able to acquaint yourself in the use of them if you have not already done so.

The sample ballot as printed in the Review contains the names of all candidates with the exception of township officers. Below we print the candidates for township offices on both republican and democratic tickets:

ENTERTAINED AT STUDIO TEA

Mrs. M. M. Jones, Nee Mattie Miles, Entertained at Studio Tea in San Diego Sunday Afternoon

We find a clipping from one of the San Diego daily papers mentioning an exhibition given by Mrs. M. M. Jones, formerly Mattie Miles, who has a host of friends in Denison, of her work done as an artist in the last year, showing her paintings and portrait work, including flowers and landscapes. Mrs. Jones has kept up her work since leaving Denison and has added very much to her collection as well as to the quality of her work. The clipping follows:

"Mrs. M. M. Jones entertained a large number of friends with a studio tea at her home on Valle Vista street, Sunday afternoon, the occasion being a private showing of her work done in the last year. Much enthusiasm was shown by the guests over the paintings from Mrs. Jones' brush. She is especially known for miniature work and the painting of flowers, but she does portrait work and landscapes as well. The artist showed a fine miniature of an elderly Frenchman, an order from a Paris customer. On the walls of her studio, flowers predominated. There were about fifteen strongly painted pictures of flowers all of great color value and well arranged in composition. Many of these were of rare roses from San Diego gardens. Very striking were two canvases of blue morning glories. Mrs. Jones will exhibit publicly at Orr's art gallery early in November."

It may be a bumper crop, but the prices thereof are still bumping up against the roof.
Some of the gasoline buyers of today will be asking for credit on bread and butter before long.

CLUB WILL KEEP AN OPEN HOUSE

Commercial Club to Keep Open House Election Night and Will Furnish the Guests With Returns

PAY FANCY PRICE FOR SERVICE

Admission Fee of One Dollar Charged and Each Ticket Entitles Holder to Bring Lady Guest

Those who enjoy staying up until the wee sma' hours of the morning waiting for election returns will be elated to know that the Commercial club will keep open house on election night and will furnish its guests with all of the returns, national, state and local. Through a special arrangement made this week with the Western Union Telegraph company, a special wire will be strung to the club rooms and an operator will be on hand to receive the messages. The operator will be on duty from 5 o'clock in the afternoon until 1 o'clock in the morning, so the club is assured of getting the complete returns as fast as they have been compiled and sent over the wires to the newspapers.

Officers of the club are paying a fancy price for the service this year and in order to defray part of the expense have decided to charge an admission fee to the club rooms on election night. Tickets will be sold at \$1.00 each, but each purchaser is entitled to bring one lady to the club free of charge. During the course of the evening light refreshments are to be served.

It is expected that by 1 o'clock the returns will be complete enough to ascertain whether Harding or Cox is elected. State returns will of course be slow from those counties using the ballots, but by midnight enough precincts should be heard from to know how the state ticket is going. Here in Crawford county it is believed that in most of the returns will be in by 10 o'clock, owing to the fact that voting machines are to be used.

The Commercial club has authorized the Review to announce that a general invitation is extended to everyone to visit the club rooms on election night, whether a member or not.

GARY COMSTOCK DEAD

Mrs. H. S. Carver and M. J. Comstock received the sad news this morning of the death of their brother, Gary Comstock at his home at Osage, Iowa. Particulars of his death have not reached Denison yet. The remains will be brought to Denison Thursday morning and services will be held here. Burial will take place in Oakland cemetery.

Gary Comstock was long a resident of Denison. He at one time clerked in the M. J. Cosman store and later for a time operated the old Fargo hotel. The Review will next week print a complete history of his life.

SENATOR KENYON IN THE COUNTY

Iowa Senator Will Deliver Political Speeches at Dow City and Manilla This Week

FRIDAY AFTERNOON AT MANILLA

Will Speak in Dow City Friday Evening—Maj. Glen Haines to Speak at Both Places Also

The voters of the Manilla and Dow City territory will be given an opportunity to hear two great speakers on Friday of this week. At Manilla Friday afternoon Senator Kenyon and Maj. Glen Haines will deliver speeches and no doubt there will be a large turnout. The republican leaders at Manilla have always demanded and been able to secure speakers of national reputation, and the coming at this time of Senator Kenyon will be but another feather in the caps of the Manilla gentlemen. They were also fortunate in securing Major Haines; he is a good speaker and will have something interesting to say.

Friday evening both gentlemen will speak at Dow City, and this promises to be a rally of considerable note. The republicans of Dow City are enthusiastic this year; they have a candidate for state representative in their midst, and the Friday meeting will be largely attended. No doubt there will be something from all parts of the county in attendance at both meetings.

John Holtforth brought to the Review office this morning two of the largest carrots that have thus far been exhibited, to our knowledge. They were fine specimens and were raised by Mr. Holtforth here in Denison.

SIoux CITY BESTS DENISON HIGH

Game of Football in Denison Saturday Between Denison and Sioux City Won by the Latter Team

FIRST HALF ENTIRELY VISITORS

Denison Puts Up Good Game in Second Half, the Visitors Scoring Only Once During That Period

The high school football team was defeated Saturday afternoon by the Sioux City high school by the score of 41 to 6 on the local gridiron in a one-sided game, which was witnessed by a good sized crowd. Local fans were not surprised at the outcome of this game as the Sioux City team greatly outweighed the locals and many of their players were veterans while the Denison team is made up almost entirely of new material.

The first half was entirely the visitors, they scoring 34 points and had the local team on the defense all the time. It was quite noticeable that the visitors' back field was in motion before the ball was snapped throughout the first half, without being penalized by the referee.

In the second half Denison put up an excellent game and on several occasions were close to scoring but lost the ball on downs. The visitors only scored once in this half.

Denison's only touchdown was made by Buckley, who intercepted a forward pass and dashed down the field for 40 yards with the pigskin for a touchdown. Denison, however, failed to kick goal. This was in the last quarter.

Those on the Denison team who played exceptionally well were Buckley, Saggau, Smith, Hawley, Rollins and Servoss. For Sioux City, Taylor, Lee and Steele starred.

The lineup of the two teams was as follows:

| | |
|--|------------|
| Denison | Sioux City |
| Saggau.....R. E. | Gleim |
| Smith.....R. T. | Steele |
| Roeh.....R. G. | Jones |
| Sliter.....C | Griffin |
| Powell.....L. G. | Taylor |
| Hawley.....L. G. | Tuttle |
| Buckley.....L. E. | Harris |
| Rollins.....R. H. | Hayes |
| Buckley.....L. H. | Lee |
| Servoss.....P. B. | Cutch |
| Weiss.....Q. R. | Hansen |
| Substitutes for Denison: Hennings for Powell, Strissel for Saggau, Sibbert for Hennings. | |

The high school football team goes to Jefferson on Friday of this week to play the high school team of that place. Many local fans are planning to accompany the team.

Many voters are not discriminating judges of the quality of the goods offered by the various candidates, but they are very keen on identifying the band wagon.

WARNER TEMPLE HOME

Denison Young Man Stationed in China Home on Four Months' Furlough—With American Tobacco Co.

Warner Temple, who is in the employ of the British-American Tobacco company with headquarters at Shanghai, China, has been in Denison for the past few days visiting friends. This is Warner's first visit in Denison for eight years and of course he is enjoying it to the utmost. Some eight years ago he enlisted in the navy and has visited practically all sections of the globe spending the greater portion of the time however in the orient. After his term of enlistment expired and receiving an honorable discharge from the service he accepted a position with the tobacco company and was given a territory in China.

Warner states that his territory comprises three hundred square miles in China and maintains his headquarters at Shanghai. He has some eighteen salesmen under him and employs the service of an interpreter although he speaks the Chinese language quite fluently. The tobacco company has during the past few years built up a big business in China.

In speaking of China, Warner states there is great opportunity there for the United States and our firms are fast putting in branch offices in China.

Warner is home for a three months' vacation the first he has had since in the employ of the company. He has a most responsible position and receives a handsome salary. He leaves this week for New York where he will spend a few days at the head office of the concern and will return here for a more extended visit. His father W. R. Temple who is living at Sioux City has been in Denison with him.

WOMEN ATTEND POLITICAL RALLY

Political Rally of Women's Republican Clubs of County Held in Denison Last Friday Afternoon

MRS. DODSON MAIN SPEAKER

Objections to League of Nations by Mrs. Dodson Comprehensively Stated and Won Applause

A political rally of the women's republican clubs of Crawford county was held at the opera house here on Friday afternoon, which was largely attended and the meeting was a most enthusiastic one from every standpoint. The meeting was presided over by Miss Grace Meyers, as the county chairman, who is taking an active interest in the campaign. Miss Meyers briefly reviewed the activities of the various clubs of the county and congratulated the various delegations on their thorough and efficient work.

Miss Meyers introduced Mrs. Harbach, of Des Moines, who had attended the great gathering of women who heard Senator Harding speak in Des Moines. She entertainingly told of her experiences and eulogized the republican nominees.

Mrs. Dodson, of Des Moines, the Iowa state chairman of the republican organization for women, was next introduced. She gave an able address on the political situation. Her objections to the league of nations as presented by President Wilson were comprehensively stated and won continued applause.

She said the voters of the nation would never consent to a super power not recognized by our constitution, saying when and where our sons should be sent to war or our treasure poured out. Just now the defeat of the Wilson league of nations was the crying demand of the hour, but problems as to child labor, conditions of women, sanitation, social evils, must be taken up and decided right on demand of the women. Mrs. Dodson was a fluent and able talker and she presented her views in a manner easily understood by all.

In the evening Miss Meyers, Mrs. Harbach and Mrs. Dodson motored to Manilla, where another large meeting was held.

A meeting is advertised for tomorrow (Thursday) which is said to be under the auspices of the democratic party although the advertisement does not disclose this fact. It is, however, resented that the woman who is to speak is at the head of the P. E. O. society of the United States.

We wonder why it is not advertised as a democratic rally if such is the case and it must be as long as the democrats have it in charge. Why not come out in the open and not attempt to deceive the people?
