VOL. LV

DENISON, IOWA, WEDNESDAY, NOV. 17, 1920

No. 46

## ARMISTICE DAY AT WEST SIDE

All West Side Joins in Making Day One Long to Be Remembered—Business Closed

### SOLDIER MONUMENT UNVEILED

Exercises Held in Opera House With Chas. Schoenjahn as Chairman—Supper and Big Dance

WEST SIDE, Nov. 15—(Special to the Review)—Armistice day was fittingly observed in West Side Thursday and while the celebration was not as boisterous as that staged two years ago, it was enjoyed to a greater extent for on this occasion all of the returned soldiers were here to participate. Many young men of this community made the supreme sacrifice in the world war but the memory of these was revered and the monument with their names inscribed in bronze letters will be a constant reminder of the sacrifice which was made by them.

All of West Side joined to make the occasion one which will long be remembered. Business houses without exception closed their doors during the afternoon and the schools were dismissed that all might attend the exercises at the opera house. It had first been planned to hold the exercises out doors near the monument, but owing to the cold day it was decided to give the program in the opera house where all might be comfortable.

Several hundred people were gathered when Chas. Schoenjahn called the meeting to order. Members of the American Legion in uniform were seated in a body near the rostrum. The high school orchestra opened the program with music which was followed by a chorus which sang "America." Mr. Schoenjahn then introduced Attorney W. C. Saul, of Carroll, who delivered an excellent address in which he briefly reviewed the achievements of the United States and its brave sons in the late war.

Judge Conner, of Denison, was then introduced and he spoke of the record made by our boys and how they were backed up by those who remained at home, especially the women. He congratulated the people of West Side who made it possible to erect a beautiful monument in honor of the brave boys from the community who served.

Mr. Schoenjahn then called the American Legion roll and Dr. C. L. Patterson responded, telling briefly the history of the death of each young man. The meeting was then adjourned and all gathered around the monument for the unveiling. Judge Conner made a brief talk before the unveiling. The monument, a handsome piece of work chiseled from solid granite, was purchased from the Strathmeyer company of Carroll. On the tall base is the figure of a khaki clad soldier. On the base are the names of those who made the supreme sacrifice.

Following the unveiling the program

### DIVORCES GRANTED

District Court in Session, With Judge Hutchison Presiding—Several Divorces Are Granted

District court has been grinding away since the first of last week, but it was not until yesterday that a jury was impaneled. Judge Hutchison of Lake City, is presiding.

The court has granted several divorces. Rudolph F. J. Thomsen was given a divorce from his wife, Ruth Thomsen. Anna Handbury was granted a divorce from David Handbury, Daisy Wright from Lewis Wright and Hazel Walker from Dale Walker.

Probate matters has taken the attention of the court and the following have been disposed of: Herman Schultz, Anna Selis, Jens Clausen, George W. Fuller and James P. Sexton.

The grand jury returned two indictments against E. M. Hilton and H. M. Overgaard for knowingly making false representations as to the natural earnings of corporate securities. Both men were also indicted for conspiracy. The case is being tried and will take the attention of the court for several days.

The plaintiff in this case is suing for damages for injuries alleged to have been received while working on the defendant's farm.

Last Thursday morning, the anniversary of the death of Rev. M. J. Farrelly, the late pastor of the local Catholic church, was fittingly observed by the people among whom he labored so faithfully during his pastorate of a third of a century at St. Rose. The service was held at 10 o'clock in the forenoon in the presence of Rev. S. Butler, Carroll, who was celebrant of the solemn requiem mass; Rev. P. J. Murphy, Jefferson, deacon, and Rev. L. Anthoner, Charter Oak, sub deacon.

The Westminster club will hold a bazaar in the store room north of the First National bank on Saturday, December 19th. Members of the club have been making preparations for this event for some time past and it promises to surpass anything of the kind ever held in the city. Fancy work of all kinds is to be sold.

was continued in the opera house. Chaplain Roberts, of Mansfield, Iowa, who was with the first division, gave a very interesting talk in behalf of the American Legion, dealing with the life in the trenches and their general army life. He thanked the people of this vicinity and the Soldiers Monument association for their work in erecting the soldiers monument.

Miss Emma Bartels had charge of a six o'clock dinner given by the American Legion. The dinner was elegant in every detail, the room and table decorations were of a patriotic nature, showing very good taste.

In the evening a large crowd gathered at the opera house and enjoyed dancing until a late hour.

Everyone in the community is indebted to the good ladies who devoted their time and efforts in making the monument possible. While at times their task was a most difficult one, they never faltered.

## DENISON SPENDS THE DAY QUIETLY

Armistice Day in Denison Duly Observed When All Business Houses Closed at 2 in the Afternoon

### LEGION MEMBERS FIRE SALUTE

Program at High School—Ex-Servicemen Tell of Experiences—Football Game in Afternoon

Armistice day, Thursday, November 11th, was quietly observed in Denison, there being no specially planned program. Two years ago Denison "went wild" when the news was flashed here that the world war was ended. Church bells, whistles and guns, augmented with a brass band, all helped to make it an occasion long to be remembered. This year Armistice day was observed quietly, but there was evident a spirit of thankfulness on the part of our people that the war is ended and the country again enjoying peaceful pursuits.

Thursday was a bitter cold day, but a few minutes before 11 o'clock Legion members gathered at the corner of Main and Broadway and with uncovered heads stood while whistles blew at the hour the armistice went into effect. A firing squad, made up of Legion members, fired a salute.

Business houses of the city closed their doors at 2 o'clock to permit employers and clerks to observe the day. Program at High School

The only exercises held during the day were at the high school at 2 o'clock in the afternoon. Several ex-servicemen were invited to talk and tell of their experiences while in the service. Those who spoke were Hugo Saggau, Wm. Warmouth, Leo Miller, Marcus Jones, Jr., L. W. Powers delivered a short address. Francis Wolf and Maxine Robinson spoke in behalf of the senior high school. High school students furnished music.

**Football Game**  
At the conclusion of the exercises at the school everyone adjourned to the athletic field to witness the football game between Denison and Missouri Valley. While it was extremely cold, there was a good crowd in attendance, which enjoyed seeing the locals defeat Missouri Valley by the decisive score of 44 to 0.

While the Denison team was crippled owing to the fact that Captain Hagedorn and Will Binkley were out of the game owing to injuries, still the eleven played well and not once was their goal in jeopardy, the team playing an offensive game throughout.

Denison kicked off to Missouri Valley but after a few plays were forced to punt and in no time Rollins went over for the first touchdown, but failed to kick goal. The quarter ended without further scoring.

In the second quarter Rollins made two touchdowns after a series of line smashes and short end runs. In the last half Rollins made two

touchdowns and Saggau and Weiss were each credited with one, the game ending with 44 points for Denison and Missouri Valley failing to cross the Denison goal line.

The Denison lineup was as follows: Suiter, center; Powell and Roeh, guards; Smith and Hawley, tackles; Saggau and Lerenzen, ends; Weiss, quarterback; Rollins and Buckley, halves, and Servoss, fullback.

**Dance in Evening**  
In the evening members of the American Legion entertained a few young ladies at a dancing party at the legion club room in the city hall. Music was furnished by the Denison orchestra.

"Purple and Gold," the Denison high school paper, made its appearance on Monday of this week and is a most creditable publication. The initial number, made up of four three-column pages, is replete with news pertaining to the school. Maxine Robinson is editor in chief and she is ably assisted by the following department heads: Business manager, Francis Wolf; alumni editor, Royal Nelson; athletic editor, Leslie Rollins; joke editor, Theodore Hawley; literary editor, Loween Adele Faul; society editor, Irma Rath; local editor, Olive Reesor; faculty advisers, Miss Hoffman and Miss Reimers.

## M. E. REVIVALS NOW IN PROGRESS

Rev. M. M. Cable Showing Powers of Presentation of the Cause of the Christian Religion

Wilkinson Leads the Singing

Big Effort Being Made This Week for Attendance—Banquet for Men Tuesday Evening

The great doing in town this week has been the revival meetings at the Methodist church. New song books arrived for the use of the meetings, but contained all the songs which have stirred church going people these many days. Morris Wilkinson, of our city, who has been the singing evangelist at some of the noted meetings on the west coast, has led the singing and with the best effect. When it comes to singing a sacred solo it might be said that last Sunday morning Miss Houser, who is the instructor in music in the city schools, astounded even her friends by the singing of a selection with seemingly perfect effect. On Tuesday night Miss Hensole Steingole, the soprano, and Mr. Wilkinson sang a duet in a way hard to be excelled.

The pastor, Rev. Cable, is showing powers of presentation of the cause of the Christian religion which are surprising. He has talked on the streets of Chicago and in many meetings of more extended gatherings and comes to this evangelistic work well prepared. It is a delight to hear him in the changing moods of a pathetic story, instances of mother love appeal for right Christian living, searching inquiry, which

Dr. C. W. Carr arrived in the city Saturday from Craig, Sask., Canada, where he spent the past several months looking after his extensive land interests. After a visit here he will leave for points in the east.

go to make up his evening addresses. This week there is big effort being made for attendance, and there is keen rivalry between different Sunday school classes and certain sections of the city. Each evening there is given on the screen illustrations of well known hymns. The old standby, "From Greenland's Icy Mountains," is certainly well set forth. We hear that the banquet for the men of the church may come on Tuesday night, to which a large number of men will be invited. The bulletin shows that the Sunday school attendance ran up last Sunday to 221 and the new superintendent, Mr. Grotfeldt, was happy. The meetings will continue for ten days yet, so any from the country who want to take advantage of the moonlight nights to come in can do so.

## \$3,500,000 IN POUCHES TAKEN

Mail Car on Burlington Railway Robbed at Council Bluffs Last Saturday Night

### RECOVER POUCH WITH \$800,000.00

Merle Phillips, 20 Year Old Mail Sorter, Tells of Robbery and Says He Should Watch for the Robbers

A mail car on the Burlington railway was robbed at Council Bluffs last Saturday night and the loss will amount to more than \$3,500,000, the post office officials claim. The car was robbed while being moved from the Union station to the Burlington station in the Bluffs. It is thought an auto driven alongside the car was occupied by two robbers, and when the train stopped at a railway crossing a small window in the car was broken and through this window the door to the car was unlocked and the mail pouches removed. A messenger attempted to enter the car from the rear and found the door barred.

Postal officials on being notified immediately started investigations and on Monday found a sack that had been ripped open. It was learned from the records that this sack contains \$800,000 in bonds. The bonds were enroute from San Francisco to Washington, D. C.

Merle Phillips, a 20 year old mail sorter on the train, was suspected and on being given the "third degree" admitted that he merely stood on the locomotive while two others did the actual robbing. Officers seem to doubt his story. He claims the robbery was planned while the three men were in a pool hall in Omaha.

The robbery is one of the biggest ever staged in the Council Bluffs vicinity.

### BUY CHRISTMAS SEALS

Plans Under Way for Sale of Red Cross Seals—Intensive Campaign is to be Waged

Plans are under way for the sale of Red Cross seals. A more intensive campaign than heretofore is on. From the facts quoted below it would seem that this is necessary. Recent reports of public health nurses inspection of school children in Iowa counties showed:

One hundred and eight thousand school children are absent every day in Iowa. This costs the state \$4,000 in tuition. The state loses \$45,000,000 a year on its school investment.

Eighty per cent of these absences are due to preventable illness. The rural districts suffer most. The state spends less than 2 cents per capita for health; 30 cents per capita for police protection.

If the seal sale amounts to 10 cents per capita for the county, Crawford county may retain 70 per cent of the gross proceeds for the carrying on of a health program during the following year; and the other 30 per cent goes to the Iowa Tuberculosis association for a state health program. You want to help in this campaign.

If you think school children ought to be taught health habits—Buy Christmas seals.

If you want to learn more than you know now about tuberculosis, which would safeguard you and your neighbors—Buy Christmas seals.

If you think nurses should examine children and adults where tuberculosis is suspected—Buy Christmas seals.

If you would like to have a child yel-fare and tuberculosis clinic every year such as was held in Denison last summer—Buy Christmas seals.

If you think nurses should examine schools which have never had any health work done—Buy Christmas seals.

### REBEKAH ANNUAL CONVENTION

One Hundred Members of the Order Attend Annual Meeting Held in Denison November 15th

About a hundred of the members of the Rebekah order attended the annual convention which was held in Denison, Friday, November 12th, at the McKim hall. Delegations were in attendance from Charter Oak, and Dow City. The cold weather and bad roads kept many from a distance from attending this annual event.

The meeting convened at 10:30 in the forenoon and this session was mostly confined to preparatory work, with the reading of the minutes of the previous convention and treasurer's report.

At noon the local Rebekahs entertained those present at a sumptuous dinner which was served at the hall.

In the afternoon Mrs. Sturges, of Charter Oak, who was a district delegate to the Rebekah assembly which was held at Keokuk in October, gave a detailed report of the assembly, which was very interesting.

Mrs. Emma Miller, state president of the order, gave a talk, describing the work being done at the old folks and orphanage institutions which they conduct in this state.

At 6 o'clock a supper was served by the local order, which was followed by degree work put on by the Charter Oak order, at which time four candidates were taken in. At the conclusion of the program light refreshments were served.

## WILLIAM SHIVES WRITES REVIEW

Missouri Subscriber Has Taken the Review for More Than Forty Years—Sends Appreciative Letter

### CAME TO CRAWFORD IN YEAR 1873

Mr. Shives Settled in Jackson Township in September, 1873, and Later Lived in Section 13, Stockholm Township

The Review is in receipt of the following letter written by William Shives who now lives at Clifton Hill, Mo. For many years prior to his removing to Missouri, Mr. Shives was a resident of Crawford county, coming here in September, 1873. He first purchased an 80 acres in Jackson township, which he improved, and in 1876 sold it to Henry Maynard. He then purchased 202 acres in section 13, Stockholm township from Alexander Trinkle, and lived on this farm for many years. During his residence in Crawford county Mr. Shives was an active citizen—politically he cast his vote with the republican party; as a church member he was identified with the Methodist church, and was a steward of the DeLoit charge, and also a Sabbath school teacher. He was always active in advancing educational, temperance and religious interests, and was regarded as one of the most worthy citizens of the county. He was popular with all and many were the regrets when it was learned that he was to remove from the county. The writer has been connected with the Review since the fall of 1883, and Mr. Shives' name has been on the mailing list all these years, and perhaps many years prior to 1883. Mr. Shives owns a very fine farm in Missouri and for many years has devoted his time to the raising of purebred livestock and agriculture. His letter follows:

Clifton Hill, Mo., Nov. 14, 1920  
To the Denison Review,  
Denison, Iowa.

Dear Friends: Inclosed find my check for two dollars to pay for one year's subscription to the Denison Review. In looking at the wrapper I notice I am in arrears a short time. Please pardon me in this, as it was not intended.

We have been receiving the Denison Review in our home, possibly 40 years, and naturally it has become an active member of our home. I hope this reaches you in due time, so that we may not miss a number.

If it is not asking too much of you, I wish you would look up your records and find the date when I commenced receiving the Review; this has become a question in our home, and would be much pleased to know when we did start with the paper.

The paper is a good all around newspaper and we all bid it a hearty welcome to our home.

I am much pleased with the results of the recent election and am giving the Review credit for doing its part during the campaign. With best wishes to the paper, I am most

Respectfully,  
Wm. Shives

# Women's Coats at Manufacturer's Cost
