Local News.

BOZEMAN, MONTANA:

THURSDAY: : : DECEMBER 21, 1872.

NOTICE THIS!

All who owe for any part of volume one, will find a red X on their papers, and it is expected that this hint will have the effect to obtain the money from these delinquents. *Bear this in mind.*

100 SACKS FLOUR!

Wanted

at the COURIER office, one hundred sacks of XXX Flour for which THREE DOLLARS per sack, will be allowed on subscription to the paper. This chance to pay in Flour is offered, and we shall be glad to see all who owe us send flour as early as possible.

A Proposition.

Nearly three months has expired of the second volume of the COURIER. We propose now to subscribers that all who pay THREE DOLLARS between this and the first of January next, shall be entitled to a credit of SIX MONTHS subscription, the same as if paid in advance. Let us see how many will avail themselves of this liberal offer.

Notice to Subscribers.

There is a large amount due this paper on subscription, and it is very desirable that it should be paid. We have had no good opportunity to go around to collect the same. No doubt most of the amount would have been paid, as many of the delinquents are good men, and it has been mere forgetfulness on their part. The sums due for subscription on the first volume, and some other accounts, will be placed in the hands of CHARLES P. BLAKELY, Esq., and it is expected that payments will be made to him on presentation. The collection of what is due on this paper will be a sensible relief, and enable us to furnish the readers of the COURIER with a first-class paper.

Toys, Fruits, &c.

We have on hand a complete assortment of Toys and other goods for Holiday Presents. Also a full stock of Fruits and Confectionery.

HOLZMAN & BRO.

MR. J. L. MILLER, an old-timer, arrived in our burg Monday evening. Mr. Miller left here some years ago but bitterly regretted the step, and in consequence, now proposes to make Bozeman his future home. Mr. Miller is a jeweller of repute and is now carrying on business in connection with W. H. Bailey, at their stand on Main street.

Fencing.

Farmers and others wishing to purchase FENCE POSTS and POLES can get them in any quantity at my place on Lyman creek, near Bozeman. Price four cents each.

THOMAS BUTLER.

PROBATE COURT.—Before Hon. S. W. Langhorne, Judge; Hibbard & Co., plaintiffs, vs J. J. Tomlinson, defendant. Action in replevin. After a three days' trial, the jury brought in a judgment in favor of plaintiffs, giving them the property claimed and $248 damages.

VINEGAR BITTERS, by the bottle or case, and all the leading Patent Medicines, at the new Drug Store of W. W. Morris Bozeman.

We are indebted to Hon. W. H. Clagett for Congressional documents.

THE HOLIDAYS will be with us before our next issue, bringing with them joy to the little ones and pleasant memories of halcyon days and merry-makings to the older ones o many households in Gallatin valley. It is now a reason of rest with many of our farmers, and their well-filled grainaries, stock and fat flock and all the necessary comforts of life, with a future bright with promise, should enable them to enjoy the approaching holidays in the good old way "when you and I were boys." The days must not be celebrated in Bozeman as in many populous cities in the East, by sumptuous festivities in one house, while in the next gaunt famine knocks at the door. Ours will be more simple and enjoyable, knowing that there is not a family nor individual in the Gallatin valley who are not possessed of sufficient of this world's to make them comfortable. Old Santa Claus will remember the good little children, and their stockings will be plethoric with goodies, etc., Wednesday morning.—The Sabbath School children will gather a rich harvest of presents from the Christmas Tree at the Good Templars Hall, Christmas Eve. The Dancing Club will minister to the devotes of Terpsichore an abundance of their favorite amusement, while the "Young Men's Association of Bozeman" will furnish social and intellectual enjoyment to our citizens —Those who wish to gladden the hearts of the little ones, and treasure up in their affections pleasant memories of these festal days, should call at Holzman & Bro's., where can be found the greatest variety of toys, fruits, nuts, candies and holiday goods ever brought to Bozeman. Those who wish to make more substantial and presents will find a full line of fine jewelry at Merkle's, Bailey's, or our young friend Borstadt's, who has just opened out at Strasburger & Co.'s.

Let us have a jolly Christmas and take our chances on a merry, prosperous New Year.

New Jewelry Establishment.

Frank Borstadt,

Of the firm of Bartos & Borstadt, Helena, has just opened at the store of Strasburger & Co., Bozeman, a large and complete stock of

Jewelry, Watches, Bracelets, Sets of Jewelry

of the choicest Coral, Moss Agates, Jet and Pearl. Latest patterns of Sleeve Buttons, Studs, Collar Buttons, and an endless variety of Brooches, Chains, and diamond, gold and mosaic Rings. In fact, everything kept in a first-class jewelry store. Call and examine the stock.

FIRE! FIRE!—Winter is with us and it behoves our citizens to take special pains towards preventing the coming in our midst of the fire fiend. We should all bear in mind the suffering caused in Chicago and Boston (and, bringing the thing nearer home, the great losses sustained by the people of Helena, which has been thrice visited by fire,) by the flames, and it should be the duty of every citizen to take all the precaution in their power to prevent Bozeman being Chicagonized. In this connection, we cannot but praise the watchfulness of City Marshal Owen Holt, who, to our certain knowledge, has a score of times given the alarm when fire broke out, and his warning has been so timely that assistance was soon at hand and no damage done to any extent. In our opinion Mr. Holt should be given authority to inspect flues; see where stove-pipes run through roofs without passing through cylinders, and be given such powers in these matters as to make our citizens feel secure in their homes from the ravages of fire. A light wind, a little fire, and soon Bozeman would be a heap of ashes. Forewarned is forearmed.

XXX Pale Ale,
Stout, Porter,
Unchipped Sazerac Bitters,
Alpine Bitters, a new tonic;
Splendid New Cocktails,
Best Champagne and Cigars in Bozeman,
Just arrived at
JAKE OAKWOOD'S
The Tin Alley Saloon.

THE CLUB DANCE Tuesday night, although the weather was unpropitious, was largely attended, and while the howling wind without sung a sad requiem over the departure of the pleasant weather of the past month, within the cosy hall the enlivening strains of music, sparkling eyes, beautiful faces radiant with happiness, and gallant lads fixed up in their best style, rendered all pleasantly oblivious to everything but the enjoyment of the occasion. Great credit is due the managers for the excellent manner in which these Club dances are conducted.

Ladies' Watches, Pens and Charms, at MERKLE'S.

JEWELRY.—Mr. Frank Borstadt, of the well-known Jewelry establishment of Bartos & Borstadt, of Helena, has arrived in Bozeman and has opened out a splendid assortment of every description of Jewelry at Strasburger & Co's store, opposite the COURIER office. His stock comprises Gold and Silver watches, necklaces, brooches, bracelets, rings, setts, etc., endless in variety, excellent in workmanship, elegant in design and *recherche* in style. Mr. Borstadt is an energetic business man, and we are confident his advent to our city will redound to the benefit of the firm he so ably represents.

☞ELLIS, DAVIS & SPERLING are selling large quantities of goods every day.

PERSONAL.—It reminds us of the days of auld lang syne to see in our midst so many citizens of Virginia City. Besides the large number permanently located here we have received visits during the past week from Hon. Samuel Word, W. W. Morris, Fay Harrington and lady, H. Raymond, and Misses Nannie and Addie Rodgers.

We acknowledge calls from Col. W. F. Sanders and Messrs. Davidson and Miller of Helena.

NOTICE.

All those indebted to D. T. McDonald will find their notes and accounts at the First National Bank of Bozeman.

RELIGIOUS.—There will be a protracted meeting held near Mr. Lund's, on Middle creek, beginning on Saturday, the 4th of January. E. J. STANLEY, P. C.

There will be divine services in the Court House, on next Sunday (22d) at 11 a. m. and 7 p. m. by the Rev. J. T. Curtis. Subject—morning service, "The Message to the Shepherds;" evening service, "The Incarnation of Christ."

Jewelry, Jewelry, Jewelry—all kinds of Jewelry—to be had at MERKLE'S.

MR. A. L. WEAVER, having completed his new dwelling house on the East Gallatin, had a lively "shin-dig" and house warming last night.

"Dinna ye Hear the Slogan!"

Yelling to the boys that the Dan Flowerree Whisky has arrived, and that Cy. and Pat have just received a mammoth stock of foreign and domestic Wines, Liquors, Brandies, and in fact everything that goes to make up a top saloon. Samples furnished at 25 cents. Come along, don't be afraid. The RIVUS is gentle under the management of Mounts & Worsham.

TO WONDERLAND.—A large excursion and pleasure party, headed by our genial friend Al Jessup, left for the National Park on Tuesday. They propose remaining in Wonderland from one to two months, visiting the Geysers, Hot springs and other curiosities of that romantic region. The party, with their retinue of guides, hunters and servants, presented an imposing appearance as they filed out of town. The road to the Hot springs where they intend making their head quarters crosses the snowy range and leads through some canyons that are very dangerous at this season, and the undertaking savors a little of fool-hardiness. Mr. Jessup is a much-y traveled gentleman having made a tour of the world seeing all the sights of Europe Asia and Africa. We prophesy the excursion will be a success for a man who has hunted the Polar Bear in the Arctic seas chased the Tiger in the Indian jungles and braved every danger of land and deep will hardly be turned back by so small an impediment as ten or a dozen feet of snow. The balance of the outfit are all old Western men with years of experience among the Rookies. The boys intended giving the party a parting salute, but when Col. Frank Murray inspected his battery he found that all his pieces were loaded to the muzzle with snow balls. Col. Frank proposes removing those snow balls during the first thaw, and give Jessup and his party a booming welcome on their return.

FOR WASHINGTON.

Claims Collected.

The undersigned intends to leave for Washington about the 20th of December, to remain till the 4th of March, and will give prompt attention to all business sent him. After the 20th of December my address will be 420 Third street, Washington, D. C.

November 23, 1872.

LECTURE NEXT THURSDAY NIGHT.—A lecture is to be delivered next Thursday night at Templar's Hall on "Poets and Poetry of the nineteenth century." Harry Horr, Esq., will handle the subject, but we are willing to wager that instead of attending to the Poets and Poetry, he will branch out and give a humorous account of everything in general, and nothing in particular. He can't avoid it. We feel confident in asserting that Harry's audience will be the largest ever assembled in the Templar's Hall, and that his lecture, the first given for the benefit of the Young Men's Association of Bozeman, will be a decided success—financially, at least, if not otherwise.

We have just passed through the warehouses and cellars of Ellis, Davis & Sperling, and were quite astonished at the quantity and variety of goods to be seen there. It is certainly the largest and best assorted stock of goods ever exhibited in Bozeman.

THE Ladies' Church Social held on Wednesday night at the house of Mr. & Mrs. Fridley was a decided success, both as to numbers and sociability. The music was superb; several of the most accomplished pianists and singers of Bozeman were present, and that is saying a great deal. The next meeting of the society will be held on New Year's night at the church, when the ladies will provide refreshments and serve a basket supper.

THE HIGHEST PRICE paid for County Warrants and County Bonds. Apply at the First National Bank.

L. M. BLACK.

AT a regular communication of Gallatin Lodge No. 6, A. F. & A. M., on Saturday, Dec. 14th, 1872, the following officers were elected for the ensuing year:

T. R. Edwards, W. M.
T. Lewis, S. W.
J. Holzman, J. W.
W. Heffner, Treas.
R. P. Merater, Sec.

Silver Napkin Rings, Thimbles, Card Cases, Rings, etc., to be had at MERKLE'S.

We are in receipt of a communication giving reasons why the last ball of the Good Templars was not a success. It is too personal to benefit either the parties alluded to, the writer, or our readers, if published, and is by no means a fitting article for our columns. To the writer we would tender the old advice—"Never write while in an angry mood."

Painters and Glaziers, Attention!

You can find a full and complete assortment of PAINTS, OILS, WINDOW GLASS, PUTTY, PAINT BRUSHES and every article in your line at the new Drug Store of W. W. MORRIS, a few doors east of Lamme & Co.'s, Bozeman.

WE are pleased to see our old friend Col. Chesnut on the streets again. The Col. has received two paralytic strokes, and it is to be hoped that he is so far recovered that he will not be liable to another attack. He proposes going east in a few months, and we trust that when we next look upon him the "little old man" of Bozeman will be in his usual good health.

Field Glasses to be had at MERKLE'S.

ASSAY OFFICE.—We are pleased to see that Mr. Clagett has got a bill through Congress for an Assay office at Helena. The sum of Fifty thousand dollars has been appropriated to begin on. This is very creditable to Mr. Clagett, and we hope he will have equal success in all the important measures he has before Congress, in which the people of Montana are interested.

Maguire's Land Agency.

During my absence my patrons will please transact their land business with George S. Coleman, Esq., who will attend to it for me.

H. N. MAGUIRE.

CHRISTMAS TREE.—On Christmas eve the Sabbath school will give a short entertainment, consisting of declamations, dialogues, and music, at Templars Hall at 6 1-2 o'clock. Presents, through a Christmas tree, will be provided for all the children connected with the school. A good social time is anticipated. Go, everybody, and take along your fractional currency. No charge for admittance.

To Families and Others.

I would respectfully announce to the citizens of Bozeman and vicinity that, in order to keep up with the times, I will hereafter sell bread at the City Bakery AT HALF PRICE. Families need not be at the trouble of baking their own bread, as they can buy cheaper at me.

Lager Beer also at half price—12½ cents per glass. LUNCHES served at any hour. ☞ Don't mistake the place—CITY BAKERY, next door to the tin shop.

JOHN MANEI, City Bakery.

THE preliminaries were arranged last Monday night for a wrestling match between ——Harvell and Ike Jordan, for one hundred dollars a side, to take place about the 1st of January.

After a vote of thanks to J. E. Harvey for the able manner in which he had presided over the meeting, it adjourned until Thursday, December 19th, 1872.

J. V. BOGERT, President.
PETER KOCH, Secretary.

"WAIT FOR THE WAGON."

The author of the above soul-stirring melody is respectfully informed that he can do better by getting one of those handsome turn-outs at CLARK'S Livery Emporium when he feels like taking a ride.

HOME AGAIN.—Our esteemed fellow-citizen and jolly cuss generally, Charley Clark, is back from Helena. He reports that village very quiet, and returns to us with a higher appreciation of Bozeman than ever.

We propose to the farmers of Gallatin a splendid offer: We will take butter and eggs at the retail price, and give in return anything from our splendid and well selected stock of Dry Goods at WHOLESALE PRICES. Give us a call and satisfy yourselves that we mean business.

THE GOLD PRODUCT.—Jas. F. Brown & Co. Bankers of this city, have purchased something over $500,000 in gold so far this season, which is now about closed. Taking the gold transactions of this firm, that of Hussey, Dafier & Co., and the amount shipped by mill owners and others as a basis, the gold product of Madison county for 1872 will quite reach our estimate made last spring—$1,000,000. This, at least, is the opinion of our bankers and other prominent gold dealers. This showing gives an increase of several hundred thousand dollars over the product of last year before and evidences the reliability of old Alder and her sister placer camps.—*Montanian.*

DIED.

COVER.—In Los Angeles, California, Nov. 22d, of diphtheria, Altha Estelle, daughter of Thomas W. and Mary E. Cover, aged six years and ten days, after a severe illness of about thirty hours.

Many friends will mourn in sympathy with the sorrowful family. Early ripe in intellectual promise, and early gathered.

The morning flowers display their sweets,
And gay their silken leaves unfold,
As careless of the noontide heats,
As fearless of the evening cold.

Nipp'd by the wind's untimely blast,
Parch'd by the sun's directer ray,
The momentary glories waste,
The short-lived beauties die away.

So blooms the human face divine,
Where youth its pride of beauty shows;
Fairer than spring the colors shine,
And sweeter than the virgin rose.

Let sickness blast, let death devour,
If heaven must recompense our pains;
Perish the grass, and fade the flower,
If firm the Word of God remains.

VINEGAR BITTERS

VINEGAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week, as a Preventive.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goiter, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation the tubercular deposits the affected parts receive health, and a permanent cure is effected.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic and Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

The Aperient and mild Laxative properties of DR. WALKER'S VINEGAR BITTERS are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc. Their Counter-Irritant influence extends throughout the system. Their Diuretic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus forearmed. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassfull. Eat good nourishing food, such as beef steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ing
