BREWERY SALOON. D. H. GARDNER, Proprietor. Keeps constantly on hand the best Wines, Liquors, Beer and Cigars to be obtained in the city. Important Communication. Bozeman, November 20, 1913. Editor Avant Courier: Being in communication with friends in the East regarding the gift of a school building for Bozeman, I wish, for their information, to know how many boarding scholars (male and female) can be depended upon. With that end in view, I desire to learn from you who would aid in that way to support a school, and I adopt this method of gaining the desired information. It is, of course, not certain that the idea will be carried out, but no effort will be spared to secure the establishment of the school at an early day. I desire, in the name of the Young Men's Association, to acknowledge the generous gift of Mr. G. G. Holloway of lumber sufficient for funds to the full capacity of our hall. Our funds would not allow the purchase, and the gift is thankfully received. I also wish to announce that "Association Hall" will be open to the public, without distinction, during the sessions of the Lyceum lately organized. J. V. BOGERT. THE NEW MEAT MARKET. We call attention to the new advertisement in this issue of the new meat market next door to the office, recently opened by Dr. E. D. Dowell. These gentlemen are killing the finest stock ever before butchered in this market. They killed a three-year-old steer Wednesday morning which weighed, when dressed, 920 pounds. They have arranged with butchers to keep their regularly supplied with deer, bear, etc. Dick always remembers the prouder when he has anything extra, and we kindly acknowledge his substantial and generous remembrance. LOUIS VIGOR BARRELL is requested to give information of his residence and post office to: DR. DEAS HILSGROD, U. S. Penitentiary, Bozeman, M. T. 6-3. THE EXCHANGE is the coolest place in town to spend a social hour. The bar, club and reading rooms have been re-decorated, and none but the finest liquors and cigars are kept there. Wines of the choicest vintage, and the purest Bourbon Whiskies and French Brandy always on hand, and polite and attentive waiters to serve them. Go to the Exchange for first-class liquors. FLOUR! OATS! FLOUR! ELLIS & DAVIS are now prepared to receive all the Flour and Oats which may be offered in exchange for goods. They are retailing goods at less than wholesale prices. ACCORDING to Mr. Nelson Story was driving some retractory cattle, which he had purchased at Horse's sale Monday, his horse threw him, bruising his face considerably. The horse, a white and grey, was found in the city of the Veterinary Station, Dave Carpenter, proprietor.

CLOTHING JUST RECEIVED. The Helena Herald of the 18th inst. says: Mr. and Mrs. D. A. McPherson, of Bozeman, who for the two past weeks have been visiting friends in Helena, gave a social party last evening at the International. About fifty invited guests were present and joined in the waltz dance, which was kept up until nearly two o'clock this morning. The occasion was greatly enjoyed by all who participated. Dussell's string band furnished the music, and, of course, it was a fete. NOTICE. Came to my place on Bridge Creek, about the first of September, one ROAN OK, nine or ten years old, branded on the left hip. The owner can have the ox by coming to my place, proving property and paying charges. JACOB THOMAS. TO SUBSCRIBERS. We have recently made out the accounts of a number of subscribers to the COURIER who receive their papers at post offices outside of Bozeman and sent them to the Postmasters for collection. It is hoped that we have not heretofore been very pressing, our friends will pay their accounts PROMPTLY, as the paper cannot be run without money. It is our desire to close up all accounts due the office up to October 1, 1913. PERSONAL. Hon. C. Hedges, Territorial Superintendent of Public Instruction, visited our place last week on official business. He spent one day in our public school, and was highly pleased with Mr. Gray's management. We understand the school is to be graded. Mr. and Mrs. D. A. McPherson returned from their trip to Helena on Wednesday evening, and had a pleasant visit among their old friends. We have tried them. Go there and do likewise. GEORGE W. FOX, Esq., President of the People's Bank of Helena, left for home this morning by way of Virginia City, which place he has never visited during his residence in Montana. The indications are that he will visit Bozeman a little oftener than heretofore. That's the report. Thomas, of Flint Creek, and Mr. John S. Pemberton, of Deer Lodge. Some few were left at Moose Plains to rest up, and the rest were brought through. Mr. D. found stock prices firm, his purchases averaging \$100 in colts. He met Surjman, de Witt and Allison on October 28th within 125 miles of Walla Walla; met D. C. Lonsbury and family October 30th in a wagon at the Crow's Nest, 25 miles beyond Missoula Mountains; and met Thomas Rhee and Hank Scheller at Missoula Ferry. The mountains were icy but there was only a slight snow. Charles A. McCabe and partner are out with their sheep, and Ed Stone is keeping colts for the biggest establishment in Walla Walla. SCARED NOW. On the fourth page of to-day's paper will be found an article from the Missouri Republican of October 23rd, which betrays an apprehension that which Montanians will not derive
