Theatrical.—Langrishe's Dramatic Company closed their engagement here last evening and left for Pioneer this afternoon. During the week they have given a series of fine entertainments, ranging from high tragedy to broad extravaganza. Comedy has been best patronized and enjoyed.

Wet weather pieces are rather dry on a country stage, notwithstanding they are admirably rendered. However, the range of pieces during the week, demonstrated the ability of the Company, and gave pleasing variety to the series. The last evening Simpson & Co. and Toodles was up with a try by Mr. Fitzwilliams and Mossa. Richmond and Browne, and a dance by Mrs. Shields. Simpson & Co. is one of the finest comedies presented—one in which Mr. and Mrs. Langrishe render their characters admirably, and we never saw the piece run better; and so in fact did the entire evening's entertainment; consequently every body was delighted and "so glad they come."

The trio was encored; Mrs. Shields had to solicit a suspension of encores until her shoes were re-soled, and Langrishe sang songs until the musicians wore out all the strings, and sent the bill boy out for more cats. We haven't space to say a word individually of the Company, but several of the impersonations during the week were worthy of especial credit, and none invoked unfavorable mention. The engagement has been successful, and our people are well pleased. We are not without hope that by September they will come again, and not only that but that, we will have a handsome little theatre in which to meet them. Of one thing Mr. Langrishe and Company may be assured—a welcome ever kept warm for them in Deer Lodge.

From Corinne.—Our special correspondent at Corinne sends us under date of May 6th the following: The Diamond R. Company shipped to Helena, J. D. Palmer's mule train, on the 5th, 23,000 pounds of freight for E. S. Stackpole; 95,000 pounds for Tootle, Leach & Co. To-day they shipped to D. N. Birdseye, Blackfoot, \$7,000 to Pemberton & Co., Deer Lodge, per Atkinson's mule train; and 70,000 pounds to different Helena firms. Two roughs have been arrested at Ogden for the murder of the colored woman. One of them confessed to cutting open the tent and declares his partner went in and cut her throat. He confessed, too, that this was only the commencement of a list of murders which they had contemplated doing. There is great excitement at Ogden in consequence. The Woman Conference began at Salt Lake City yesterday.

Coach Time, etc.—Huntley's new coach arrangement took effect on Monday. There is no change in the arrival or departure of the Helena coach. The coach for Cedar starts immediately after the arrival of the Helena coach—6 P. M.—and meeting the coach at Mrs. Coberly's, return here by G. A. M. the following day. Passengers from Helena to Cedar are now out but two days and nights to the mouth of Cedar—good time, with fine teams and excellent drivers. We are authorized by the Company to state that passengers from Deer Lodge to Helena, round trip, will be furnished tickets at the Scott House for \$30 currency—a reduction of \$5 on former rates.

Goods for the West Side.—We are indebted to Messrs. Pemberton & Kelly, agents of Diamond R. Transportation Company, for permission to make the following transcript from the books of goods shipped per their trains from Corinne:

Table with columns for destination, weight, and date.

The first of these trains is expected to arrive in six days and will be followed rapidly by succeeding trains. Only a portion of each train is loaded for Deer Lodge. The wagons containing these goods will come via Deer Lodge Pass, and arrive here as soon as the remainder do at Helena.

Nice showers these days. —The U. S. Grand Jury adjourned last Saturday. —The thermometer registered 120° in the sun at 2 1/2 p. m. last Monday. —Mr. D. McCranon is in Silver Bow, opening a merchandising house. —We learn Mr. E. S. Stackpole has returned to Highland from Napa, Cal. —All the counterfeiting cases have been continued until next week. —Mr. A. F. Trasher returned to Deer Lodge to-day. —L. Bernard sold \$2,037 worth of water from his Silver Bow ditch, last week. —The Miner's ditch at Silver Bow was completed to-day. —E. L. Bonner and family will arrive on Tuesday evening. —Some twenty men from Alder gulch were in town to-day Cedar bound. —Remember Elliott's auction sale of goods on Wednesday. —Court will probably adjourn to-morrow evening. —Mr. J. E. Owing, Deputy Collector U. S. Internal Revenue, is in town a day or two en route for Cedar. —A gentleman arrived from Louisville to-day says there are three thousand men in and about that town—a literal jam of people. —Frank Woody, Esq., of Missoula, will be in town Sunday evening, having gone over to Helena yesterday. —Mr. Frank Abbott, formerly of Helena, is about to open an extensive boot and shoe store in Deer Lodge. —The mails are now carried to Cedar Junction. Ben. R. Dittes is Deputy P. M., and will make a good one. —J. P. Adams, Dental Surgeon, arrived this evening, and will open an office in Deer Lodge. —Messrs. Pemberton & Kelly are shelving their store throughout, preparatory to receiving their new stock of goods—to arrive next week. —Lingle, Dillman, Ostrander and McConnell, against whom indictments are found, are in custody of the U. S. officers or are released on bail. —Mr. Sam. D. Johns, having been delayed in attendance at Court, finally sailed in his pioneer boat for Missoula this evening. —John O'Neil, 404, has the smallest "ad" in the New North West and the biggest furniture establishment in Montana. He sells furniture so low he can't afford to advertise any more extensively. —Mr. J. J. Donnauer is here looking over the situation, with a view to building the Pioneer road. His reputation as a road builder is unequalled, and if given the contract he will push it through at once. —Remember the big race at Deer Lodge, May 29. The best running horses in the county will be entered. Why don't our turfites organize a racing association now, and insure success? —Mr. M. Birney has returned from Helena. The teams for drawing the penitentiary stone arrived to-day, bringing the brick machines. Work goes, and we trust shortly our numerous friends will be able to sing: "In the prison cell I sit."
