PRESBYTERY OF MONTANA. A BAD PAIR IN LIMBO. The Convocation at White Sulphur Springs. The Murderer of Embury, and Golden, the Rapist, in the Helena Jail.

George Gode, a half-breed who stole two horses on which to take sight and then murdered poor old John Embury on Dearborn Creek, away up in the northern part of Lewis & Clarke county, for the \$125 which he had and with which he expected to go back to the States, has been caught. He had presumed for the Flathead reservation, but five trusty men were on his trail, and Wednesday night of last week Sheriff Herford and Deputy Bancus arrested him in a saloon in Missoula. He is a 20-year old half-breed Cree, and half the Indian finger of his left hand is off, rendering his identification easy. Sheriff Hathaway took him to Helena.

Deputy Sheriff Gibbs also ran into jail the black brute Alfonso Golden, who so violently assaulted the woman at Sun River. Both these rascals are deserving of greater punishment than the law accords, but it is to be hoped they will get the full extent of the penalties prescribed.
