This is the PRINCIPAL LINE between the Pacific Coast and Chicago, and was the first to connect with the great Pacific Roads, and form the OVERLAND ROUTE. This line is the shortest rail line between Omaha and Chicago; the track is of the best steel rail, and all the appointments are first-class.

The trains are made up of elegant new PULLMAN PALACE DRAWING ROOM and SLEEPING COACHES, luxurious, well lighted, and well ventilated Day Coaches, and pleasant lounging and smoking cars.
