HOTELS.

St. Nicholas Hotel,

Broadway, New York.

Board Reduced to $2 per day

Since the opening of this vast and commodious Hotel, in 1854, it has been the single endeavor of the proprietors to make it the most sumptuous, convenient and comfortable home for the citizen and stranger on this side the Atlantic.

And whatever has seemed likely to administer to the comfort of its guests they have endeavored, without regard to cost, to provide, and to combine all the elements of individual and social enjoyment which modern art has invented, and modern taste approved; and the patronage which it has commanded during the past six years is a gratifying proof that their efforts have been appreciated.

To meet the exigencies of the times, when all are required to practice the most rigid economy, the undersigned,

Have Reduced the Price of Board to

TWO DOLLARS PER DAY.

at the same time abating none of the luxuries with which their table has hitherto been supplied.

MEDICAL.

Blood Pills and Blood Purifier

BOTANY. CHEMISTRY. EXPERIENCE. PHARMACY.

DR. ROBACK'S

Scandinavian Remedies.

When Dr. ROBACK, the celebrated Swedish Physician, introduced his Blood Purifier and Blood Pills in the United States he set forth in plain language their curative properties. This was years ago. The task of recommending them has since been *taken out of his hands.* Enlightened men whose character for sound judgment and philosophy, give their opinion weight in the community, men who observe, reflect, and make "assurance doubly sure" before they decide—are everywhere approving and urging the use of these wonderful preparations. All who confide in the wisdom and honesty of this class, or who choose to investigate for them selves are now of *one mind* on this important subject.

The evidence in the possession of Dr. ROBACK, which is at all times accessible to the public, establishes the following

FACTS!

That the BLOOD PILLS have been proved by analysis to

CONTAIN NO MINERAL,

but they cure the almost universal complaint,

DYSPEPSIA

with *unerring certainty,* and in a very short time That after all other medicines have proved useless they relieve.

LIVER COMPLAINT,

and restore the health and strength of the sufferer.—That

SICK FEMALES,

who have languished for years in helpless weakness and despondency, recuperate with at rapidity under their invigorating operation. That all sexual disabilities are removed by their cordial and gentle stimulating properties. That they recruit

SHATTERED CONSTITUTIONS,

however they may have been trifled with and abused that their direct tendency is to lengthen life, and render it enjoyable. That operating directly upon the *poison of the disease in the blood,* they

CAUSE SOON TO HEAL.

and discharge from the system every taint of Scrofula, whether hereditary or otherwise. That they

RECRUIT THE DEBILITATED,

and that there is no disease of the Stomach and Bowels, the Liver, the Nervous System, the Skin, Glands or Muscles.

ARISING FROM IMPURITIES OR OBSTRUCTIONS OF THE BLOOD OR SECRETIONS.

in which they do not give *prompt relief,* and, (if administered before the very citadel of life has been invaded,) *effect a painless and perfect cure.*

Bear in mind that the SCANDINAVIAN VEGETABLE BLOOD PILLS are endorsed by the experience of thousands of living witnesses, who, in letters, all-da vits, medical works, and by word of mouth, proclaim them to be the very best preparation of the kind ever offered to the broken-down victims of
