On Wednesday morning our ministers made us a pleasant chapel call and gave us some encouraging remarks.  
A musical program on last Sunday night was a diversion from the regular Sunday evening sermon. The chorus choir had charge of the service, which consisted of anthems, quartets, duets and solos. The few very appropriate remarks by the pastor on the authorship and the circumstances which led to the composition of some of the most familiar hymns were both interesting and instructive and will make those particular hymns a little more precious than they have been before.

The whole town has been alive this past week in preparing for the exercises in connection with the dedication of the new Doolittle Memorial Library building. Friday afternoon and evening were given over entirely to celebrating the event. Quite a number came from a distance to participate in the exercises. The address was given by Prof. Mc Bride of the State University, and excellent music was furnished by a chorus of thirty-five or forty voices, led by our energetic music teacher, Miss Murphy. Anything which might be said in praise of the lecture or lecturer would not be out of place. The subject was "The Divine Art", and the manner of treatment and the easy conversational style which is characteristic of Prof. Mc Bride was most interesting. Prof. Mc Bride is a man of national reputation and we may well congratulate ourselves on having been honored with his presence. After the address the new building was thrown open to the inspection of the public. To crown the occasion and make all feel friendly an elaborate banquet was served at 8.00 o'clock in the basement of the new building. The committee had made provision for two hundred guests at the

banquet, but were disappointed in not being able to reach that number. It was on the whole an enjoyable occasion and a time to which those interested in Lenox have looked for a long time. The new building which has been so much needed is now ready and will be a source of comfort to those who attend Lenox in days to come.

Goeben, Ill.  
Dear Sirs:—Some days since a package of your Green O preparation was left at my office. I took it home and gave it a trial, and I have to say I was very much pleased with it as a substitute for coffee. We have always used the best Java and Mocha in our family but I am free to say I like the Green O as well as the best coffee I ever drank. Respectfully Yours,  
A. C. Jackson, M. D.

If the average man would look himself square in the eye, he would see at once that he needs Rocky Mountain Tea. A priceless boon to men. See GREGG & WARD.
