**Ford-Hayward Wedding.**  
Last Tuesday noon at the home of the bride's uncle and aunt, Mr. and Mrs. George Ford, on Howard street were united in marriage Miss Kate Mary Ford and Vermer Eugene Hayward, Rev. H. O. Pratt of the Methodist church reading the marriage service.

The bride is the daughter of Mr. John Ford and has grown to lovely womanhood surrounded by a host of Manchester friends. She is a graduate of the High School of this city and also of Cornell College at Mt. Vernon, upon the completion of which latter course, she was engaged as one of the teachers in our public schools, a position she filled last year with great credit. She will be an admirable helpmeet to the husband of her choice.

The groom is a son of Senator Hayward of Davenport, and is a young man energetic and popular, with a future of promise. He, too, is a graduate of Cornell College.

Mr. and Mrs. Hayward departed Tuesday afternoon on a short wedding trip. After September 30th, they will be at home at 420 Mississippi Avenue, Davenport.

Best wishes for their future happiness, health and prosperity will follow them to this new home.

**The Grocery Peddler Case.**  
Chester A. Hodge, the grocery peddler who was prevented from plying his trade in this county this summer by arrest, being held over to the Grand Jury, has had a strenuous season. He has been arrested in a number of counties where he and his agents were working, but so far has been successful in all the cases instituted against him. Judge Burnham of Vinton summed up his decision in the Benton county case against Mr. Hodge in these words: "Under the plain language of this decision and many other cases of similar import there can be but one conclusion reached in this case and that is that the transactions complained of constitute interstate commerce within the meaning of the federal constitution and that as such they could not in any way be interfered with by state taxation or regulation on the part of the state and that part of the question does not apply to a peddler engaged in selling the goods of the citizens of this state, and that the petitioner could not be held under the agreed statement of facts in this case, and the law as applicable thereto, and that he must be discharged from the custody of the defendant, the sheriff of Benton county."

**Marriage of E. E. Mulvehill of Masonville and Miss Scharles of Blackhawk county.**  
Waterloo Reporter: Tuesday morning at 9:30 o'clock at the Catholic church at Gilbertville occurred the marriage of Miss Katherine Scharles of Poyner township, to Eugene Mulvehill of Masonville, Iowa. Father Nemmers, pastor of the church at Gilbertville, performed the ceremony which was celebrated in the presence of a large number of relatives and friends of the contracting parties.

After the ceremony at the church the bridal party repaired to the home of the bride's parents, Mr. and Mrs. Adam Scharles, two miles southeast of Gilbertville, where a wedding feast was served. On account of a death in the Scharles family recently the reception to the friends of the young people was not given. The young people will leave this evening for St. Louis on a two weeks' wedding trip. Upon their return they will take up their residence in Masonville, where Mr. Mulvehill is engaged in the drug business.

Mr. and Mrs. Mulvehill are well known in Waterloo by a large circle of friends, and the good wishes of all will follow them to their new home. The bride was born and raised in Poyner township, being the daughter of one of Blackhawk county's most prosperous farmers. She is a young lady of charming ways and well fitted to preside in the home. Two years she has resided in Waterloo, making her home with her sister, Mrs. Nick Federspiel, on Lafayette street. Mr. Mulvehill is spoken of as a young man of great worth. He has visited in Waterloo on several occasions and has made many friends here on his visits. He is the owner of a drug store at Masonville where he has provided a home for the reception of a lady of his choice.

**A Happy Wedding.**  
Concerning the recent marriage of Miss Laura Whipple of Edgewood and Mr. George Griffith of Greeley, the Greeley Home Press of last week said, "It is safe to say that this was one of the most brilliant occasions of this character ever held in this town. The beautiful home was decorated with pink and white flowers. At precisely two minutes of 12, Miss Lucretia Beyer took her place at the piano and while softly the strains of Mendelssohn's wedding march were being played, the bridal party entered, preceded by two little maids of honor, Myrtle Irish, ring bearer, and Ina Wandell as flower girl. The bride was richly attired in white crepe de chene over white silk, and carried bride's roses. The groom wore conventional black, while the maids of honor wore white.

"The bride has grown to womanhood in our midst and is a most beautiful and accomplished young lady. She has shown rare talent as a teacher, has by her industry and economy materially assisted her parents, thus guaranteeing her ability to be the worthy helpmate essential to the happiness of her husband and home, in the new relations she has now taken.

"The groom comes from one of the prominent families in Greeley, and is a most excellent young man, and is in every way worthy of the bride."

**Re-Election of Fair Association Officers.**  
As the Democrat briefly noted last week, at its annual meeting of the Delaware County Agricultural Society held Tuesday afternoon, the former officers—Benjamin Sheldon, president; H. C. Smith, vice president; J. J. Pentony, secretary; and L. Matthews, treasurer;—were all re-elected.

After the election of officers, these township directors were chosen by ballot:

Hazel Green.....W. F. Drummy  
Colony.....John Merten  
Coffin's Grove.....M. S. Van Auker  
Delaware.....A. N. Smith  
Dellhi.....John Swinburne  
Union.....J. A. Johnston  
Milo.....M. S. Banta  
Bremen.....J. B. Nurte

Treasurer Matthews announced a balance on hand over and above expenses, of \$72.45. The total amount received was \$2796, which did not include the receipts from advertising, which amounted to between \$275 and 300, and will probably add to the sum total now on hand, after the printing expenses are paid in full. The gate money this year exceeded by \$500 last year's amount.

Mr. Matthews made a number of suggestions at once timely and valuable by which next year's Fair may be the biggest affair ever held in the county. He advocated the soliciting of foreign advertising, as it is done for the fair books by the surrounding county fair associations. This would bring a nice sum to add to the receipts. He also advocated an executive committee and a further committee of three for each department. These committees would relieve the secretary of so much one man work and certainly would be a most satisfactory arrangement.

The next meeting of the society will not be held until the second Monday in January, 1905.

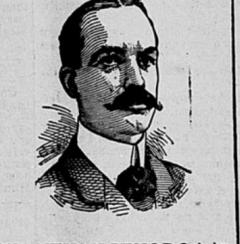

Secretary Pentony is still busy with the affairs of the association, the wiping out of the indebtedness of the society—a matter of over \$2,000 with unpaid interest since February, 1902, being the end toward which he is striving. His plan of selling ten year memberships at \$10 a piece is meeting with good success and it is predicted that the whole amount will be raised before another meeting of the society.

**Seibel Bros.' Parade.**  
The street parade presented by Seibel Bros. shows this season is twice larger than before. It is composed of nine sections, each complete in itself. Numerous kinds of music are interspersed at intervals in the pageant. Nearly every climate is represented by some of its baby animal potatoes. Comical monkeys, dainty ponies and pretty dogs make up one section, which surpasses the parade of most shows, to say nothing of the score or more of golden bedecked chariots and miniature dens. The consolidation parade of the Seibel Bros.' show is a sight worth seeing, and the little folks should not be denied this privilege. It will start from the show grounds at noon on the day of exhibition, which is Friday September 30th.

## LIVER TROUBLES

"I had Theford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. He had the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever. All manner of sickness and constipation. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

Use Theford's Black-Draught for liver and kidney complaints and find nothing to excel it.—WILLIAM COFFMAN, Marblehead, Ill.

### DEVILED PASTE!

Highly Seasoned Dishes are Called "Deviled" Food.

These dishes are very popular for Late Suppers, Luncheons and in club life. They can be made at home very economically and just as conveniently as at the Club, and may be broiled or cooked in a hot oven or chafing dish.

The general receipt to follow is prepared thus: Put into a soup plate two spoonfuls of Yacht Club Salad Dressing, half a teaspoonful of curry powder and half a teaspoonful of Lira & Terria's Worcestershire table sauce. Mix these ingredients well together and the preparation is ready for use. This quantity of paste is sufficient for the following recipe.

**DEVILED KIDNEYS!**

Allow your mutton or lamb kidneys to stand covered in cold water containing half a teaspoonful of soda, half an hour. This treatment removes any strong odor or taste they might possess. Drain and dry them thoroughly, split each kidney lengthwise, remove the thin skin, and make moderately deep incisions lengthwise all over both sides; into these cuts put as much of the prepared paste as possible, and they are ready to be cooked. If they are to be cooked in the oven, fry in pan or chafing dish, first put in a little butter when the butter is quite hot add the kidney. Do not cook them too much so that will make them tough.

Cut out recipe for paste, you can use it for many other dishes.
