Compound Vapor and Shampoo Baths.

Most all diseases caused by poisonous secretions, which clog the wheels of nature. The name and the symptoms may be different but the cause of disease can usually be traced to the impure action of the millions of pores of the human body. A bath in accordance with scientific requirements is the best preventative and remedy known. The methods employed by me are the most scientific ever invented or discovered for dispelling disease. Results tell the story. Give me a trial. This is the Conant system of baths. A competent lady attendant in charge of the ladies department.
