IN MEMORY OF MOTHER MERRIAM.

Mrs. Anna E. Merriam, wife of H. C. Merriam, the postmaster at Coggon, was buried April 14 at Coggon, the services being conducted by Rev. Rustin of the Presbyterian church, from the home.

Anna E. Finley was born at Louisiana, Missouri, February 23, 1842, and came to Hopkinton, Iowa, in 1860, where she entered Lenox college. In 1865 she was married to Lieut. H. C. Merriam, then a young soldier but recently returned from service with Company K, of the Twelfth Iowa Infantry. They resided in Hopkinton and vicinity until 1888, when the family moved to Coggon where they have since resided.

Eleven children were born to Mr. and Mrs. Merriam, the husband and nine of them surviving the mother. All were present at her bedside during the last illness. Frank F., the oldest, resides in Muskego, Oklahoma; Robert M. at Ryan; Sue M. teaches at Casper, Wyoming; Zella, now Mrs. George Wilson of Colfax, Iowa; Harry C., chief electrician in one of the departments of the National Railroad of Mexico, with headquarters in the City of Mexico; Minna M. teaches in Marcus; Jean A., deputy postmaster at Coggon; Anna E. teaches at Springville, Iowa and Florence C., who is at home. A sister, Mrs. Mary L. Collins of Louisiana, Missouri and a brother, Dr. W. H. Finley of Cascade, Iowa, are left to mourn the loss of the sister.

Her children were at all times her first consideration and it was for them that she labored constantly, although in late years she gave liberally of her time and talents to church works and works of charity. She was a member of the Presbyterian church.

While not unexpected, her death has cast a gloom over the community. An exemplary wife and mother, a kind friend and neighbor, her death leaves a vacancy in the home, the church and in society. Her deeds of kindly ministrations to the sick and needy, and her thoughtfulness for other will be long remembered. Even the weakness of her last Sabbath upon earth, her thoughts turned to the house of God, and she requested that the flowers from her sick room be sent to the church for the Easter services. Truly a good woman has gone to her reward.—Cedar Rapids Republican.

MISS CATHARINE TIERNY.

DEATH OF MR. JOHN B. SMITH.

Mr. John B. Smith died at 4:50 o'clock Monday morning, April 19, 1909, at the age of 78 years, 6 months and 12 days. He was born in Germany, and as a young man served in the cavalry of the Emperor's army during the Prussian war, receiving a saber wound during one engagement. After leaving the army, Mr. Smith came to the United States, locating in New York City for several years, later moving to Winnebago county, Illinois, where he was united in marriage with Miss Martha Jane Miller, on September 20, 1858. For many years Mr. Smith was engaged in a general retail business, in which he was very successful, and also occupied his attention buying and selling stocks and grains. They made their home in South Dakota for some time and later moved to Oelwein. Two children were born to them, one who died in Oelwein; the other still surviving, Mr. Edgar C. Smith of Chicago, who is general manager of the W. W. Kimball Piano company. Since about 1897, Mr. and Mrs. Smith have made Manchester their home, having purchased a very comfortable cottage on Union street upon their removal to this city. Mr. Smith was a member of the Methodist Episcopal church and was a constant attendant of its services up until the time of a recent illness. He had been in failing health for nearly a year, but his rugged vitality had so exerted itself that his condition was much improved until a few weeks ago, when his strength gradually grew weaker. Mr. Smith was known by his many friends in Manchester as a man of great kindness, exemplifying that quiet fortitude which was ever manifest in his life. His latter years were simply but beautifully spent in his home in this city, in company with his wife, who survives him. He had never allied himself with secret or fraternal orders, but his church and home always seemed to provide much comfort and pleasure.
