

**Cleanliness and Economy**  
in the home—two of the most important adjuncts to perfect living.

Nothing heretofore offered in fuel for lighting and cooking has had such a marked effect on the American household, such influence for its betterment, as the new odorless, safe fuel, **PYRO** ALCOHOL (Denatured).

It gives a strong, quick, powerful heat for cooking and it cleanses than any known fuel. Long exposure to burn Pyro Alcohol (Denatured), both for indoor and outdoor use, gives a light so clear, so white that it is called "Lamp Light." These lamps do not smoke, give off no odor, are easy to run and very easy to care for. Cooking with Pyro Alcohol is a most delightful and surprising new experience. Investigate today— you will say.

Last Wednesday, June 15, at the home of the bride's parents, Mr. and Mrs. Ferdinand Schultz, who reside two and one half miles southwest of Edgewood, at high noon, occurred the marriage of their only daughter, Doris Sophia to Mr. Rudolph Jacobs of Alliance, Ohio. They were attended by Miss Clara Sackett, cousin of the bride and Mr. Ferdinand Schultz, brother of the bride, as best man and woman, and Helen Keck and Roy Wessel of Coleburg, both friends of the bride as second best. Shortly before 12 o'clock to the strain of the wedding march, played by Miss Zella Farmer, they entered the parlor which was nicely decorated for the occasion. Rev. Melchior of Ryan then spoke the words which bound this happy couple in wedlock. The bride wore a handsome gown of brown satin and a wreath and veil. She carried a bouquet of red and white peonies. The groom wore a navy blue suit. Following the ceremony a reception was held at which about seventy-five guests were present. The young ladies of the neighborhood the Misses Elsie Sharp,
