MANCHESTER, IOWA, WEDNESDAY, AUGUST 2, 1911

MANCHESTER IOWA, WEDNESDAY, AUGUST 2, 1911

NO 31

MRS. AMOS SATTERLEE CALLED BY DEATH

WIFE OF PROMINENT FARMER PASSES AWAY LAST SATURDAY.

HEAVY RAINFALL VISITS COUNTY

Copious Showers Friday and Monday Soak Ground a Foot in Depth.

DEATH OF MRS. A. F. SATTERLEE

Mrs. A. F. Satterlee died at her home in Coffin's Grove township, Saturday, July 29, 1911. The funeral service was held at the home Monday afternoon at 2:00 o'clock. Rev. J. F. Moore, pastor of the Congregational church of this city officiating. Eleanor Kelley, the eldest child of Joseph and Julia Kelley, was born in Covington, Wyoming county, New York, September 22, 1857. She came with her parents to Delaware county at the age of eleven years. On March 7, 1875 she was united in marriage to Amos F. Satterlee. To them were born nine children, all of whom, together with the bereaved husband, are living. The children are Mrs. Mattie Kcany of Manchester, John Satterlee of Independence, Carrie, Julia, Lucy, Jerome, Arvory, Onta and Marion, who are living at home. She also leaves to her death her aged father and two brothers, Edgar and James Kelley of this place, her mother and one sister having preceded her in death. She leaves four grandchildren, Arthur, Jr., Julia and Eleanor Satterlee of Independence and Wayne Kenny of Manchester. Her birthplace was spent most of her life in Coffin's Grove township, and she lived during her entire married life of nearly thirty-seven years. Mrs. Satterlee was a woman of many admirable traits of character. She was a kind and generous mother and a faithful wife. The members of her large family are bowed in sorrow by the loss of their loved one.

Woodmen Picnic.

On Tuesday, August 22nd, Olive Camp, Woodmen of the World, will hold their annual picnic on the fair grounds in this city. A big success for the 1911 picnic is anticipated by the local camp. Arrangements are being made for the usual entertaining series of athletic and novelty contests and a large number of prizes have been donated. A ball game will be one of the features of the picnic. A dance will be given in the evening at the Army hall. The following are the committees on arrangements: Music and Printing—B. W. Green, W. H. B. Robbins, J. N. Kling. Speaker and Hall—August Miller. Amusements—L. J. Bowman, Alton Dunham, H. P. Jones. Refreshments—M. S. Ven Atkes, A. E. Mead, W. H. Todd. Soliciting—J. G. Duncan, G. W. Bishop, C. F. Robinson. Reception—E. E. Moore, J. G. A. Anderson.

LIGHTNING DESTROYS LARG BARN AND OTHER PROPERTY.

During the storm last Friday morning the lightning set fire to the large barn on the J. F. Davis farm located near the county line and about four and a half miles south east of Strawberry Point. A Mr. Thompson has the place rented this year, and he lost 3 horses, a quantity of hay, farm machinery and other personal property. The fire destroyed not alone the barn but a corn crib, grainery and hog house. The buildings were insured and some of the personal property. Mr. J. F. Davis is a brother of our townsman, Joe W. Davis.

NEW DRINKING FOUNTAIN INSTALLED.

The new sanitary drinking fountain purchased and given to the city by Col. B. W. Jewell, was installed on Monday and is now in working order. The fountain is of the modern sanitary type which does away entirely with the disease-spreading drinking cups. Three gentle streams of clear, sparkling water bubble up continuously. At the foot of the fountain flows a stream of water which is provided to quench the thirst of the canine population. The fountain is a beauty and the generosity of Col. Jewell will be appreciated by Manchester people for years to come.

TO ERECT BEAUTIFUL RESIDENCE.

J. A. Strickland has let the contract to A. J. Bruce for the construction of a modern residence at the corner of Delaware and Brewer streets. The residence, when completed, will be one of the finest in the city.

A CAMPING PARTY.

A party of young ladies are enjoying the pleasures of camp life on the banks of the Maquoketa about a mile north of town. Mrs. E. B. Stiles is chaperoning the party, which is composed of the following: Misses Laura Norris, Laura Dunham, Arnette Works, Marjory Jones, Willa Richardson, Florence and Josephine Lela.

COMPANY D GOES TO CAMP.

Company D left on Monday of next week for Vinton, Iowa, to participate in the regimental encampment at the 53rd Iowa Regiment, which is in camp for ten days. The boys are making extensive preparations for the entertainment of the regiment. They have an excellent site for the camp on the edge of town, and have gone to the expense of extending the electric lights and city water mains to the camp grounds. The boys are looking forward to a pleasant as well as a profitable time during their short period of camp life.

A PLEASANT TRIP.

Mrs. A. M. Cloud left last week for an extended western trip, accompanying her mother and sister, Mrs. P. E. Fleming and sister Miss Lillian T. E. Fleming and sister Lillian Fleming of Marshalltown. They will make the trip to the coast by way of the Canadian Pacific and go down the coast by boat from Victoria, Canada to San Francisco. After a visit with relatives in California they will return home by way of Salt Lake City and Denver. They will be gone about two months and will without a doubt greatly enjoy this delightful trip.

DIES IN CANADA.

J. P. Williams, for many years a resident of Manchester, died suddenly at Brunetta, Canada, on Sunday, July 16, his death following a seizure of heart failure. Mr. Williams had been living on a homestead near Brunetta for some time with his son, John Williams, who left Manchester some two years ago for western Canada. Had Mr. Williams lived until August 12, 1911, he would have attained seventy six years of age. To mourn his death he has left with his wife, the following children: Mrs. Arthur Gillings, of Cleveland, Ohio; Mrs. William Leach of De Smet, South Dakota; John G. Williams, of Sibley, Iowa; and William Williams, of Brunetta; and the following brothers: Horace Williams, of Manchester; and Dan Williams, also of this city. Mr. Williams was highly esteemed by his friends during his long residence here, and the knowledge of his death will bring a sincere regret. It is understood that burial was made at Brunetta, XX

LAST FRIDAY'S RAINFALL IN TON WEIGHTS.

Who can guess the rain fall of last Friday in ton weights? It is easily figured up but the aggregate will surprise any one who has never made or examined a similar computation. A good inch of rain water fell in his locality last Friday and from all accounts a like amount fell in nearly all parts of northern Iowa. Now take a pencil and check up these figures and see if they are not correct. There are 43,560 square feet in an acre of land, and 144 square inches in a foot. By multiplying the number of square feet in an acre by the number of square inches in a square foot we find that there are 6,272,640 square inches in an acre. An inch of rain fall would cover this surface with an inch of water and give us 6,272,640 cubic inches of water on each acre of land. Twenty-eight cubic inches of rain water weighs a small fraction more than a pound, but for the purpose of this computation we will allow 28 cubic inches of water for a pound, by dividing 6,272,640, the number of inches in an acre, by 28, we find that in an inch of rain fall on an acre there are 224,022 pounds of rain water, or 112 tons. An inch of rain fall on a farm of 160 acres requires 17,920 tons of rain water. A quarter section is 160 acres, and there are 2201 quarter sections in Delaware county. By multiplying again we find that there fell on the surface of Delaware county last Friday fully 41,287,680 tons of water.

INVESTIGATING PAVING.

Mayor M. F. Le Roy and Councilmen J. J. Goen, Chas. Peterson, A. H. Cleveland and D. F. Hennessey went to Dubuque this morning for the purpose of examining various kinds of street paving there. The council have the Franklin street problem before them and will make some decision in the matter at the meeting on Monday evening of next week. That some sort of a permanent paving will be ordered in, is a foregone conclusion. The condition of the traveled portion of Franklin street is worse than any other in the city and the large amount of daily travel and the heavy loads which constantly pass over it demand that this thoroughfare be put in good condition. The sentiment of the council has been from the first strongly in favor of brick paving. In fact, the resolution of necessity which was passed calls for brick. There has developed, however, a strong sentiment among the property owners favoring a less expensive paving, such as crushed rock with a concrete foundation. The councilmen expect to go to Charles City, we understand, tomorrow to inspect the cement paving there.

MAKING PREPARATIONS FOR THE FAIR.

Secretary J. B. Higman is busy these days making preparations for the Delaware County Fair. The track is being put into condition and will be in excellent shape for fair week. The management has been somewhat handicapped by the delay in getting the "premium list" books circulated. The books are still in the hands of the printer, but are promised for the near future. In the mean time active preparations are going on. The attractions have been contracted for and the prospects are good for an unusually fine exhibition of cattle. Watch the papers for future announcements. Don't forget the dates, Aug. 29, 30, 31 and September 1. Creamery Report.

THE NEWS CASE SETTLED.

Agreement Signed to Pay Claims and Dismiss Bankruptcy Proceedings. An agreement has been entered into whereby the involuntary bankruptcy proceedings against the News will probably be dismissed. The petition was filed by three former employees of the company, S. R. Young, Miss Belle Young and Bradley Edmunds. Their claims aggregated \$1,250.00, all of which were for unpaid wages. The agreement referred to has not as yet been carried out, owing to a hitch over some of the details. The matter, we understand, will doubtless be settled up in the near future by the payment of the claims by a few of the stockholders who are already heavily interested financially in the company. The agreement carries with it the transfer of all of the stock of the company owned by Hon. D. H. Young to other stockholders. Mr. Young will sever all connection with the News after being intimately identified with it since he purchased the plant fourteen years ago. It cannot be denied that the motive was a political one which implied the establishing and maintenance of a second Republican paper in this city, in the face of heavy financial losses. Senator Young has fought and bled for "progressive" principles and if the mission of the News is purely political, it is bound to be weakened in this respect by his retirement. More than one progressive victory in this county can be credited to his keen political acumen. This paper congratulates the News upon its emerging from the shadow of bankruptcy and litigation which promised to seriously embarrass it financially.

ANOTHER DUBUQUE FIRE.

Dubuque suffered another large fire Sunday wiping out practically a solid block in the factory district, and destroying \$140,000.00 worth of property. Like the other large fires which Dubuque has recently suffered, this is believed to have been of incendiary origin. The two recent fires of the Standard Lumber Company were doubtless the work of a fire fiend and a suspect was placed under arrest at that time. He was later released because the police did not have enough evidence to connect him with the crime but they were not convinced of his innocence. The same man is now under arrest again charged with setting the fire of last Sunday. The firms suffering the heaviest losses are the Kretschmer Manufacturing Company and the Spahn-Rose Lumber Company. Dubuque has a serious problem to face. The perpetrators of these fire-fish acts must be apprehended and placed where his insane impulses will no longer jeopardize lives and property or the commercial development of Dubuque which is just now enjoying such rapid strides, will be materially crippled.

SORGHAM AS A FORAGE CROP.

Attention is called to the article on one of our inside pages entitled "Replace Hay Crop." It might be well for those who can spare the time, whether they are short of hay or not, to try a few acres of sorghum. The article referred to was prepared by the Iowa Agricultural college and we think it can be relied upon.

GREELEY 5-MANCHESTER 2.

The Manchester Base Ball club opened the season at Greeley last Sunday with a hard defeat. "Bill" Bates was on the mound for the local boys and pitched big league ball—allowing but two hits and allowing nine of his opponents. His work attracted the attention of every eye, and opened his career as a star pitcher for the local club. But to record seven errors for the home boys is to tell the defeat in brief. Manchester opened the first inning by getting the two scores that made their goal. In the fourth inning Greeley tied it up on two hits and three errors. It remained a pitcher's battle for the seventh when Greeley scored a pair on three errors and a single. The work of the Manchester club, after considering their initial appearance, was indeed praiseworthy.

SUMMARY.

	R.	H.	E.
Manchester	2	8	7
Greeley	5	2	2

BATTERIES.
Manchester—Gates and Burke.
Greeley—Jenny and Drew.
Struckout by Gates 9, by Jenny 5.
Two base hits, Gates, Davis, Burke.
Ease on balls, off Gates 3; off Jenny 4.

AUTO ROAD BETWEEN MANCHESTER AND STRAWBERRY POINT.

A number of good roads enthusiasts have started a movement to improve a main road between Manchester and Strawberry Point. The work to be largely done by volunteers along the highway to be thus improved, with the aid of the automobile clubs of the two cities. It is proposed to put up signs along the road to run past the wooded hills north of this city, and the farms off Will Jones, H. D. Wagner, Thomas Andrews, Conrad Wenzell, John Robinson, William Budd, John Billhorn, Henry Heyer, John and Will Grabson, and at the county line past the August Rosso place. The men living on the highway will be asked to contribute one or two days' work, and it is believed by this method that the road can be put in first class condition at a light cost to any one individual. Few roads in Delaware county have more travel, both by team and auto, than this particular highway.

WEATHER CROP BULLETIN.

For the week ending July 30, 1911. Heavy showers occurred over the eastern third of the state on the 28th; the amounts of rainfall ranging from one inch to over three inches. Little or no rain has fallen over the central and western districts since the 23rd and in these sections, the drought continues with increased severity. Cool weather continued until the 27th but the last three days were hot with moderately high winds. The condition of corn improved considerably over the eastern sections, but over the central and western districts there has been a decline. There are many barren stalks and the ears that have formed are generally small and unevenly fertilized. For the state as a whole, there has been a loss of at least 30 per cent. in condition since July 1st, and in many localities in the southern districts the loss ranges from 40 to 60 per cent. The crop is in a very critical condition and will continue to deteriorate until rain comes. But if a good soaking and general rains come soon there is still time to make a fair crop, as the stand is nearly perfect and the acreage is considerably larger than it was last year. Thrashing progressed rapidly and is now about 60 per cent. completed and preliminary reports indicate average yields as follows: Winter wheat, twenty-four bushels per acre; spring wheat, twenty-eight bushels per acre; barley, twenty-eight bushels per acre; oats, twenty-eight bushels per acre; and the lack of pasturage is causing farmers in many localities to sell their stock. The condition of pastures, potatoes, fruit and gardens continues to decline except in eastern courses, where heavy showers occurred on the 28th. Much depends on the weather, during the coming week.

Dr. H. M. Bradley spent several days last week in Chicago.

—Mrs. R. D. Graham, was a guest at the home of friends in Chicago last week.

—Philo Hammond of Seattle, Washington, is visiting in this city with Carl Norris.

—Mrs. O. U. Hockaday and Mrs. Maurice Hennessey are Dubuque visitors to-day.

—Mr. and Mrs. J. F. Jackson and children of Savanna, Georgia, arrived here Monday afternoon for a visit at the home of the latter's father, E. A. Atwater. Mr. Jackson will return home Saturday, and Mrs. Jackson will remain in this city until September 1st.

—Mayor M. F. Le Roy spent part of last week in Waterloo on business.

—The Presbyterian Sunday school is holding their annual picnic at Love's grove, east of town today.

—A. D. Long is at home from a business trip through South Dakota, where he has large farming interests.

THE LOCAL NEWS OF THE WEEK

WHAT MANCHESTER PEOPLE ARE DOING AT HOME AND ABROAD.

REVIEW AND FORECAST OF EVENTS

Items of a Personal and General Nature Picked Up About Town.

—Alex Solvey of Cedar Rapids is visiting with Manchester friends.

—Miss Ruth Reeves has returned to Waterloo, after an extended visit in this city.

—Mr. and Mrs. Jay Matthews of Monticello are the parents of a daughter, born July 23rd.

—Earle Kelsey was an over Sunday visitor at the home of his parent Mr. and Mrs. J. L. Kelsey.

—Mrs. Geo. Ford leaves this week for a two weeks visit with relatives at Lake Geneva, Wisconsin.

—Rae Dunham has accepted a position in the ticket office of the Illinois Central at Dubuque.

—Marion Ellis of North English, arrived in the city Thursday, and is a guest at the P. E. Thomas home.

—Mrs. W. C. Blake went to Minneapolis Thursday for a two weeks' visit at the home of Mrs. Byron Sheppard.

—Miss Ona Barnard returned home Thursday, after a short visit in Waterloo, with her friend, Miss Flossie Clemens.

—Miss Kathryn O'Hagan, who is employed as stenographer in Waterloo, was a guest of friends in this city Saturday.

—Mr. and Mrs. L. N. Steiert of Moline, visited in this city last week, guest at the home of the former's sister, Mrs. Will Bowen.

—Mr. and Mrs. A. S. Hart have returned from California, and are visiting in this city with the latter's mother, Mrs. D. B. Allen.

—C. C. Pridge and daughter, Miss Olive, expect to go to Washington, Indiana, in the near future, for a several weeks' visit with relatives.

—Miss Ella Brookman and Clayton Toms of Central City were over Sunday visitors at the home of the latter's mother, Mrs. Ray Brown.

—Mrs. John Ekbert and daughter, Miss Fernie, expect to go to Geneva, Wisconsin, the latter part of this week for a visit with relatives.

—Mrs. J. J. Hoag went to Rochester, Minn. last Friday morning to receive treatment for her eyes. Her son, Will Hoag, accompanied her.

—Mrs. H. W. Lawrence and her daughter, Mrs. Gail, of Chicago, were over Sunday visitors at the home of the former's son, H. H. Lawrence.

—Miss Genevieve Turley returned to her home at Dubuque Saturday afternoon, concluding a visit in this city at the home of Mr. and Mrs. J. J. Goen.

—Mrs. A. Holbrook had as her guests Sunday, her sisters, Misses Elizabeth and Mero Weidenbach of Dyersville and Miss Laura Eulberg of Dubuque.

—Mrs. W. R. Blake, and son, Burdette, have returned to their home at Clermont, after a two month's visit in this city, at the home of Mr. and Mrs. S. H. Morgan.

—Mrs. Howard Commerford has as her guests her sister, Miss Bertha Horton and her friends, Misses Irma and Nellie Cummins and Oma Haines of Coggon.

—County Clerk Graham issued the following marriage licenses during the past week: Hugo Proussner and Miss Emma Eggman, Davis L. de Best and Miss Emma Laxson.

—Mrs. Joe Mc Cormack made a short visit in this city last week, going to Dubuque Saturday for a visit with friends, before returning to her home at Cedar Rapids.

—Mrs. Frank Schneider, who has been visiting with her parents, Mr. and Mrs. S. A. Thompson, went to Newton Saturday morning for a short visit before returning to her home at Des Moines.

—Mrs. Fred Keibler and daughter, Miss Emma, arrived in the city Saturday for a visit at the home of Mr. and Mrs. Fred Hermann. Mrs. Keibler returned home Monday morning and Miss Emma will spend the remainder of the week here.

—Dr. E. G. Dittmer was unable to resist the flattering offer made by a Dubuque business man for his beautiful grey driving team, and the pair was sold last week. The horses were beautiful and the doctor had quite a time making up his mind to part with them.

—William Barr and Bert Hoag left Tuesday for an inspection of the wheat fields of the Canadian northwest. They each own a section of land in the dominion of the Union Jack, and the law on that side of the line may give them the reciprocity question.

—Mrs. Emery Durey goes to Chicago, Wednesday afternoon, where she will join her sister Miss Nettie Dusek and her cousin Miss Mary Ruzicka, and will go to Wheeler, Michigan, for a two weeks visit with her parents Mr. and Mrs. Joseph Dusek. Before returning home she will visit with friends at Niagra Falls.

THE LOCAL NEWS OF THE WEEK

WHAT MANCHESTER PEOPLE ARE DOING AT HOME AND ABROAD.

REVIEW AND FORECAST OF EVENTS

Items of a Personal and General Nature Picked Up About Town.

—Mrs. Blair of Hopkinton visited in this city last week, with her daughter, Miss Ina.

—Miss Grace Raiback of Vinton was an over Sunday visitor with Manchester friends.

—Verna L. Gardner of Cherokee, is a guest at the home of Mr. and Mrs. Frank Smith.

—Lloyd Ballard of Beloit, Wisconsin, is expected here next week, for a visit with friends.

—Wm. Beeman was called to Mansville, New York, Friday on account of the death of his brother.

—Mr. and Mrs. Henry Bronson and Mrs. C. E. Bronson have returned from an outing at Lake Okoboji.

—Mr. and Mrs. Henry Acers and Miss Charlotte Tubbs are camping at the Devil's Back Bone this week.

—Beth Brown is at home from Ames for a few weeks' visit with her parents, Mr. and Mrs. M. K. Brown.

—Miss Winifred Maley and Miss Kinsella of Dubuque leave this afternoon for Isabell, South Dakota, and will visit for two weeks with Miss Jessie Maley and Mrs. Albert Maley, who have homestead claims near Isabell.

Loss of Time Means Loss of Pay.

Kidney trouble and the ills it breeds means lost time and lost pay to many a working man. M. Balent, 1214 Little Penna Street, Streator, Illinois, was so bad from kidney and bladder trouble that he could not work, but he says: "I took Foley Kidney Pills for only a short time and got entirely well and was soon able to go back to work, and am feeling well and healthier than before." Foley Kidney Pills are tonic in action, quick in results—a good friend to the working man or woman who suffers from kidney ills.

SCHOOL OF INSTRUCTION IN DRESSMAKING.

From August 1 to 19 inclusive, I will teach a class of pupils in sewing on their own materials, call or write for particulars and terms. Jennie Holmes, 117 W. Howard st. Phone 238.

BARGAINS.

If taken soon, office building and three sheds on ground formerly owned by Hockaday Lbr. Co., must be removed for permanent improvements. Office building, 12x18, lath and plastered. Sheds suitable for stock or machinery. If interested inquire of: Eclipse Lumber Co., Phone 117. Manchester, Iowa. 29-2wks.

Vudor Porch Shades

The Kind that Will Serve You Best

Vudor PORCH SHADES

They retain their shape and appearance for years. The ordinary shades are composed of narrow strips that won't stand any sort of wind or rain, and are held together with weak, cotton-like strands. Besides, that kind hasn't any room for air to enter, or for you to look out. We shall be pleased to show you our complete stock of Vudor Porch Shades any time you request it. This won't necessitate that you buy, though you'll probably decide that way yourself.

BROWN, The Furniture Man

Sells Cedarine Furniture Polish.

DUST EVERY DAY WITH LIQUID VENEER

For Beautifying: Chairs, Tables, Picture Frames, Chandeliers, Sewing Machines, Pianos, Hardwood Floors, Silver and Plated Ware, Etc., Etc., Etc. Upstairs and downstairs, in bedroom, sewing room, den, parlor, dining room and kitchen, there's a big daily use for LIQUID VENEER. Simply moisten an ordinary clothescloth duster and dust with it—that's all. Makes the furniture cheerful by removing dust, dirt, finger marks, stains and scratches and by restoring the original factory finish, all in the one simple cleaning operation. Unequaled for putting a tone on the outside of any piano, and for making and keeping hardwood floors just like new.
