Christine Heinrich was born in Baravia, Germany, February 27th, 1852, and came to Manchester in 1865 and has resided here since then. She was united in marriage with Leslie Atkinson at Waterloo, Iowa, in 1879. To this union three children were born, Roy of this city, Ray of Des Moines, and Clarence, who resides at home. She is also survived by one brother, Fred Heinrich, of this city. Her husband preceded her in death on May 30, 1911.

The funeral services will be held at the home Wednesday afternoon at 2 o'clock. Rev. J. F. Black, pastor of the Methodist church, assisted by Rev. W. H. Ensign, pastor of the Presbyterian church, will officiate. Interment will be made in Oakland cemetery.

WILLIAM PRATT STEWART.

William Pratt Stewart died at the hospital at Independence Saturday afternoon, November 11, 1911. The deceased was born at Sterling, Illinois, December 6, 1865, and came to Iowa with his parents, Mr. and Mrs. R. F. Stewart, in 1870 and he resided on a farm in Prairie township with his parents until May 19, 1877, when he was united in marriage with Miss Jennie A. Durey, daughter of Mr. and Mrs. Frank Durey, of this city. Besides his wife he is survived by two daughters, Mrs. Pearl Hunt of Waldona, Colorado, and Miss Lillian Stewart of Seattle, Washington, and two sisters, Mrs. W. A. Durey of this city and Mrs. Thomas Fope of Tampico, Illinois. For the past fifteen years Mr. Stewart has been in the employ of the Manchester Lumber company and was an industrious and hard working man.

The funeral services were held from the home Monday afternoon at two o'clock. Rev. H. F. McDonald, pastor of the Baptist church, officiating. Interment was made in Oakland cemetery.

WALTER WYATT.

Walter Wyatt, son of William Wyatt, who resides on the Hutchinson farm south of this city, died of appendicitis at Park View Hospital in this city Sunday morning, November 12, 1911, after a lingering illness.

The deceased was born in Asbury, Iowa, July 24, 1886, and is survived by his father, two sisters, Mrs. Hazel E. Brooks and Mrs. Ella Ellis of Dubuque, and three brothers, Raymond, who resides at home and Frank and George of Dubuque. His mother preceded him in death six years ago.

The remains were taken to Asbury Sunday afternoon and the funeral services will be held at the Methodist church there Wednesday morning. The bereaved relatives have the sympathy of their many friends.

MRS. JAMES HAHESY.

We feel sad to note the death of Mrs. James Hahesy, beloved wife of James Hahesy of this city, which took place at Park View hospital in this city Tuesday evening, November 7, 1911, at six o'clock, thus severing the domestic circle of that family for the first time which had until now consisted of ten children, aside from the father, mother and little one, whose death and birth was undoubtedly the cause of the mother's death.

Mrs. Hahesy was born in Garry, Iowa, near Dubuque forty-four years ago, where she spent most of her childhood days and was married to James Hahesy in 1883 and moved on to the old home farm out southwest of town and later to the farm near town which has since been her home.

She leaves to mourn her departure, her aged mother, Mrs. James Penny of Anamosa, six brothers, John of Gearytown, Thomas of Pipestone, Minnesota, James and W. R. of Masonville and Evan of Manchester and four sisters, Mrs. John Stack of Dubuque, Mrs. George Bailey of Fayette, Mrs. J. D. Hardin of Bernard, and Miss Susan of Anamosa.

The children are Catherine, Mary, William, Margaret, Agnes, John, Edward, Theresa, Bernard and Josephine, all at home.

paid a beautiful and fitting tribute to the memory of this devoted mother, who was happy when smiling for the interest of her husband and little ones.

She was a kind neighbor, a true and devoted wife and friend and always did her part in the life work cheerfully, faithfully and well, and the world is brighter and better especially for her own family because it has known the sunshine of her presence.

She will be missed, oh, so much by the dear ones in the old home, where she was always to be found at her post of duty.

Burial was made in the Catholic cemetery opposite Oakland in Manchester. We know that the husband and children must feel that the sadness caused by the breaking of tender ties, and the loss of sweet companionship, is accompanied by the glad thought, that a good mother and joyous life after suffering and with them remains the helpful memory of a devoted life of work for her dear ones. The floral offerings, the mute and silent tribute of mourning friends were beautiful and appropriate.

There's a beautiful land just out through the gloom,
Where soft breezes blow and flowers ever bloom,
Where the threads that were dropped amid weakness and pain,
Are gathered together for weaving anew.

Annals of Iowa.

When our feet have grown weary and wandered that way,
Through the mists comes the gleam of a beckoning hand;
And we know she is there in that beautiful land.

CYCLONIC STORM.

Last Saturday a cyclonic storm swept over eastern Iowa, western Illinois and southern Wisconsin. The storm was at its worst in southern Wisconsin where some dozen people were killed and many injured, and a large quantity of property destroyed. In the town of Virginia near Springfield, Wisconsin, three persons were found dead in the wreckage and upwards of fifty in that place were injured. The blizzard reached this vicinity late Saturday forenoon, confronted by conditions which usually result in cyclones. During the early part of Saturday forenoon a warm southeast wind was blowing and this warm current of air was met and rolled back by the frigid blizzard which had been approaching this vicinity from Montana and the Dakotas during the preceding twenty-four hours. There was a difference of fifty or sixty degrees of temperature in the two colliding air currents which caused heavy thunder, vivid lightning and a copious down pour of rain. When a cold storm wave of this nature from the northwest is met in the central valleys of North America by a warm wave from the southeast, twirling air currents are produced which move in a north-easterly direction and generate electricity and sometimes result in cyclones. All these conditions were observable Saturday and the cyclone which followed was the natural result. The weather Saturday night and Sunday was unseasonably cold. The mercury in this vicinity registering from down near zero to ten above. The mercury dropped about sixty degrees in twenty-four hours. In many places the change of temperature is claimed to have been a record breaker.

ATTORNEY GENERAL COSSON GIVES WARNING.

At the request of Mayor M. F. Le Roy, The Democrat publishes below a communication received from Attorney General Cosson requesting that all forms of gambling be immediately suppressed: To the County Attorney and Mayors of Iowa: Gentlemen: During the past few months so many complaints have been made to the Department of Justice and so many requests have been received for opinions concerning the operation of slot machines, gambling devices and various other forms of raffles and lotteries, that I feel it incumbent upon me to direct a general letter to each county attorney in the state and mayor of every city and town of Iowa, to the end that the county attorney may direct his sheriff and the mayor his marshal, chief of police and other police officers, with reference to these evils. X X X My attention has recently been directed to various slot machines and raffles. The complaint is made that so great has become the evil of raffles, that a merchant who refuses to handle these gambling schemes cannot compete in business with those who do. Formerly, wholesale raffles which put out these raffle boards confined the prizes to candy, but the evil has become so great that, within the past ten days I have received complaints that diamond rings, silverware, clocks, gold watches and other articles of jewelry, spurious as well as genuine, are being disposed of as prizes in connection with the raffle. It is common knowledge that the larger part of the money received in disposing of these candy raffles is from boys and girls, some of their immature.

I can see no reason for prosecuting the man who operates the shell game and the roulette, and at the same time, permit merchants to operate gambling houses in the form of raffles, slot machines and other gambling schemes, and by a petty form of gambling, illegally collect from the boys and girls thousands of dollars for which no just return is made. I therefore, suggest and request that the several mayors and superintendents of public safety direct their chief of police and police officers to cause all forms of gambling to be suppressed, including all schemes of raffles, lotteries, and all slot machines containing an element of chance, and if offenders continue the illegal operations of these gambling enterprises, that they be immediately arrested under the city ordinance, and that the county attorneys also cause them to be indicted by the grand jury of their respective counties in violation of law, and that the paraphernalia be condemned, as by law provided.

Yours truly,
George Cosson,
Attorney General of Iowa.
