

NEUTRALITY, OUR ONE AND ONLY AIM

In the Great World War We Are Strictly Neutral

We are also strictly neutral in the awarding of the Overland Automobile and Two De Luxe trips to the California Expositions and other prizes. They will be awarded to contestants who win them, the ones who do the most and best work. Every contestant is on an equal footing. We have no favorites. All have a good chance, but who will win? We are held to a "strict accountability" for every dollar and vote turned into this office on subscriptions. Every contestant will receive the same treatment and a "square deal."

First Grand Prize—1915 Model, 5-Passenger Overland Touring Car, electric lighted, self starter, fully equipped.
Sold by J. M. Jones & Sons, Manchester, Iowa.
