Don't pay your dealer the third profit but buy direct from the factory. Sold 32 wagons between Epworth and Manchester last week. Will trade you for live stock, horses and all kinds of cattle.

I have nice five and seven passenger used autos in good condition. Will give you a trade on it you want for horses, cows, hogs or grain or even cash looks good to me.

Just think of it, wagons, buggies, and sleighs sold on two falls time. Tell your neighbors.

You can buy Cooper wagon sand buggies and you can also see the live stock that I have for sale at either Manchester, Dyersville, Farley or Epworth.

Drop me a line at any of the above places, in case I fail to see you and I will call at once.

You will never get another bargain like this, so strike while the iron is hot and get one of those famous old reliable COOPER wagons and buggies that has helped to build up the western country.

What a common occurrence it is to hear, "I have had a Cooper wagon for over 35 to forty years and never had a tire reset."

Bring in your horses, cattle and other live stock and I will give any kind of trade you want.
