MOVING TIME IN MANCHESTER.

During the last week or ten days a large number of changes in residence have been made, a goodly number of new residence having been completed and owners and tenants taking possession.

Mr. and Mrs. E. M. Hughes have moved into the handsome new residence on east Main street, which J. L. Kelsey has just completed. John Fardy, who has been living in the Hutchinson building on North Franklin street, has moved into the H. Schmidt residence on Liberty street. Charles Barnette and his family have moved from the O. C. Clarke residence on Liberty street to the dwelling just vacated by Mr. and Mrs. Fardy, and Mr. and Mrs. John Fischer have moved into the building vacated by Mr. Barnette. Mr. and Mrs. H. C. Seeds, who formerly resided on North Franklin street, are about to take possession of the new residence which H. Schmidt has completed on Liberty street. Mrs. Bert Acers and two daughters, who have been living in the Hubert Carr cottage on Gay street, have moved into the Hutchinson cottage on Franklin street, and H. E. Bryan and daughter, Miss Eunice Bryan, have moved into the Carr cottage.

With the completion of a number of residences now under process of construction, other changes are soon to be made.

FARMER IS HEAVY LOSER.

C. L. Cochran, who is operating the John Evans farm in Coffins Grove township, suffered a heavy loss by fire Sunday night, when lightning struck the large barn on the farm. In the barn had been stored about twenty-five tons of hay, 1,800 bushels of oats, in the building also were house horses and cattle. Four fine work horses and one colt, and two cows perished in the destruction of the building.

Mr. Evans, the owner of the premises, carried insurance on the building to the amount of \$800. The barn was one of the largest in that section of the township, and its total destruction entails a heavy loss to the owner, notwithstanding the insurance carried.

Mr. Cochran and his family are heavy losers in this misfortune. Practically all of the season's crop of hay, and all of the small grain had been stored in the building, and were totally destroyed by the flame. The severest loss, however, is caused by the destruction of four choice farm horses and a colt. Mr. Cochran had no insurance on the contents of the building or his stock, and the loss is felt most keenly.

SEED CORN PROBLEM.

The United States Department of Agriculture is urging farmers in the Corn Belt to test out corn in the crib for seed for 1916. Farmers who have corn in the crib are urged to select the best ears and test the corn, and if satisfactory, save it for seed next year. Owing to the generally backward state of this year's corn crop in many of the northern but important growing sections of the Belt, there is danger of injury to the crop by killing frost, the occurrence of which may be expected at any time. It is therefore, important that every effort possible be made to secure good seed for next year's crop. Where any of last year's corn is left it should be gone over and the best ears saved for seed. Moreover, as corn matures unevenly, it is possible to secure seed from the early ears before the rest of the crop is matured.

Irving Whitman was a guest of his uncle, John Whitman, for a short time last week. Mr. Whitman was on his way from Ohio, where he had been on business. The young man is a son of R. Whitman, who formerly resided near this city. The family now resides at Hathaway, Montana.

CARD OF THANKS.

To all who so kindly assisted us during the illness and following the death of our beloved mother, Mrs. E'ward Sherlock, we desire to express our sincere thanks.

MARION INVITES DR. MAHOOD.

Following the closing of the Union revival meeting now being conducted by Dr. Mahood and Mr. and Mrs. George, a series of meetings are to be conducted in the city of Marion, and are to be in charge of the same evangelistic party. The laymen of the various protestant churches of that city are perfecting plans for the meetings and a tabernacle is being erected for the services. Dr. Mahood and his two daughters, Mr. and Mrs. George are earnest Christian people, and enter into their work with a determination to be of help to a community which calls them. Speaking of the preliminary plans of the meeting the Marion Register of last week has the following to say: "Beginning Oct. 8, the Marion churches will enter into union evangelistic meetings, with Evangelist Mahood and his song leader, Mr. George, in charge. The executive committee has been busy and met again Sunday afternoon to further complete plans, and from the way the ministers are 'going at it,' this meeting will be the biggest of its kind in the history of Marion. "A tabernacle, 80x100 feet will be erected on Mrs. M. L. Elliott's lots, facing on 8th avenue, between 15th and 16th streets, this being considered the most central location available. Work on the building probably will be commenced this week or next under the direction of experienced men, but the ministers and laymen expect to help to keep the cost of the building as low as possible. "Mr. George, the song leader, was in the city Saturday to confer with the ministers and stated that he expects to have a chorus of 200 voices."

United Brethren Church.

Next Sunday will be the last of the conference year and the pastor will be glad to greet as many of the friends of the church at the morning worship as possible. A report of the year's work will be given and the sermon theme will be "What Hath God Wrought?" Sunday school will follow immediately at the close of the morning service, at which time there will be election of officers for the coming year.

Golden Church.

The regular morning services will be held at 11 o'clock, Sunday school at 12. The public is cordially invited.

W. C. T. U. CONVENTION.

The W. C. T. U. county convention is in session in Earlville today. Members of the local Union are in attendance at the sessions.
