

PIONEER FARMERS IN ETERNAL SLEEP

**ROBERT W. PORTEOUS DIES AT
HIS HOME ON EAST UNION
STREET MONDAY NIGHT.**

LUTHER TRIPP ANSWERS SUMMONS

Death Occurs at Home of Daughter,
Mrs. Charles Keiser, Monday
Evening.

Robert W. Porteous died at his home in this city on Monday evening, January 10th, 1916, at the advanced age of 91 years, 6 months and 8 days. Mr. Porteous had been in feeble health for a number of years, but not until about six weeks ago was he confined to his home because of ill health.

Funeral services are being held at the family home on East Union street this (Wednesday) afternoon, at 2:30 o'clock. Rev. W. J. Suckow, pastor of the Congregational church, has charge of the services. Interment will be made in Oakland cemetery.

Mr. Porteous was born in Dumfriesshire, Scotland, July 2, 1824. He was united in marriage in Canada on October 26th, 1858, with Miss Elizabeth Dunsmuir, a native of Canada. For about ten years Mr. and Mrs. Porteous resided in Canada, and came to Iowa in March, 1868, locating on a farm in Prairie township, near the Sand Creek church. For many years Mr. Porteous also resided on the farm, now occupied by his son, Fred C. Porteous, south of Manchester. He retired from active farm life in the fall of 1910, when he and his wife came to Manchester and have since made their home here.

To Mr. and Mrs. Porteous were born eight children, all of whom survive their father. The children are: Albert Edward Porteous, of Long Beach, California; John Franklin Porteous, Mrs. Elizabeth Harris, Mrs. Anna Keiser, Fred C. Porteous, Mrs. Frances Clark, Miss Gertrude Porteous, and Mrs. Lue Howard, all of Manchester.

For more than fifty-seven years Mr. and Mrs. Porteous lived happily together, rearing a large family of children. During all of those years the family circle had not been broken by death. The death of Mr. Porteous brings a great sorrow to the devoted wife, who will sadly miss his companionship.

The deceased was a very successful farmer, and by hard work and careful management it was his good fortune to gather together a goodly amount of property. In his dealings with his neighbors and friends he was strictly honorable. His work was as good as his note.

In his passing Delaware County loses one of its oldest citizens, and a man who was honored and respected by everyone. The sorrow that has come to the wife and children is keenly felt by a host of friends.

LUTHER TRIPP.

Luther Tripp, one of the widely known farmers of Coffins Grove township, passed away at the home of his daughter, Mrs. Charles Keiser, on Monday evening, death being caused from a gradual break down, incident to old age. Mr. Tripp had been failing gradually, and about a week ago he and his wife came to Manchester and has been spending the week with their daughter and family.

Mr. Tripp was born near Ontario, Canada, October 23rd, 1838. At the age of fourteen years he came to the United States, coming at once to Delaware county, and located on a farm in Coffins Grove. On April 28th, 1869, Mr. Tripp was united in marriage with Miss Lucinda Parson, of near Strawberry Point. All of their married life was spent on the farm in Coffins Grove township. Four children were born to Mr. and Mrs. Tripp. They are: Alfred Tripp, of Coffins Grove; Mrs. Frank Fishel, of Kallapel, Montana; Mrs. Charles Keiser, of Manchester, and Mrs. George Martin, of Thorpe. Mr. Tripp is survived by his aged wife, his four children, and two brothers, William Tripp, of Aurora, Iowa; and two sisters, Mrs. Charles Hopkins, of Woonsocket, North Dakota, and Mrs. Robert Lillibridge, of Mason City, Iowa.

Funeral services will be held from the home of Mr. and Mrs. Charles Keiser on West Butler street, on Thursday afternoon, at 2:30 o'clock. Rev. C. K. Hudson, pastor of the Methodist Episcopal church of this city, will conduct the services. Interment will be made in Oakland cemetery.

Mr. Tripp's death marks the close of a useful life. He was a man who was highly respected by his neighbors and old friends. In all of his dealings he was considerate of others, and when those in need or distress appealed to him for help, he proved himself a real friend and true neighbor.

In his death the wife suffers the loss of a faithful husband, the children a kind and loving father, and the community which was his home for so many years, loses an upright citizen.

Mrs. Otto Fisk spent Monday with friends in Dubuque.

POLITICAL BEES BUZZING.

Rumor has it that the announcement of the candidacy of E. H. Hoyt, of this city, for the republican nomination for State Treasurer will be announced this week.

Mr. Hoyt served as Senator from this District in the State Legislature a few years ago and formed a wide acquaintance among republican politicians over the state. It will be no surprise to his friends to know that republican leaders in casting about to find the best available man for the place have settled upon him.

DEMOCRATS BANQUET AT WATERLOO.

The annual banquet given by the Jacksonian Club of Blackhawk County, at Waterloo, last Monday evening was one of the most successful ever given by that organization.

The general invitation extended to all democrats brought delegations from every part of the State. The Club has established a State wide reputation by these annual dinners where democrats take pleasure in meeting and renewing acquaintances and listening to the excellent speaking program which is always provided.

Under the inspiration of National Committeeman W. W. Marsh, who presided at the banquet as toastmaster, the speaking program was especially noteworthy this year.

Among those who responded to toasts were: E. T. Meredith, Reserve Bank director, F. A. O'Conner, United States district attorney, John T. Hamilton, last Democratic candidate for governor, Maurice Connolly, former congressman from this district, Alex. Miller, publisher of Washington Democrat, J. M. Parsons of Des Moines, and Arthur White of Vinton.

"THE PREACHER'S PRAYER."

On another page of this issue of The Democrat we publish a poem, entitled, "The Preacher's Prayer," by Rev. W. J. Suckow, pastor of the First Congregational church of this city, which the Homiletic Review published on its title page in the December, 1916, number. The literary ability of Rev. Mr. Suckow is well known in Manchester, and the prominent position given his production by the greatest strictly religious magazines in the world, is a flattering compliment to his ability. In addition to publishing the poem on the first page of the periodical, the publishers of the Homiletic Review reproduced the poem in attractive form and sent it to all of its subscribers as Christmas greetings with the compliments of the publishers.

The poem is copyrighted, and it is through the courtesy of the publishers of the Homiletic Review that we are privileged to reproduce the same.

ANNUAL BANK MEETING.

The annual meeting of the stockholders of the Farmers' and Merchants State Savings bank was held on Tuesday afternoon, when the directors who had served the bank during the past season, were re-elected. A report from the officers of the bank was submitted to the stockholders, which revealed the gratifying fact that the business of the bank during the year has shown a substantial gain, and that the prospects for a successful year were very favorable. Following the meeting of the stockholders the board of directors organized and re-elected the officers of the institution.

FUL ILLNESS.**

FUNERAL SERVICES HELD SUNDAY

Leaves Husband and Four Children.
Held a Membership in Eastern
Star.

Mrs. Curtis J. Hockaday, who made such a heroic fight for life, passed away at her home on New street last Friday forenoon, January 7th, 1916, after a painful illness of many weeks. Funeral services were held at the home Sunday afternoon at 2:00 o'clock, and were conducted by Rev. W. J. Suckow, pastor of the Congregational church. Interment was made in Oakland cemetery.

Belle E. Ede was born near Beloit, Wisconsin, February 9, 1874. When about two years of age she came with her parents, Mr. and Mrs. Samuel Ede, to Plum Creek Mill, about two miles north of Earlville. In 1883, she moved with her parents to Earlville, where she attended the public schools and was graduated from the schools in June, 1894. While residing in Earlville she united with the Congregational church, and the Eastern Star lodge.

On December 28th, 1898, she was united in marriage with Curtis J. Hockaday and moved to a farm one and one-half miles north of Manchester, where she resided until December 20th, 1911, when she and her family moved to Manchester, which has been her home until her death.

She leaves to mourn her untimely death, her husband, and four children—Floy, Lloyd, Edna and Mabel. She also leaves to mourn her death a brother, Ernest D. Ede, of Huron, South Dakota.

The death of Mrs. Hockaday brings a peculiar sadness to her family and friends. She was needed in the home to minister to the needs of the children. Her chief interests in life centered about her home and family.

To Mr. Hockaday and the children the sympathy of this community is extended in this hour of great sorrow.

A lovely but so short and so full a life had hence by early doom; Just sent to show how sweet a flower In Paradise would bloom.

MRS. JOHN ALDRICH.

Mrs. John Aldrich, of the Bay settlement, died at her home Tuesday morning. Funeral services will be held at the Bay church on Thursday forenoon at 11 o'clock, and interment made in the cemetery near the church.

Mrs. Aldrich was widely known in the southern part of Delaware county, and her death is the source of sorrow among a large circle of friends.

INTERSTATE FARES 2.4 CENTS.

On Saturday, January 15th, you will pay four tenths of a cent per mile more than at present, if you are going to leave the state and travel by rail. This increase in fares was granted by the Interstate Commerce commission at a recent session. While the increase is only a fraction of a cent per mile, it will mean hundreds of thousands of dollars of additional revenue to the companies doing an interstate business, as will be seen from the following:

| To | Present fare | New fare |
|-------------|--------------|----------|
| Chicago | \$.48 | \$.52 |
| Rockford | \$.34 | \$.37 |
| Freeport | \$.28 | \$.30 |
| Galena | \$.16 | \$.18 |
| Omaha | \$.51 | \$.54 |
| Kansas City | \$.71 | \$.74 |
| St. Louis | \$.87 | \$.91 |
| Minneapolis | \$.48 | \$.51 |
| Albert Lea | \$.31 | \$.33 |

GENERALLY CONCEDED.

Republican candidates for Sheriff have not as yet come forward. J. J. Pentony will be a candidate for reelection and it may as well be conceded on the start that it will require a good man, a streak of luck and unusually favorable circumstances to beat him out. Mr. Pentony has been a thoroughly good sheriff and there is not a criticism on his conduct of the office. — Hopkinton Leader.

EX-GOVERNOR SPEAKS.

Ex-governor Hanley of Indiana, addressed a union meeting in the Baptist church on Tuesday evening. Owing to the stormy night the attendance was not as large as was hoped it might be. The former governor is an ardent advocate of temperance on the larger scale, is in the thick of the fight against the saloon and its allied evils.

ANNUAL BANK MEETING

The annual meeting of the stockholders of the First National Bank, of this city, was held Tuesday afternoon, January 12. The officers' report for the year was submitted and showed a substantial increase in deposits during the year. The institution has enjoyed a steady growth, and its affairs were shown to be on a sound and conservative basis.

The stockholders received the usual substantial dividend and elected the same directors for the coming year. The directors of the bank are:

A. R. LeRoy.
E. M. Carr.
A. H. Blake.
A. D. Long.
Hubert Carr.

SILVER TROPHY.

A new feature for the farmers of Delaware county who exhibit corn at the State Show at Ames, January 31st, to February 11th, is the silver trophy cup offered by the Farmers and Merchants State Savings Bank of Manchester, for the best 10 ears of corn. In other years the banks have provided \$10 to be used as cash premiums; this year the money has been applied on a silver cup that is to be passed from winner to winner each year. Each winner's name will be engraved on the trophy, which is in his possession for one year. Those who have succeeded in placing their names on the cup are barred from showing for it again.

State classes for corn and small grain are provided in addition to the one mentioned above. Here exhibitors that have never won a first in corn or small grain at any state show are entitled to compete for premiums and trophies. Those who have won firsts can show for ribbons and trophies only and are classed as professionals. Those desiring further information may secure a premium list by sending a postal to the Iowa Corn and Small Grain Growers' Association at Ames.

INVITE INSPECTION OF NEW QUARTERS

Farmers' Institute Visitors Invited
to Inspect New Garage and Sales
Rooms.

J. M. Jones & Sons, the popular dealers in Ford and Overland cars, are this week moving into their handsome new home, the Armory building on the corner of Main and Tama streets. This building is as near fire-proof as any structure can be made, the floors, walls, and ceilings all being of reinforced concrete and brick. The firm occupies the entire ground floor, covering approximately 7,500 square feet. This vast space is divided into separate rooms, specially designed for the handling of the firm's business. In the northeast corner is a large office and display room. This room is large enough to contain three cars for display purposes, and the main business office. Off from the main office are two supply rooms, where are kept a large stock of tires and accessories of every kind. A fire-proof oil room is conveniently situated in the building off from the main driveway. In the rear of the building is located the repair shop. This department is in charge of competent workmen, and is equipped with modern machinery.

Messrs. Jones extend a cordial invitation to their friends in Delaware County to make the new home their headquarters while attending the Farmers' institute next week. At that time they will have several of the 1916 Overland cars in their display rooms for inspection. On another page of this issue the firm makes its formal announcement of the opening of the new garage. Our readers should not overlook this announcement, and when in the city don't fail to visit the handsome home of the Ford and Overland dealers. The proprietors will be pleased to show you through the entire building.

M. A. Richardson, who was last week appointed county treasurer to fill out the unexpired term of Geo. A. Newman, who resigned that position, has announced himself as a candidate for the office of treasurer, subject to the decision of the republican voters at the primary election, held in June, 1916. Mr. Richardson has been a faithful official in the discharge of the duties of the office, and is widely known in the county. He is a good accountant, and his natural ability and careful training, will at once appeal to the voters of his party.

RAE DUNHAM OUT FOR CLERKSHIP.

Rae Dunham, who has been the efficient deputy in the office of the clerk of the District Court for several years, has announced himself as a candidate for the office, subject to the wishes of the republican voters at the June primaries, 1916. Mr. Dunham is a capable official, and none could be more obliging in the discharge of his official duties. He is deserving of the solid vote of his party, and will no doubt be nominated without opposition on the republican ticket.

SCHOOL NOTES.

Roscoe L. Bowman.

The M. H. S. basketball team defeated the Monticello team 31 to 17, last Friday evening in the high school gymnasium. The largest crowd which has attended a game this year was there and there was a great deal of "pep" and enthusiasm in favor of the local team.

A double-header was played last Friday evening in the high school gym between the Monticello team and the local boys, and between the Greeley girls' team and the girls' team of the M. H. S. The game was a walkaway for the home team, the final score being 57 to 1.

The next basketball game to be played by the boys' team will be with the Anamosa team at that place on Friday night, Jan. 14. They are said to have a pretty fast team, but we expect to show them that the team from Manchester is a little better than they are.

The third number of the lecture course was presented on the evening of the fifth by the Smith-Spring-Holmes orchestra.

School was opened after the holiday vacation with many improvements in the building. All the floors had been varnished, new blackboards had been installed and other things had been changed and improved.

Rev. Billingsby gave a short address to the students of the high school on Friday afternoon, last week, in which he told of the advantages of a college education and especially of a smaller college. He believed that all students should have a college course. His interesting address was certainly well received.

FARMERS' INSTITUTE IN SESSION NEXT WEEK

**STRONG PROGRAM ARRANGED
BY OFFICERS. NOTABLE
SPEAKERS TO APPEAR.**

GATHERINGS HELD JAN. 20, 21 AND 22

All Sessions to Be Held in New
Armory on Main Street. Farmers
Urged to Attend.

The program for the 1916 Farmers' Institute has been completed, and judging from the numbers on the program President F. P. Walker, and Secretary Geo. H. Barr, have not spared any efforts to supply an array of talent that will bring practical and helpful suggestions to the farmers of the county. The program is well balanced. On it appear the names of men and women who are known far beyond the bounds of this state. It has been fully demonstrated in the past that the farmers of Delaware county appreciate good things. During the last two years when the sessions were held in the Central opera house, as high as 1,200 people attended some of the sessions. If the programs at former institutes could attract such crowds, certainly this year's program will do the same. The new Armory, while far from completed as yet, is being fitted up for the convenience of the people who will attend the sessions. The large auditorium is steam heated, and chairs will be provided for everyone.
