Weekly Shavings  
Vol. 145

JAN. 11, 1917

Edited by  
Splinters

Don't argue why a black hen lays a white egg.

## GET THE EGG

Long ago the Eclipse came to know that a successful institution grows only by offering service that merits consideration. This is your best guarantee that it will pay you well to seek our service for your building problems.

Cedar wood is more durable in the weather than iron or steel.

Drop in when you have a few spare moments, possibly we might exchange ideas to our mutual advantage.

If pigs could talk they would ask for

## SUNSHINE HOG-HOUSE WINDOWS.

They would praise their owners like owners praise the windows. Hog raisers everywhere are unanimous in their opinion that the use of Sunshine Hog House Windows is an important step toward eradicating disease and increasing hog profits. Sunshine helps to fatten your hogs, sunshine windows fatten your pocket book.

Sunshine Windows are not an expense but an investment that pays big returns.

Come in and let us show you the Sunshine Hog-House Windows.

PHONE 117.

E. M. DANIELS, Manager.

## Lafferty's Grocery.

### GOLDEN MEADOW DAIRY

Believing that the people of Manchester are entitled to milk from **HEALTHY COWS** the proprietors have had their entire herd of cows tested for tuberculosis by Dr. Morgan, and the farm cleared of anything that shows the least suspicion of disease. Below is a statement of Dr. Morgan.

I have tuberculin tested the Golden Meadow Dairy Herd; state that the milking herd now on the farm is free from disease.

C. M. MORGAN, Veterinarian
