Mr. and Mrs. Joseph Osterhaus of near Petersburg, mourn the death of their daughter, Mrs. Theresa Naber of Dyersville, who passed away Tuesday morning after a short illness from which she seemed to be recovering, when a second attack of appendicitis proved fatal. She was born on the family homestead near Petersburg on February 23, 1889, being 28 years, one month and 18 days old. She was educated in the rural and parochial schools and grew to womanhood in that vicinity. On February 8, 1909, she was united in marriage to Mr. Clem Naber in SS Peter and Paul's church at Petersburg, the late Rev. Father Sassen being the nuptial knot. After their marriage they went to housekeeping on a farm in that neighborhood, and a short time ago moved to a farm south of Dyersville, which has since been their home. Beside her grief-stricken husband she is survived by three daughters and one son; her parents, Mr. and Mrs. Jos. Osterhaus, six sisters and five brothers, all living in the vicinity of Petersburg with the exception of one sister who lives at Bloomington, Wis. ## You Can Make Excellent Cake with Fewer Eggs

Just use an additional quantity of Royal Baking Powder, about a teaspoon, in place of each egg omitted. This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

1/2 cup milk	1/2 cup milk
2 cups flour	2 cups flour
2 teaspoons Royal Baking Powder	4 teaspoons Royal Baking Powder
3 eggs	1 egg
1/2 cup shortening	2 1/2 teaspoons shortening
1 teaspoon flavoring	1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTIONS--Cream the sugar and shortening together, then mix in the egg. After sifting the flour and Royal Baking Powder together two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white icing.
