

# All-wool Clothes

You want to know frankly whether you are getting all wool or not. Every now and then we're asked, "Is it all wool?" or "There isn't much wool in clothes these days, is there?"

Let us put you right about this. It's a fact, there are a lot of adulterated fabrics on the market these days, and the joke of it is these suits are being sold for just a trifle less than you can buy all-wool for; and you know as well as we do that all-wool gives the best service. Is it any wonder then that we confidently urge you to come to us for

**Hart Schaffner & Marx**

We'll show you a large variety of Suits and Overcoats that we have just received at prices much lower than today's market price.

**ROOSEVELT MEMORIAL FUND BEING RAISED.**

Funds are being raised all over Iowa in behalf of the Roosevelt Memorial movement, and every bank in the state has been asked to receive voluntary subscription.

County organizations have been formed in most counties, and in all will be organized this week.

The campaign will extend indefinitely. Iowa's share in the national movement is \$200,000 and a number of counties have already raised their share of the quota.

The movement is entirely non-partisan. Funds obtained are to be used for the construction of a Roosevelt Memorial building at Washington and the purchase of the Roosevelt home at Sagamore Hill, Oyster Bay, and its permanent maintenance as a national shrine.

The women of the state will also participate in the work, an organization under the leadership of Miss Alice French of Davenport, being under way which will obtain \$15,000 of the state's apportionment. Miss French will name district and county representatives all over the state, many leading women having volunteered their participation.
