**EARLVILLE.**

An auspicious event took place on Thursday afternoon at the home of Mrs. C. G. Drake, when the venerable lady and her friend Mrs. J. L. Pierce jointly celebrated their birthday. Invitations bearing the likeness of the two women had been issued, and 24 guests responded and were entertained in a most enjoyable manner. Mrs. Drake, the hostess, who attained the age of 89 years is a remarkable woman for one of her age, since time has dealt lightly upon her, and she remains as active as a young girl, attending to her household, church and social duties with the utmost zeal and fidelity. The manner in which she entertained her guests attested to the sincerity in her heart for her friends. Mrs. Pierce has reached the age of 78 years, and although not so active still remains young in heart, and perhaps none of the guests present enjoyed the event more heartily than she. During the afternoon, Mrs. Mary Wright, in a very nice speech in behalf of the guests, presented both the guests of honor with beautiful bouquets of carnations and ferns. At the close of the enjoyable afternoon a delicious luncheon was partaken of, and among the dainties served was a beautiful birthday cake sent to Mrs. Drake as a gift from her adopted daughter at San Jose, Cal. Mrs. Drake and Mrs. Pierce are two of Earlville's most venerated women and have a host of friends who hope that they may live to celebrate many more happy birthdays.

A steel windmill was recently erected on the Treadwell farm near Strawberry Point, which is rented to Roy Troupe.

Mrs. Grace Frederick, wife of John Frederick, was born in Germany, and spent her early life there. After her father's death she came with her mother and brother to America and later to Iowa settling on a farm near Strawberry Point, on March 19th, 1916, she was united in marriage to John Frederick. To this union three children were born—Carl, Harold and Elsie.

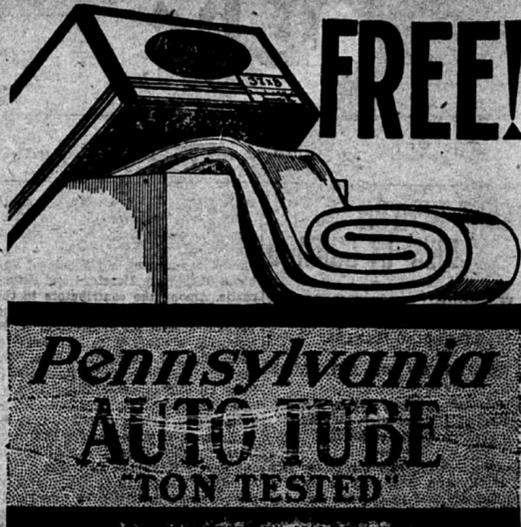

The latter is a mere babe of eighteen months of age. Mrs. Frederick was a victim of influenza, being sick about one week. At first it was believed that she had passed the critical point, but on February 24th, 1920, she departed this life. Besides her husband and three children she leaves a mother, Mrs. Etta Rose, one half-brother, and

one half-sister. To mourn her untimely passing. Funeral services were conducted by her pastor, the Rev. Fritschel, of the Lutheran church, and interment was made in the cemetery at Strawberry Point. Sincere sympathy is extended to Mr. Frederick and the other relatives.

**Why Colds are Dangerous**

It is the serious diseases that colds lead to that make them dangerous. They prepare the system for the reception and development of the germs of influenza, pneumonia, tuberculosis, diphtheria, scarlet fever, whooping cough and measles. You are much more likely to contract these diseases when you have a cold. For that reason you should get rid of every cold as quickly as possible. Chamberlain's Cough Remedy will help you. It is widely known as a cure for bad colds. —For Sale by A. C. Philipp.
