FOR SALE.
Ancient idea of Comets. Ancient peoples, puzzled by these awe-inspiring phenomena, proclaimed that "comets are composed of the sins of mortals, which, ascending to the sky, and so coming to the notice of God, are set on fire by his wrath." This interpretation of comets, though convenient for making people more religious, was not otherwise valuable. By 1650 A. D. a good deal was known about the laws governing them.
