A DRY, WELL BUILT POULTRY HOUSE.

If you are to get the largest number of eggs from your hens you must house them in a dry and warm building. Build the poultry house so that it will contain an abundance of fresh air and still be free of draught.

A LIGHT SANITARY HOG HOUSE

with a concrete feeding floor. Pork profits are not figured altogether by the number of hogs you raise. You must house hogs in a clean (or easily kept clean) light and airy house to insure their rapid growth and the best quality of pork which is equally as important as proper feeding. The concrete feeding floor will help conserve feed—it turns feed that is ordinarily wasted into good pork.

FEED YOUR HOGS SUNSHINE

through Eclipse CHIER Sunshine windows. Sunshine is cheaper than corn and just as necessary.

If you have \$1000 worth of farm machinery, you can average a yearly saving of \$100 in depreciation. This means that a good machinery shed will pay for itself in two or three years.

A good shed is a simple thing to build and a fine thing to have. It is a constant economy on any farm.

An Active Partner

An International Kerosene Engine will be an active partner in all your farm work. Watch how it handles your little jobs month after month with low-priced power, making your burdens lighter and giving you time for thought in "putting over" plans for making your farm yield bigger crops.

You cannot beat an International kerosene engine for economy or efficiency. It works on the cheapest engine fuel you can buy—kerosene, and uses just enough of that to handle the job in hand.

The International engine is built to meet your needs. Material and workmanship are of highest quality—the International standard. It is very simple in design and easy to operate. It is a kerosene engine, pure and simple, made to stand the hardest usage.

Then comes the very important matter of service and repairs. A nearby branch house equipped for any emergency call is always ready to help you help you. For 88 years International service has been a household word for steady, ready, courteous, complete help in time of need.

A close inspection of this engine is going to convince you that it's a good farm partner to have. Come in and see it.

return will reside in Earlville. The bride is the amiable daughter of Mr. Thomas Ham. The groom is a well known contractor and commission merchant. Both bride and groom have a host of friends who unite in wishing them happiness.

Mrs. Grace Wood spent a few days in Cedar Rapids last week. While there she underwent an operation on her eye, for the removal of obstruction of the tear duct.

The Earlville Woman's club was delightfully entertained at the home of Mrs. Frances Schaller, Thursday afternoon.

Born, on October 5th, to Mr. and Mrs. Albert March, a son.

A pretty wedding took place in St. Peter and Paul's Church, in Petersburg, Wednesday morning, when Miss Agnes Budden became the bride of Mr. John Miller of Worthington. The ceremony took place at 8 o'clock and was performed by Rev. Father Loosbrock who also read the nuptial mass. The couple were attended by Miss Lizzie Miller, a sister of the groom and Mr. Emil Lentner served as groomsmen. Following the ceremony a wedding feast was served and a reception held at the home of the brides parents, Mr. and Mrs. J. H. Budden. The young couple were the recipients of many beautiful wedding gifts. Mr. and Mrs. Miller will make their home in Worthington. The bride is the esteemed daughter of Mr. and Mrs. J. H. Budden and has resided in this neighborhood all her life. An interesting coincidence connected with the wedding day is that it occurred on the 50th anniversary of the brides parents, Mr. and Mrs. J. H. Budden.

The sad intelligence was received here Friday announcing the death of Rev. John Williams, of Chicago, following a stroke of apoplexy. The deceased was a former Earlville boy and a son of the late Mr. and Mrs. Edson Williams. Besides his wife who was formerly Miss Fober of Masonville, Rev. Williams is survived by the following brothers and sisters, Mrs. Maud Davey and Mrs. Carrie Bailey of Earlville; Mrs. Ruby Belden of Chicago; Mrs. Augusta Love of Lincoln, Nebraska; Edmond Williams of Masonville; Leslie of Ames, Louis of Muscatine and Bert of Cedar Rapids.

Rev. John Williams has been a successful minister in the M. E. Church at Evanston, Illinois, for several years and his death is deeply deplored by his many friends.

The announcement of the marriage of James Hunt and Miss Muriel Fletcher of Manchester, gives pleasure to the grooms many friends. Mr. and Mrs. Hunt will soon be at home in the Bisgrove cottage formerly occupied
