MRS. SCHWIETERT DIES FROM APOPLEXY

FUNERAL SERVICES HELD FROM HOME OF MRS. MERRY FRIDAY AFTERNOON.

SOLDIER'S BODY LAID AT REST

Remains of Michael Bagley Arrive in Manchester and Burial Held Monday Morning.

Mrs. Henry J. Schwiertert, mention of whose sudden death was made in these columns last week, passed away at her home in Chicago, Tuesday afternoon, November 2nd, 1920, death being caused from apoplexy. Mrs. Schwiertert had been in the best of health until within two hours of her death. Shortly after the noon hour she telephoned her husband at his office that she was not feeling well, and asked him to come home. Upon his arrival at the house he found his wife desperately ill, and in a few moments she was stricken with apoplexy, passing away within a few moments.

The remains were brought to Manchester, arriving here Friday morning, accompanied by Mr. Schwiertert, his brother, B. B. Schwiertert, and sister, Mrs. Henry Myers, of Colonsburg; Mr. Thomas E. Henderson, Mrs. Margaret Lester, Mrs. Robert Goodell, and Dr. George MacAdams, of Chicago. The funeral party came in an official pallbearer, placed at Mrs. Schwiertert's disposal by the officials of the Illinois Central Railway company. The remains were taken to the home of Mr. J. F. Merry, where funeral services were held at 2:30 o'clock. Dr. MacAdams, pastor of the McCabe Memorial Methodist Episcopal church of Hyde Park, Chicago, preached the funeral sermon. He was assisted in the services at the home by Rev. H. L. Goughnour, pastor of the First Congregational church of this city. Mrs. Margaret Lester, a close personal friend of Mrs. Schwiertert's, sang two numbers in an impressive manner. Interment was made in the family lot in Oakland cemetery.

Relatives and friends who were here from a distance for the funeral besides those who accompanied the remains from Chicago, were Ben Schwiertert of Colonsburg; W. R. Schwiertert of Reedsfield, South Dakota; Arthur Schwiertert of Huron, South Dakota; E. A. Schwiertert of Burr, Iowa; Mr. and Mrs. Fred Holtman, of Colonsburg; Mr. and Mrs. L. D. Platt of Oelwein; Mr. and Mrs. Ed. Platt of Fayette; Mr. Harlan Platt of Oelwein; Mrs. H. A. Stewart of Mitchell, Nebraska; Mr. and Mrs. Wayne Coykendall, of Strawberry Point; Mrs. Fred Mellen of Edgewood.

Katheryn Goodell was born in Manchester, November 21st, 1875, and was the daughter of Mr. and Mrs. Wm. Goodell, pioneer citizens of Manchester. She spent practically all her life in Manchester, and had taken an active part in church and social work until her removal to Chicago ten years ago. She was united in marriage with Henry J. Schwiertert on July 8th, 1903, and during these seventeen years she had been a most devoted companion to her husband. About ten years ago Mr. and Mrs. Schwiertert moved to Chicago, and she at once became prominently identified with the social activities in her part of the city, and was one of the most faithful and efficient workers in the McCabe Memorial church, of which she and her husband were members.

The news of Mrs. Schwiertert's passing came with crushing force to the many friends in Manchester. Mrs. Schwiertert's untimely passing brings great sorrow to the husband, and those attached to her by tender family ties. In this hour of affliction Mr. Schwiertert is assured of the profound sympathy of a host of friends.

REMAINS OF M. F. BAGLEY ARE LAID AT REST.

The remains of Michael F. Bagley who died of pneumonia in a hospital in France on October 8th, 1918, arrived in Manchester last Friday, and were laid to rest in the Catholic cemetery Monday forenoon. Funeral services were held in St. Mary's church at 10:00 o'clock A. M. Monday, Rev. Father T. Rooney, having charge of the services. Members of the American Legion acted as pall bearers.

Michael Bagley was the son of Mr. and Mrs. Edward Bagley, and was born at Morrison, Illinois, August 17, 1886. He was married to Miss Alice Carr in Manchester on November 7th, 1917, and while they were living at Dufuth, Minnesota, he enlisted in the service. He was a member of the 343rd Infantry, 8th Division, and soon after reaching France he was stricken with pneumonia, which culminated in his death on October 8th, 1918.

On September 6th, 1918, a daughter was born to them, the little one living but a short time after birth. Soon after suffering the loss of the baby, came the sad news of the tragic death of the husband. Mr. Bagley is survived by his parents, Mr. and Mrs. Edward Bagley of Morrison, Illinois; two brothers, John Bagley of Chicago; and Edward Bagley of Davenport, Ia.; two sisters, Mrs. B. R. Nichols, of Henry, Illinois; and Mrs. C. M. Schaffer of Rock Island, Illinois. The parents, brothers and sister, Mrs. Nichols were in attendance at the funeral Monday. Among the relatives here for the funeral were also Mr. C. M. Schaffer of Rock Island, Illinois; and Mr.

NOTES FROM RED CROSS NURSE.

Bulletins published and sent by our Iowa University extension department are accessible to all at the office. There are two new ones, "Infant Feeding" and "Diet for the School Child." If it is impossible for you to come for them send your children. They are worth while.

Forty rural schools were inspected the past month. 418 children were inspected. 75 have defective vision; 3 defective hearing; 112 have defective breathing; 238 have defective throats; 332 have defective teeth; 188 are 10 per cent. underweight; 14 have no apparent defects.

Miss Leah Terkes, a nurse from Iowa City was here two days. Visits were made by her to the children of Delaware County, who had received medical or surgical attention in our state hospital under the Perkins Act. When these children leave the hospital unscathed they are instructed when to return and upon returning all expenses are paid at the hospital, railroad fare and other expenses as in the beginning.

COL. D. C. GLASSER.

The Telegraph-Herald of Monday gives the following account of the death of Col. D. C. Glasser, well known to many in Manchester and Delaware county:

Col. D. C. Glasser, for forty years a wholesale cigar and tobacco dealer of this city with his offices on Fourth and Main streets, was summoned to death yesterday morning in Rochester, Minn., at 4:10 o'clock. His wife and two sons were at his bedside when he died. Mr. Glasser, who had been ailing for some time, went to Rochester, two weeks ago, and just nine days ago he underwent an operation.

He was born in Pennsylvania, but had resided in Dubuque for the past forty-four years. He is survived by his widow, and two sons, Darley, of Springfield, and Harry W. Glasser, of this city.

Mr. Glasser, who was one of Dubuque's prominent business men, was a member of the Masonic lodge, No. 125, A. F. and A. M., Dubuque chapter No. 3, R. A. M., Dubuque Council, No. 3, R. S. M., Sileam Commandery No. 3, Knights Templar, a charter member of the Omas Gratto and Elkhair Temple, A. O. N. M. S.

The body arrived in Dubuque Monday morning and was taken to the family home, 1554 Locust street, where funeral services were held Tuesday afternoon at 2:30 o'clock. Burial was in Linwood cemetery.

WASTED VOTES.

Some people have the idea that unless the candidate for whom they have voted for is elected, their votes have been wasted. That is a wholly mistaken notion of course; but it is surprisingly widespread and it has a tendency to bring the whole matter of voting into disrepute and contempt. The ballot that represents the honest, intelligent, enthusiastic opinion of the man or woman who casts it is never wasted. Even if it is one of a very small minority, it has contributed its share to the organized expression of the people's will; and in a democracy that is a matter of the greatest importance.

MANCHESTER BOY SOME BUTTER-MAKER.

Douglas May, son of Dr. and Mrs. J. A. May, has developed into a butter-maker who apparently does not have to take a back seat for the best of them. Douglas has been the butter-maker in the creamery at Dayton, Washington. A sample of Mr. May's butter was exhibited at the Washington State Fair, and came within one-fourth of a point of taking first prize. Mr. and Mrs. May and baby son are nicely located in the city of Dayton, where they own their own home.

TRACY-CHAMBERLAIN.

Married at the Methodist Parsonage on Saturday afternoon, November 6, 1920, Miss Jennie Tracy, of Manchester, and Mr. Roy E. Chamberlain, of Dundee. Rev. S. E. Beatty reading the impressive ceremony. Mr. and Mrs. Chamberlain are both well known in the community, and will make their home in Manchester.

—Mr. and Mrs. Joe Hermann, of near Thorpe, are the parents of a daughter, born Tuesday, November 2, 1920.

—Mr. and Mrs. Burt Mullen, who have been living in Independence for several months, are to take up their residence in Waterloo in December 1. Mr. Mullen has been promoted to a better position with the Bell Telephone Company, and will have his headquarters at Waterloo after December 1st.

and Mrs. M. F. Ryan, of Aurora, Illinois, besides a large number of relatives and friends living in nearby places.

The death of the baby and the tragic death of the husband all but broke the spirit of the young wife, and at times she became very despondent. While in one of these despondent periods she wandered from the home of her mother, and in the darkness of the night she missed her footing as she was walking along the bank of the river, with the result that she fell into the stream and drowned. Her body was found by members of the family on the morning of September 3rd, 1920.

BOND THIEVES SENT TO ANAMOSA

BERT BURROWS AND ROLLO AKE ARE CONVICTED OF ROBBERY FARMER'S HOME.

WIFE'S AFFECTIONS VALUED \$1250

Jury Gives Heavy Beth Verdict After Twenty-two and Half Hours Deliberation.

Judge H. Boise sentenced Bert Burrows and Rollo Ake to a term of imprisonment in the reformatory at Anamosa last week, after the two state prison men had pleaded guilty to the charge of entering the home of John Swanson, on September 2nd, and stealing a large amount of Liberty Bonds, war savings stamps and other valuable papers. In pronouncing sentence upon the two young men Judge Boise gave them some wholesome advice, and also emphasized the seriousness of the crime committed by them. The sentence which was meted out is not for less than a year nor more than two years.

Beth Gets \$1250 as Heart Balm.

Henry Beth, who sued John White for \$10,000 damages for alienating the affections of his wife, was awarded the sum of \$1250. The jury which heard the case took twenty-two and a half hours in which to arrive at this verdict. The case was a hard fought battle throughout, many witnesses being called by both the plaintiff and defendant. The hearing of the case occupied more than a week's time, and at nearly all of the sessions the court room was well filled with interested spectators.

McDonald Wins His Case.

James Johnson has a tractor on his hands at this time, which he supposed he had sold to Miss McDonald, since the jury returned a verdict to the effect that Mr. McDonald is not required to pay for the machine. It appears that Mr. McDonald claimed that the tractor did not do the work recommended it would do, while Mr. Johnson attempted to collect the price of the machine—\$650.00. The trial of the case was commenced last week and on Tuesday afternoon the jury returned a verdict for the defendant, Miss McDonald.

Judge Boise also made a few entries on the law, chancery and probate docket, before adjourning our court Tuesday afternoon.

Mr. Ranlie is an expert laundryman and knows the dry cleaning game from the ground up. He and his wife have made many friends here during their residence, who will be pleased to learn that they are to become permanently established here, now that they have purchased a business. The Democrat wishes Mr. Ranlie success in his business venture.

SENATOR CUMMINS GETS MOST VOTES.

Report That Constitutional Amend- ment Carried by 25,000 Votes.

Des Moines, Iowa, Nov. 8.—Special Iowa's total vote last Tuesday was almost up to the most optimistic expectations. According to the returns tabulated at the state republican headquarters the total vote in Iowa was 860,000 as compared to 519,000 in 1916. President Elect Harding received a plurality of 406,593 over Cox, his vote being 833,800 as compared to 227,201 for Cox.

Albert B. Cummins received a total vote of 527,413 and Porter 321,465 giving a plurality to Cummins of 205,948.

N. E. Kendall of Albia for governor received a total vote of 510,392 and Clyde Herring of Des Moines, 337,070 giving Kendall a plurality of 173,322. Herring carried six counties, Carroll, Crawford, Adams, Osceola, Johnson and Davis. He lost Polk by sixty-nine votes and Marion by twenty-four. He received 110,000 more votes in the state than Cox. Out of every twenty-five votes in the state there were five for Cox, nine for Porter and ten for Harding.

Amendment Vote Carried.

The official canvass of the election returns is on today in all of the counties of the state as provided by law. Unofficial returns from forty counties give the constitutional amendment vote as having carried by 25,908. The total yes votes on this proposition in these counties was 104,279 and the negative vote 36,553. It is thought the canvass by county supervisors today will confirm the early indications that this provision has carried.

It seems to be the opinion of those best acquainted with code revision and the constitutional convention matter that code revision will have to be postponed until after the constitution is revised. This is the belief of U. G. Whitney, state code editor and chairman of the code revision commission. The legislature must arrange for the constitutional convention before the legislature is the possible re-districting of the state.

This re-districting of the state would be on senatorial and representative districts based on the federal census of 1920.

K. C. WAR ACTIVITIES RECOUNT.

War time experiences of Knights of Columbus welfare workers in France, Belgium and other foreign countries will be recounted by Charles "Sandy" Chapman of Boston on Monday evening, November 15th, 1920.

The meeting is under the auspices of the local K. C. Council and will be held in the K. C. Hall, Manchester, Iowa. It is open to all. No admission fee will be charged, as Mr. Chapman is touring Iowa through the courtesy of the Supreme Officers of the Knights of Columbus. He will speak in each of the sixty-six cities and towns where the K. C. of C. have established councils.

As one of the first secretaries to go over seas for the Knights of Columbus, Mr. Chapman had many interesting and thrilling days, pipes, cigarettes, etc., to the doughboys. As "Sandy" is an old-time actor he puts unusual vim and pep into his story. He spoke at the recent K. C. banquet in Des Moines when 600 guests assembled at the Fort Des Moines Hotel to celebrate October 12th—Landing Day—and his talk was one of the enjoyable features of the program.

Each member of the local council is urged to bring a friend when "Sandy" appears here. He has been addressing large crowds and reports from places where he has already appeared indicate the talk is worth hearing.

Following the open meeting, Mr. Chapman will speak briefly to members of the local council exclusively.

The Thursday Afternoon Club will hold their regular meeting on November 18th, at the home of Mrs. O. H. Danham.

Mrs. Shannan Charlton of Woodward, Iowa, has been spending a week with her parents, Mr. and Mrs. Wm. Barr. She leaves the latter part of the week for Iowa City, where she will be met by her husband, and where both will attend the Home Coming game on Saturday of this week.

Capt. and Mrs. C. S. Lister of Minneapolis are expected in Manchester Thursday for a visit with friends and relatives. Capt. Lister has been engaged in public health work among discharged and disabled soldiers. His work has been so satisfactory to the department that he has been promoted to the rank of Major.

Officials of the Chicago, Milwaukee & St. Paul Railway Company at Dubuque, announced last week that for the present workmen in the round-house and car repair shops in that city would only work five days per week, and that a week's work would consist in 40 hours. Rather than lay off a large number of men entirely it was decided to cut down the working time of all. This morning Farley & Loetscher's, the biggest manufacturers of finishing material in the state also announced that the plant would be shut down on Saturdays, and the men would only work 40 hours a week. With hard coal selling at \$22.50 per ton, this cut in wages spells trouble for those who have been spending their summer's wages for non-essentials.

RED CROSS ROLL CALL STARTS TOMORROW

BANKS OF THE COUNTY TO RE- CEIVE MONEY PAID AS MEM- BERSHIP DUES.

EVERYONE SHOULD JOIN THE R. C.

The Organization Which Stands Back of the Soldiers and Sailors Where- ever Stationed.

It's time to come across with another dollar. Listen now and get this straight. There are 17,000 U. S. boys yet in Germany. The majority of them have been there since the U. S. got into the fray.

There are 26,000 boys in American Army Hospitals. Some of them have gone through from 5 to 10 major operations.

There are 5,000 wounded boys at Ft. Sheridan, Ill. here in our own Central Division. Some are legless, some armless, some blind, etc. They need bucking up.

There are 8,000 soldiers now at Camp Grant, and 9,000 sailors at the Great Lakes. U. S. sailors are scattered over all the seas, and the U. S. Marines are stationed wherever the U. S. has interests.

The job of the Red Cross is not yet done. It is ministering now to all of these fellows. We have to stand by them to the last ditch. We want you to renew your membership in the Red Cross. All you need is a heart and a dollar. Come on now, and come clean upon this matter. You can give \$5 or \$10 if you want to.

Also, the Red Cross is maintaining Disaster Relief stations all over the U. S. If there should be a tornado in Delaware County some evening, the Red Cross would be on hand with supplies, etc., the following morning. The citizens of Cedar Rapids speak in terms of the highest praise of the service of the Red Cross when the explosion occurred at the Douglas Starch works. It was the same in New York during the recent Wall Street explosion. It will be the same all over the U. S. wherever a disaster occurs—if the Red Cross continues to receive enough dollars to keep up this service.

Also, the Red Cross maintains Public Health Nursing service, Health Crusades, etc., etc. It happens that here in Delaware County we have on hand enough money to finance our Public Health Nursing service during the coming year. Every dollar we have in trust is being carefully administered. The dollar you give this year will be spent for the boys in the hospitals and yet in the service.

Now, we are just as busy as you are. We haven't time to call upon every citizen in Delaware County. This cause is your cause just as much as it is ours. We don't get a cent out of it, and we don't want one. It costs us time and labor and every money.

What we want every reader in Delaware County to do is this: Take your dollar to any bank in Delaware County and renew your membership. You will get your receipt and button there. The Fourth Annual Roll Call will be conducted between Armistice Day, November 11, and Thanksgiving Day, November 25. We want you to renew your membership. You do it. Don't put it off.

We want you to do this because it is the right thing, the patriotic thing to do. Don't make us pound you over the head to get your dollar. You go and pay it, and then say, "Boys, we are here. We are going to stand by you to the last wig of the hammer. You weren't quitters, and we are not going to be."

H. L. GOUGHNOUR, Pres.,
Delaware County Chapter of the American Red Cross.

Stiles during the many weeks of critical illness some years ago, and who has been at the head of the Visiting Nurse's Association of Dubuque, has resigned her position in Dubuque and leaves on December 1, for Chicago to take up similar work with the Central Division of the American Red Cross, with headquarters at Chicago. —Mr. and Mrs. Hubert Carr, Mrs. Lila Alford and Mrs. Skenn, of Waterloo, left Sunday for El Centro, California, where Mrs. Alford will remain during the winter, in the home of her son, Robert Alford. The party went by way of Los Angeles, and will spend a few days in that city. Mr. and Mrs. Hubert Carr expect to arrive home again about Thanksgiving Day.

—The movie has its faults, not the least of which is the exploitation of situations akin to those elaborated in the old yellow-back literature that regaled us with the adventures of "Diamond Dick," "Shack Nasty Jim" and the "Stolen Princess," stories that are inane and cheap, but it must be said for it that it has broadened the mind and the grasp of many of its habits, who have been introduced to foreign scenes, the wonders of both nature and art, and the big things of the world that most people can not hope to ever see. The possibilities of the movie will be unlimited when it gets through with the mushy adventures that appeal only to those in the age of adolescence, and gives the public pictures, not necessarily always of an educational nature, but certainly those created by people with knowledge sufficient to present what is artistic and natural. There has been a great advance in the character of film productions, but there is room for a more pronounced improvement.—Monticello Express.

The local merchants have been asked to display the American flag in front of their places of business, and to close their stores from 2:30 to 5 in order that all may have a chance to attend the big foot ball game between the Manchester High School team and the Independence High School team. This will be a game worth seeing. Both teams are going into this game to win.
