

SOLDIER'S BODY LAID AWAY HERE

REMAINS OF NIAL E. DRAKE ARRIVED IN MANCHESTER LAST WEEK.

SOLDIER SAW MUCH FIGHTING

Participated in Battles in Argonne Forest and Other Places. Dies of Pulmonary Abscesses.

Private Nial E. Drake, son of Frank and Alice Drake, was born near Lamont, Iowa, August 31st, 1890. He grew to manhood in the vicinity of Lamont, where he was greatly respected and loved by all who knew him.

He was called to serve his country in the great World War, starting from Independence, Iowa, May 27th, 1918, for Camp Dodge, Iowa. He went over-seas with the 88th Division, Company 1, 352nd Infantry, about the middle of August the same year. He was in the active service in the trenches, and was a messenger runner, having charge of carrier pigeons, or doves, used to convey messages from the front. He was in the Argonne drive and knew something of the experience of the fighting soldier in actual service.

He died on December 10th, 1918, of pulmonary abscesses, and was buried in Basailles, France, from whence his body was brought back to be laid in its final resting place in Manchester, Iowa. He is among that noble army who have made the supreme sacrifice for his country and for the larger good of mankind.

He is survived by his parents, one sister, Mrs. Elsie Sherrer, of Lamont, Iowa, and one brother, Donald Drake, of Cedar Rapids, Iowa, where his parents now live, besides a host of relatives and friends, who realize that after life's brief fitful fever, he has entered into rest.

"Go forward Christian soldier, The strife will not be long; This day the noise of battle, The next the victor's song.

To him that overcometh, A crown of life shall be; To with the King eternal, Shall reign eternally.

The funeral services were held in the Manchester Methodist church on Sunday afternoon, June 6th, 1921, and were in charge of the Rev. S. R. Beatty, pastor of the church. The large congregation showed their appreciation of the splendid service of this young soldier, and their sympathy is with the family in this sad bereavement. The interment was made in Oakland cemetery.

A large number of the members of Manchester Post, American Legion, and members of the G. A. R. attended the services in a body, and Legion members acted as escort. The military service was given by the Legion at the grave in Oakland cemetery. XX

HOME FROM BOGOTA.

Robert Barr, son of Mr. and Mrs. Michael Barr of Prairie township, arrived in Manchester this (Wednesday) morning from Bogota, Colombia, where he has been working with the Curtis Bi-Plane company. The company sold numerous planes to the government of Bogota, and Mr. Barr, who is a skilled mechanic, was sent to the South American country to assist with the work of operating the planes. Some of the planes were used in carrying passengers while others were more for exhibition work.

Mr. Barr tells us that Bogota is a city of 200,000, has electric street railway systems, but its only way to the Atlantic sea coast is by means of the Magdalena river. In the vicinity of Bogota great herds of cattle are raised; wheat and other farm crops grow in abundance. It is located near the equator, but is many thousand feet above sea level. The days are very hot, but the nights are cool. Mr. Barr went to Bogota last November and has been traveling since the 15th day of May on his homeward journey. He is undecided as to what he will do in the future, but may decide to go to Peru and work for the same company.

A REAL RED FOX SKIN.

Mrs. E. W. Williams of this city is the proud possessor of a red fox skin, sent her by a young ex-service man whom Mr. and Mrs. Williams befriended in Chicago, after his discharge from the service. A. B. Shea is the young man who remembered his friends with this valuable gift, and he has been for some time with an engineering concern in the Yukon country in Alaska. He has written a number of very interesting letters to Mr. and Mrs. Williams, telling of experiences. He made the trip of 600 miles over ice and snow with dogs to get the fox skin from the traders, and some times, he says, the mercury went down to 90 below zero. The warmest days at that time, he says, were 15 below zero. Mrs. Williams has had the fur made into a neck piece, by a furrier in Cedar Rapids, who says it is one of the choicest skins they ever handled.

A DISGUSTING SPECTACLE.

While the funeral procession was going up Franklin street last Thursday afternoon, a number of automobile drivers conducted themselves in a manner very unbecoming to gentlemen. At the intersection of Union and Franklin streets one of the drivers "cut" into the procession directly in front of the hearse, apparently being in such a hurry that he could not wait for the procession to pass before proceeding on in his mad rush to get somewhere on North Franklin street two more cars passed the funeral procession at a reckless pace, and to make matters still worse, both drivers had their muffler cut-outs wide open, and you can imagine how it sounded. To say the least the performance of these men appeared decidedly coarse. It would seem that common decency would restrain any man from doing what the three men in question did Thursday afternoon.

KNIGHTS OF PYTHIAS MEMORIAL SERVICE.

Sunday afternoon, June 13th, is designated by the Grand Lodge of Iowa Domain of Knights of Pythias as Memorial day, and services in keeping with the spirit of the day will be held at the Pythian Castle at 4 o'clock. Every member of the order is urged to be present at the services and join in the procession to the cemetery, where the graves of departed members will be decorated. There will be sufficient conveyances at the hall to take all Knights to the cemetery.

DEATH OF AN ONLY CHILD.

Mr. and Mrs. Harry Beddow, formerly of this city, have the profound sympathy of their many friends in the time of sorrow occasioned by the death of their only child, a beautiful little daughter three years of age. The little one passed away in Dubuque last Tuesday evening, after a very brief illness. Funeral services were held at Delaware on Friday afternoon.

ROAD TO STATE PARK IS ASSURED

SUPERVISORS AND OWNERS OF LAND WORKING OUT PLANS FOR ROAD.

THE OLD ROAD IS NOW CLOSED.

Manchester and Strawberry Point Citizens Hold Meeting Here to Discuss Proposition.

Persons who have wanted to visit the State Park at the Backbone have been obliged to go by the Lamont route, making the trip much longer for those living east of the park, besides being obliged to drive over mighty steep hills before reaching the backbone proper. Last year a roadway from the east was open to the public, but this spring owners and tenants of the land to the east refused to allow the public the use of the road. The result was that boosters from Manchester and Strawberry Point had a meeting in Manchester last week to take up the matter of a suitable road from the east with the Board of Supervisors and Mr. John Kelley, of Ryan, who owns vast tracts of land just east of the park. Among the men at the meeting were Senator B. W. Newberry, Charles Roberts, Cal Flannigan, Charles Durey and Leslie Davis, all of Strawberry Point, and E. M. Carr, Judge Geo. W. Dunham, E. H. Hoyt, E. W. Williams, J. Reiley, County Engineer Henry Klaus, and Supervisors W. E. Noble, F. A. Mead and Chas. A. Swindell. A route was determined upon at the meeting, and when the road is once built along this route the public will have a fine highway to the state park.

At this time the Board of Supervisors and the owners and tenants of the land are working out some of the details pertaining to the project. The public can rest assured that a road will be built and that soon.

LE ROY FAMILY LEAVES FOR LOS ANGELES.

Mrs. M. F. Le Roy and daughters, Misses Dora and Alma Le Roy, and Mr. and Mrs. A. R. Le Roy and children left last Saturday evening for Los Angeles, where Mrs. Le Roy and her daughters will make their home in the future. Mrs. A. R. Le Roy and the children will remain in Los Angeles until later in the summer when they will take up their home in Chicago. Mr. Le Roy will spend a few weeks on the west coast and then go to Chicago to take up his work with the Federal Reserve Bank.

It is indeed a matter of profound regret to have the Le Roy family leave Manchester. Mrs. Le Roy and her homes of friends of this city. These business life and social and church activities of Manchester for many years. During the past week Mr. Le Roy and her family were guests of honor at social gatherings in the homes of friends of this city. These friends, while keenly regretting the removal of this most excellent family, wish for them all a full measure of happiness, and we trust that wherever they may locate their lines may be thrown in pleasant places.

GRADUATION EXERCISES AT TRACT LARGE CROWDS.

The graduating class of the Manchester High School presented their play, "As a Woman Thinketh" on Tuesday and Wednesday evenings of last week, each night there being large audiences present. The young people who made up the cast of characters presented the play in a highly creditable manner. On Thursday evening the commencement exercises proper were held, when the entire class, fifty-six in all, were seated on the platform while the Commencement program was given. The graduates who took part on the program on Thursday night had their parts well in hand and much credit is due them for the interesting and instructive program. Towards the close of the program, Supt. J. S. Hilliard, on behalf of the school board, presented each graduate with his or her diploma. The program closed with the class song, in which all took part.

MRS. SUSAN YOUNG.

Mrs. Susan Young, for many years a resident of this city, passed away in Dubuque Wednesday morning, May 25th, 1921, at the age of 77 years. Funeral services were held in Dubuque, and interment was made in Linwood cemetery. Mrs. Young had been an invalid for some years, having suffered a stroke of paralysis while living in Manchester. For some time after suffering the stroke she was tenderly cared for by the daughter, Mrs. A. J. Rusa, and family at Delaware. Mrs. Young is survived by one son, Fred Young, of Indianapolis, Ind., and the daughter, Mrs. Rusa, now of Syracuse, N. Y., and two grandsons, Arthur Wheelless of Stockton, Ill., and Adelaide Wheelless of Syracuse, New York. Mrs. Young was a fine christian character, active in all good works until stricken by paralysis. Her death brings sorrow to many who knew her so well.

AUSTRALIAN SOPRANO ON CHAUTAUQUA

Miss Carmen Pasocova, the noted Australian mezzo-soprano, who has been in New York since the close of the Opera season purchasing an extensive wardrobe and otherwise preparing for her first American tour, which begins on June 6th, will start for Winfield, Iowa, where she makes her first appearance, next Thursday.

During the summer months Miss Pasocova will sing in over fifty Western cities. She will be one of the star attractions on the famous Redpath-Vawter Chautauqua Circuit.

This pretty Australian diva had a very flattering honor thrust upon her last season. She was selected as "The most attractive opera singer now appearing before the American public," by a celebrated Scandinavian sculptor and, as a result, was the most talked of member of Mary Garden's great opera company, not even barring Mary herself. Her picture was printed in thousands of newspapers and magazines throughout the world and on the recent tour of the Chicago company was much sought after by society leaders and newspaper reporters.

The list of guarantors is at the Farmers & Merchants State Savings Bank, as are also the tickets, and every one who last year signed for tickets should get them at once, and thus relieve the committee from unnecessary work.

—The National Manufacturing Company makes an announcement on the farm Bureau page this week that should find a ready response from our farmer readers, and that is during the next few days the company will sell hay racks at the cost of the material. The reason for this is this: A Jobber ordered a carload of racks and then failed to live up to his contract, and consequently the company has the carload of racks to sell. Rather than have the racks on their floors the company is going to sell them at cost of material, for they need the floor space for other work. Now, farmers, if you want real bargains, get busy.
