The year is drawing to a close, and we need the money due us on subscribers who find a red X after their names on the margin of the paper, or on the wrapper, are politically notified their subscription is due, litely notified their subscription is due, like frogs, to prey upon the vitals of the winds or over due, and are requested to remit the same immediately. We desire to purchase a power press, and enlarge our press, and enlarge our press, and enlarge our purchase a power press, and enlarge our press, and enl purchase a power press, and enlarge our paper four columns at the beginning of our second volume, and will do so if properly encouraged, and promptly paid.

Times says that Judge Campbell had the better men who have preceded him, yet most violent opposition; as some of the there is in it something that seems to augur well for the country. At least, is it provided they do not remain in session against him in the race. Nevertheless not as philosophic to take a rosey view that seems to augur well for the country. At least, is it provided they do not remain in session against him in the race. Nevertheless se come to our assistance, friends, too long. and we will make you the LARGEST if not the BEST weekly paper in Central Kentucky.

TEST

It is a little contrary to our notions of it seems to be expected of us in view of the fact that others do it, we will send that others do it, we will send that others do it, we will send to the fact that others do it, we will send to the fact that others do it, we will send to the fact that others do it, we will send to the fact that others do it, we will send to the fact that others do it, we will send to the fact that others do it, we will send to the fact that others do it, we will send to the fact that others do it, we will send to the fact that others do it, we will send to the fact that others do it, we will send to the petty thief.
