NEWS IN BRIEF.

The East.

THE Longshoremen's Association, of Hoboken, numbering nearly 900 men, has dissolved, and its funds, \$6,000, are being divided among the members. Quarrels growing out of the strike made dissolution and distribution necessary.

JAMES R. GILMORE, known in literature as "Edmund Kirk," author of "Among the Pine" and "Life of Christ," was arraigned in Newark, for sentence on conviction of false pretenses in the sale of real estate. Judge Titworth said the prisoner had made reparation as far as possible, and he would impose a fine of one hundred dollars on each of the two cases.

The dollar contribution in New York city for the benefit of the Kansas sufferers has been very generous, the money collected being for a time from four to five hundred dollars per day.

Last special shipment to Europe is reported at \$1,100,000, \$250,000 gold coin; remainder silver. Governing Committee of the Stock Exchange decided not to close the Exchange on Saturday following Christmas and New Years.

Officials of the Atlantic and Pacific Telegraph Company say the cable between Faraday left Turkey, on the New England coast, paying out the new cable as it proceeded, the intention of the electricians and managers on board being to splice when the cable reaches the buoy, and thus complete the cable from shore to shore.

It is expected that the Fall River Mills will start again on full time about the first of January, but on a further reduction of ten per cent wages.

The Boston and Lowell and Eastern Railroad Companies are looking for the persons stealing their passenger tickets. The former company estimate their loss, within the past few months, at \$50,000. One man has been fined for robbing tickets from the conductors.

The students of the Columbia College School of Music, celebrated the public opening of their new building by presenting a silver cup to each member of the winning crew in the Stratton Regatta of last summer.

The argument of appeal from Judge McCue's decision on the bill of particulars in the Beecher-Tilton suit has been postponed for the second time. Cause counsel were otherwise engaged.

HENRY WARD BEECHER sent a congratulatory letter to Edna Dean Proctor, on the happy termination of her suit with Mr. Tilton. In turn, Miss Proctor returned thanks to Mr. Beecher for his sympathy, and "hopes the remaining years of his life will be the happiest and most useful."

The Secretary of War has transmitted to the House of Representatives, for their consideration, a letter from the Chief of Ordnance, and company, asking an appropriation of \$250,000 for converting smooth-bore guns into rifled cannon, by lining with wrought iron or steel, and also an appropriation of \$250,000 for experiments and tests of heavy ordnance.
