Always Good.—The observance of Sunday had been so strictly enforced here by the Trustees before the passage of the recent Sunday law, that no inconvenience has been felt at all.

CURE FOR COUGHS.—A neat fitting boot or shoe is indispensable to a nice get up, and if you would not only beautify but also save your feet, call on L. A. Wilson, Stanford. His work is the only sure cure for corns.

MYSTERY.—A female infant, two or three months old, has been left with a Mrs. Biddis, at Crab Orchard, who refuses to divulge the name of the person who left it, for the reason that she is well paid to keep the secret.

BOUGIES, PAINTING AND REPAIRING.—D. F. Bash is doing some of the nicest work in this line you ever saw. It is almost impossible to tell a second-hand vehicle from a new one after he has finished. And he charges reasonable prices.

ROOM.—News from Russell and Casey is to the effect that a general boom has been started for our worthy townsmen. Mr. J. W. Alcorn, and we have it from good authority that he will carry the former and his opponent in the latter county. Modest merit will always be recognized.

SPEAKING.—Hon. Cassius M. Clay, of Richmond, will speak on the Political Situation at Harrodsburg on the 19th, at Danville on the 20th, at Stanford on the 21st, and at Lancaster on the 22d. Speaking at each place at 1 P. M. Mr. Clay's reputation as a speaker will no doubt draw a large audience.

A GOOD ORDER.—The unblinking papers on the streets of some of our young men with lead women, have stirred the Trustees to order the Marshal to report the names of all such persons for publication in this paper. So beware young men, or you may see your name in letters so large that he who runs may read.

A NIGHT EXPRESS.—Which leaves Cincinnati at 7:15 and arrives at Chattanooga next morning at 7:30, and which leaves Chattanooga at 8 P. M. and arrives at Cincinnati at 9 A. M., was put on the Cincinnati Southern Sunday night. This train makes the run in two hours less time than the day trains, which continue to run through.

A GOOD SHOT.—Twenty convicts attempted to escape from the Penitentiary a few days ago by scaling the wall. Freeman Farris, the negro set up for life from Garard for the murder of Robt. Land, white, was the first to reach the top of the wall, when the guard sent a bullet through his brain killing him instantly. Two succeeded in getting out but were afterwards captured.

THE BEST EVIDENCE.—That the Hall is to begin in a few days, is the fact that the occupants of the old rat harbors are preparing to move out and take down the old buildings that have so long cluttered the ground. Harris & Nunnally will go to Col. Miller's store room on Lancaster street, the Shanks to Squire Carson's, A. G. Pennington to the Hall property, and D. W. Vandever either to the same building or to Baughman & Bell's store room under the St. Asaph.

PRETEXT IN TOWN.—We heard some enthusiastic young ladies talking the other day about the fashions, and about the pretty goods. They said that undoubtedly the prettiest dress goods in town, and the "swishest" calicoes were found at Hayden's. The fact is, those young ladies only expressed the almost universal opinion of the lady public, and more than that, that gentlemen are of the same opinion in reference to the magnificent line of ready-made clothing that the Hayden Brothers have brought on this season.

A CONCEALED WEAPON CASE.—Wednesday, as referees were attempting to settle the partnership affairs of a couple of stock traders, one of them drew a pistol on the other, while the other went for a shotgun that was in the room. The referees, however, succeeded in disarming the combatants, and no damage was done. The pistol later will no doubt report, to the amount of the usual fine and imprisonment in such cases made and provided, that he was so handy with his little weapon. LATER.—The parties were tried, and on one case the pistol drawn, though all saw it after it was drawn, the case was dismissed.

A HORSE CASE.—About a month ago, a Lancaster lawyer bought of Mr. John Y. Myers a horse for \$100. This week the horse was brought to Mr. Myers by a man who said the horse was wanted by Mr. Myers to keep him till called for. Not suspecting anything wrong the horse was stabled, after which the man recalled that he had a letter from the lawyer's man. It read: "I returned the horse to you because it is string-laid. I shall claim the \$100 back and \$4 for certain expenses, or words to that effect. After reading this, Mr. Myers began to smell a mouse, and he thereupon turned the horse out on a street. We suppose the matter will end in a law-suit.
