Gov. Oglesby and a party of friends, together with the canal commissioners and Dr. Rauch, who were inspecting the canal, visited Ottawa Monday evening. Visit the millinery and shoe departments of Scott Bros. & Co. next week and get some bargains.

Married.

On Thursday evening, at eight thirty, Miss Henrietta Godfrey, daughter of Dr. H. M. Godfrey, was married, at her father's residence on the west side, to Mr. H. P. Burgess, of Aurora. The ceremony was performed by the Rev. Heermans, rector of Christ Church, the service of the Episcopal church being used. About seventy-five were present to witness the ceremony, the number being made up of the relatives and immediate friends of the contracting parties. After the marriage an elegant supper was served, and at midnight Mr. and Mrs. Burgess took the train for Chicago. After remaining in the city a day or two they will go to Aurora, where in the future they will reside. Mr. Burgess is a bridge contractor, and is well known to many of the citizens of Ottawa.

Children's day at the Baptist church tomorrow. Concert in the evening. All are invited.

Died.

Mrs. C. M. Shaw died at her residence in East Ottawa, last evening, after a brief illness. Her funeral will take place on Sunday.

Cyrus Walker, son of the late Judge Walker, died at his home in Burnett, Texas, on Wednesday, of inflammation of the bowels. Mr. Walker was about 32 years of age. At one time he resided in Ottawa, being in the employ of Lynch & Beety.

Bennett Blackman, of Marselles, died at his home, on Sunday, of consumption, and was buried on Wednesday. He had just finished eating, and, though not in strong health, there seemed no immediate prospect of death. He was forty years of age, and for some months past had been in the employ of Guy C. Griswold, buying grain at Henry. Mr. Blackman was a candidate for the post office against Mr. Barber, the present incumbent.

On Wednesday night, Nelson C. Stevens, son of Col. Rufus C. Stevens, died at the age of 33 years. He had been failing very rapidly of late, and his death was but a question of a very short time. The immediate cause of it was consumption, induced by excessive drink and exposure while under its influences. As a young man he was bright and active and one who had many friends. He was a printer by trade, and when himself was regarded as a very good one. His funeral occurred yesterday afternoon from the Baptist church and was quite largely attended.

Stiefel's easy fitting overalls are sold by the best dealers in all the towns around Ottawa.

There has been nothing done in the way of active law business in the Circuit Court throughout the past week, except the rendering of a decision by Judge Blanchard in the quo warranto proceeding against Alex. Bruce, of Marselles, to oust him from his position as trustee of the village of Marselles on the grounds of non-citizenship. Judge Blanchard holds that Bruce is not a citizen of the United States, and is therefore ineligible to hold office. The case is the outgrowth of the liquor contest in that town. It will be appealed to the Supreme Court.

On June 14th the June term of the court opens, with Judge Blanchard on the bench. There will be no jury during the first week. The time will be occupied by the trial of chancery causes. The following are the new cases commenced:

Fourth of July!

The meeting held at the supervisors' room on Wednesday evening was very largely attended by the citizens of Ottawa, and a great deal of progress made in the way of getting preparations for a proper observance of the Fourth of July agreed upon. It is evident that the committee who have the matter in charge are determined to make the affair a great success. The committee on finance reported that already \$1,000 had been subscribed and they were not through canvassing the city. As the 4th falls on Sunday, it was determined to celebrate on Monday. Mayor Allen was chosen President of the Day, and 17 Vice Presidents were selected from the leading business men of the city. Major Widmer will act as Marshal, and his aids will be E. A. Nattinger and Major T. C. Gibson. Committees were appointed on speakers, procession, music, advertising, regatta, fire department, military, gun club, fireworks and sports.

The next meeting will be held June 22d.

THE ONE PRICE

Cheap Clothing House of LaSalle Co. This is an era of cheapness in wearing apparel and in the necessities of life. You can buy a great deal more for a dollar now than for years. But there are cheap goods and—cheap goods. Not all goods are cheap because low in price, and it does not pay to buy cheap goods unless you buy of a house that backs its guarantee.

This is what gives Fiske & Beem their prestige as a cheap house. You can buy goods there as low as at any in Ottawa and they will back every thing they represent these goods to be. You can buy more guaranteed goods there for a dollar than anywhere else in the county, and with every \$12 cash purchase they give you one of the famous Waterbury watches—not a toy pocket piece, but a genuine, reliable time keeper. Remember, you get the goods just as cheap with the watch as without it.

For example, suits last year \$15 are now selling at \$12.50 and other goods in proportion.

New neckwear—the very latest styles—are just in. They are choice, attractive and stylish.

Seasonable and stylish hostery, and underwear at prices to suit the wishes of all.

Don't buy a hat until you have seen Fiske & Beem's stock. All styles and qualities of Mackinaw, Manilla and new conceits in straw, all colors, for the season are now in and as cheap as the cheapest, for men, youths, boys and children.

Call and see their line of trunks and valises before you start on your summer vacation.

We print on our 7th page a column or so of road making literature which ought to be read by those entrusted with the road making. By the way, The Brick, Tile and Pottery Gazette for April has an article on Road Making, read to the Michigan Brick, Tile and Drainage Association which is the ablest paper on that subject that has appeared for a long time. It is so good, in fact, that a Michigan state officer said it ought to be attached to the warrant of every highway commissioner in the country. Copies can be had by sending 10c. in 2 cent stamps to Osman Bros., Ottawa, Ills.

One of the best made suits, all wool and fast colors, at M. Stiefel's, only \$8.00.

One of the features of Ottawa's celebration of the Fourth will be a grand ball, to be given in the evening by Fitzgerald's Band. The members of the band have already set about to make preparations for it, and it is intended to make it a good deal of an event. A full orchestra will furnish the music for dancing, and the members of the band will be in attendance to intersperse the dancing with brass concert music.

Every young man "up to snuff" ought to have a new buggy with which to celebrate the Fourth with his best girl. J. E. Porter has just received a new lot of those splendid low-priced vehicles, in all styles. The prices he is selling them for are positively astonishing.

Scott Bros. & Co. will place on sale this morning a large lot of dress goods in assorted colors. These are good and will wear well. The regular retail price has been 25c. We bought the entire lot cheap and will close them out at 12 1/2c. Scott Bros. & Co.

The Spring Valley people, with the push and enterprise characteristic of a new town, are making elaborate preparations to celebrate the Nation's birthday.

LaSalle Times: The new building for the clock factory will be a three-story brick structure, 77x30 feet, with an addition, 24x30, one-story, for boiler and engine rooms. The cost will be approximately \$5,000. The bids for the construction of the building were opened Thursday, but the contract was not awarded at the time, for various reasons, but it will be without delay. The location has practically been fixed upon, being the block known as the Christopher property, located just west of the Union shaft, in Peru. The building now on the ground will be temporarily used for the manufacture of the machines with which the clock wheels and other parts are made, and as soon as the main building is erected the machinery will be ready to put into it, and actual operations be commenced forthwith.

We should economize at all times, but more especially when times are close. Observe the purchases of your thrifty neighbors. More substantial benefits can be obtained from a fifty cent bottle of Dr. Bigelow's Positive Cure than a dollar bottle of any other, cough remedy. It is a prompt, safe and pleasant cure for all throat and lung troubles. Sold and endorsed by E. Y. Griggs.

Mr. Madden is now actively a candidate for the democratic nomination for county treasurer to succeed Mr. Raymond. He is a member of the banking firm of Madden & Goetdner, and a young man of good financial ability. He has been a resident of Mendota a great many years, and counts upon being strongly backed in the convention by the democracy of the northern township.

McCORMICK.—Capt. J. L. McCormick, of Peru, was in Ottawa on Tuesday. Capt. McCormick is one of the old residents of LaSalle county, having settled at Peru in 1847, at that time being actively engaged as a river captain—a vocation he followed until two years since. He was the first to establish large ice store houses at Peru for the purpose of supplying St. Louis and other Southern cities with northern ice. Capt. McCormick has always been one of the most active democrats in the county. In 1855 he was a delegate to the National Democratic Convention at Cincinnati. He went as a friend of Douglas, but the Buchanan men were too numerous and the Douglas delegates were defeated. At the last state convention, Capt. McCormick was one of LaSalle county's 32 delegates.
