Vocal Music.

Those wishing information in regard to Vocal Lessons for the summer, can obtain it by calling at Mr. Simon's Music Store, or address Miss WHITLESS.

A Big Success.
Decidedly the biggest success of the season has been the great summer special sale at H. J. Gillen's. Every department of the house has done a big business; and that the house has been able to do a big business in any line now-a-days, when about every one else complains of dullness, is clear evidence that the sale is doing big things in the way of bargains.

It is a genuine bargain sale in the full letter and spirit of the word. In every department of summer goods reductions from former low prices have been made to close out this stock as soon as possible after the Fourth; and the public will best appreciate the extent of these reductions by calling and examining for themselves. In a stock complete in every detail, every buyer can be certain of finding a bargain in the goods sought for; and it is certain that the advantages offered by this sale cannot be equalled in this county. This is the real opportunity of the season—a genuine money-saving sale for the people; and every buyer is asked to call and make a personal inspection of the stock, which contains every line of seasonable dry goods, boots and shoes, etc.

Dirt Cheap.

Stiefel's full regular made suits \$3.50, good and serviceable. A good, stylish business suit, well made and trimmed, \$5.50 and \$6 and \$7.50. The latter price named are all wool, fast colors warranted. This is a bargain, and can not be duplicated in any or any other market. M. STIEFEL.

Mr. D. Hess's big watch has attracted lots of attention since put up; but fine as it is, the beautiful things inside his premises, attracted much more; and all confess that his stock of jewelry, silverware, watches, clocks, spectacles and fancy goods, is without an equal; and that his prices are lower than the public generally will believe possible.

Dinners.

Lon Piergue, at his restaurant, south of the Court House square, will serve regular dinners on the Fourth, all day, at 25c—no advance in price. They will be the regular course dinner, if anything more elaborate than that served by him every week day of the year,—not a hodge-podge of cold meats and vegetables, but a dinner of hot meats, soup, vegetables and dessert, such as only a professional caterer and restaurateur can serve on such a day. Everybody will be furnished with a seat at table, free from flies and dirt, and served with a complete dinner for only 25c that will be better than any served for more money by so-called dining rooms gotten up for this occasion only.

During the month of July joint Sunday evening services will be held by the Congregationalists, Presbyterians, Methodists, and Baptists. The sermon on each Sabbath evening will be preached by the pastor in whose church the service is held. Tomorrow evening the service will be held in the Congregational church.

Reduction in Watches and Jewelry.
R. H. Trask is selling watches, diamonds, jewelry and silverware at a reduction of 10 per cent. for cash for the next few weeks. This extra reduction of 10 per cent. from his former low prices makes the prices on ladies' and gents' gold and silver watches, silverware, &c., far below any prices ever offered. I mean business, and am bound to reduce my stock. Now is the time to buy. Come and see me. La Salle street, opposite Armory Block, Ottawa, Ill.

Now is the time and F. D. Sweetser & Co.'s the place to by cultivators and gophers. See the Eagle Claw.

The closing exercises of the Sisters' Convent School occurred on Tuesday, and were very interesting throughout. The programme rendered was of a varied character, and all participating acquitted themselves with credit. Among the Priests present were Revs. Ryan and Grogan of this city, Rev. Thos. Burke, Rev. O'Gara of Joliet, and Rev. O'Neil, formerly of this city. Fathers O'Neil and Ryan made short addresses. Further notice next week.

Refreshment Stand.

OPEN AIR ICE CREAM PARLOR

Where ice cream will be served in the shade, and visitors can eat it free from the crowd, heat and discomfort of a crowded room. Don't fail to stop there.

Farmers' Horses

Ought to wear Corley's patent Water Bonnets. They are an excellent protection to horses in hot weather, as they will protect them from sun-stroke, and they can stand much more work. Horses drop dead in hot weather or give out, and people don't know the reason. In most cases it is the heat. Manufactured by M. F. Corley, 45 W. Adams st., Chicago, and all harness stores sell them.

Everybody who wants ice cream, fruits, nuts, or a lunch as they should be will call at Ed. Colwell's, Opera House block, on the Fourth.

All the Rage.

Our new seersucker coats and vests with hats to match are all the rage. Worth \$3, we will sell them at \$1.75. M. STIEFEL.

The case of James McManus v The City of Ottawa has been on trial before Judge Stipp throughout the past week and will continue throughout the larger portion of the coming one.

Fire Works.

Lon Piergue has a very large general stock of fire works of every description for the Fourth. Having bought his stock of first hands in New York, he can and will sell them as low as they can be sold anywhere in the west. You will do well to leave your orders with him early, as he is bound to sell them fast on Monday.

The ladies will serve meals in the basement of the Baptist church on Monday, July 5th, 1886.
