

A Man who Never Gambled.

The Winnemucca Register of February 6th, tells the following story of how a man "who never gambled" was "taken in and done for" for three-card monte sharps:

The firm of Liebes & Bowman, wholesale cigar dealers, in San Francisco, sent out an agent last week to solicit patronage for the "Grand" as it was his first trip, he was directed to call on I. S. Bowman, in this place, a brother of the junior partner of the aforesaid firm, and receive orders and directions as to the route he had better take.

It is currently reported in town, says the Reese River Revue of February 4th, that an extensive strike of high-grade ore has just been made in the El Dorado mine, at Belmont.

J. B. Bradley informs us, says the Carson Appeal of February 7th, that he and Brand have renewed operations on the Carson river, wood-drive. They are taking out about 150 cords per day.

William H. Hill, Treasurer of Fresno county, died at Fort Miller, in that county, on the 3d instant, from disease contracted while journeying to Sacramento last month, to settle with the State Treasurer.

S. W. Kirby, a well known resident of Santa Cruz, has just applied for a patent for an ingenious car-coupler. It is a self-coupler, and in case one car jumps the track, it uncouples itself from the other.

The Carson Appeal of February 4th says: Probably the Washoes are the most comfortably situated tribe of Indians in the State. Their numbers are small; they are nearly all—quite all, probably—acquainted with families here in Carson, and so manage to get what they want to eat without any trouble. Moreover, the men of the tribe are mostly workers.

James S. Todd, of Vallejo Township, has discovered a coal vein on his farm, which lies on the Sonoma Mountain. A wash in the bed of Copelan Creek, through the soil, to the depth of eight feet, exposed the coal strata.

At Cazo Creek, Trinity county, the miners have done but little work thus far this season, on account of the ditch from which most of them draw their water supply being out of order. It will be all right in a few days.

The location of the county seat of Bakersfield is now an accomplished fact. On Sunday morning last the records of the county were delivered at the Town Hall.

THE SOUTHERN CALIFORNIAN, RICHARD MELROSE, Proprietor. Anaheim, Los Angeles Co., California.

THE CALIFORNIAN is a Weekly Newspaper, just entering the fourth year of its existence, and has the largest circulation of any Weekly published in the country.

The CALIFORNIAN is independent in politics. Upon all subjects, however, in which the interests of its section are involved, its editorial columns will advocate the cause of the People against monopoly, either Political or Commercial. Closely identified with the Grange movement in this State, it aims to become an exponent of the principles upheld by the Patrons of Husbandry, and therefore acts as the Organ of Southern California their assistance and support.

The aim of the CALIFORNIAN will also be to give to its readers the news of the latest news items of the week, both foreign and domestic. No trouble or expense will be spared to make it, in this respect, equal to any weekly newspaper in Southern California. THE attention of the business community of Los Angeles city and county is invited to the facilities of this office for executing every description of BOOK & JOB PRINTING

Fully alive to the inferior manner in which a great part of the Job Printing in Southern California has hitherto been executed, the proprietors of this establishment have determined to institute a new order of things in this business.

A NEW POWER PRESS, (the first to reach this far south on the Pacific Coast), capable of printing a LARGE SHEET POSTER, either plain or in colors, is already running, and driven by

STEAM POWER, which is also attached to their new and ELEGANT Job Presses.

The facilities for turning out work will thus be equal to most and superior to many offices in San Francisco.

A SPLENDID ASSORTMENT OF NEW TYPE AND MATERIAL, of the most modern designs and approved Eastern manufacture, has been selected. And it is intended to equip and furnish this department with

THE FINEST TYPE, AND THE MOST MODERN APPLIANCES, AS TO MAKE THE HERALD JOB OFFICE THE MOST COMPLETE IN SOUTHERN CALIFORNIA.

They have engaged as foreman of this department, one of the most experienced Book and Job Printers in the country; and the Pressman will be superintended by a Skilled Pressman from one of the largest offices in New England.

PAMPHLETS, POSTERS & HANDBILLS Plain or in colors, executed at very short notice and displayed in the best manner.

BUSINESS CARDS, CIRCULARS, STATEMENTS, BILL HEADS, LETTER HEADS, BALL CARDS, WEDDING CARDS, VISITING CARDS, INVITATIONS, ETC.

Of this class of work we shall make a specialty, and intend that nothing of the kind shall equal us in this section.

BANK CHECKS, DRAFTS, NOTES, DEPOSIT CHECKS, BOOK HEADINGS, STOCK CERTIFICATES, ETC.

Printed in a superior manner, on plain writing paper, or on Bond and Bank Note Paper, in black or colors.

We shall say particular attention to BRIEFS, TRANSCRIPTS, ABSTRACTS, ETC., Which will be printed in the Old Style Type now so universally in favor, and which we have procured especially for this class of work. We shall also be provided for the printing of

LEGAL BLANKS, OFFICIAL FORMS AND DOCUMENTS. CAT OQUES, PROGRAMMES, BILLS OF FARE, TICKETS, LABELS, TAGS, AND EVERY VARIETY OF GENERAL JOB PRINTING PLAIN AND ORNAMENTAL.

The Santa Barbara Press An Independent Newspaper, Devoted to the Interests of Southern California.

J. A. JOHNSON, Editor and Proprietor. AS THE CHARMING CHARACTER of Southern California, and more especially that most favored section called Santa Barbara, becomes known to the world, it is not surprising that a widespread and growing interest in this region should be awakened. It is the constant aim of the Press to furnish perfectly reliable information on all points of interest to tourists, invalids and home-seekers, and to be able to do so with greatly increased facilities.

While the PRESS seeks to promote the prosperity of all Southern California by all legitimate and honorable methods, it is more directly interested in the growth and greatness of Santa Barbara. The unequalled loveliness of the climate, its most incredible healthfulness, the beauty of the scenery, its wondrous variety and fertility of the soil, its almost unlimited range of products which flourish there without irrigation, and which are known from time to time by facts which cannot be controverted, in the estimate of the PRESS. Any interested person can become familiar with this part of the State by reading the PRESS for a few minutes.

Terms of the Daily, per annum, \$7.00 Terms of the Weekly, per annum, \$5.00 Currency and Postoffice Money Orders taken at par.

SPECIAL INDUCEMENT. All yearly subscribers to the WEEKLY PRESS will obtain, FREE, an Illustrated Number, and a copy of WOODRUFF'S GUIDE to Santa Barbara, Town and County.

A WORD TO ADVERTISERS. It is an admitted fact that the SANTA BARBARA PRESS has the largest circulation in Southern California, and has a much larger circulation than any other newspaper in that section, being read by the people of the most thrifty families, and hence its advantages to advertisers are obvious.
