

Disgraceful Revelations.

A curious statement reaches us from Washington to the effect that the President will refuse to sign the Civil Rights Bill, even should it pass the House, in order that he may gain popularity with the people of the South.

Various Rumors.

Rumors are floating about to the effect that EL GORDO, who recently attempted to murder the TURNER family near this city, and was afterwards hanged by the citizens, confessed to his captors that he was one of the party who recently murdered a family near San Diego, and also that he had frequently accompanied VASQUEZ on marauding expeditions.

GENERAL ORDER number 45, Military Division of the Pacific, appointing JAMES GAMBLE Superintendent of the Arizona Military Telegraph, has been revoked.

THE Chronicle's oft repeated assertion that it stands "alone and unrivaled" is not now true, if it ever was entitled to that merit.

Hens and Their Value.

The hen fever is intermittent in character. It breaks out periodically and for a time rages fearfully. It confines its ravages to no particular locality but appears simultaneously upon the mountain heights and on the lowest plains.

Co-operative Labor.

The farmers have shown their capacity for managing co-operative stores, banks, warehouses, steamboats and many other kinds of business, but they have not yet demonstrated what they can do in the way of co-operative manufacturing.

What we are to Pay.

If the indebtedness of a country is an evidence of its stability, the Government of the United States is as solid as the rock of ages.

Individuals to each other, etc. Making a total of \$9,938,870.67. If any one will take the trouble to divide this sum by the total population of the country, the result will show that we owe \$248 for every man, woman and child in the nation.

THE Legislature of Michigan has concluded that the question of allowing women to vote should be decided by the people themselves and not by their Legislative bodies.

THE recent election in Modoc county, the county which was created out of the eastern portion of Siskiyou at the last session of the Legislature, resulted in the election of an entire set of Democratic officers, with the exception of Treasurer, and that gentleman endorsed the Democratic platform.

THE snow in Summit Valley is still six feet deep.

FARMERS

CALIFORNIA HARROW

MANUFACTURED BY Kimball Manufacturing Co., OF SAN FRANCISCO.

THIS HARROW OFFERS GREAT IMPROVEMENTS TO THE FARMER OVER ALL OTHERS. The facility with which it can be conducted from one to another field; the saving of labor over the old method of walking after; the way it can be regulated, to work deep or shallow; its adaptability to irregular surface of the soil; the division of teeth, whereby space is divided by 3/4 inches, thus working over the surface with the thorough material and workmanship, render it next to perfect.

It is adapted to the soil, and all will please call and see for themselves. Orders made in advance will lessen the cost. The delivery will be made to meet the wishes of subscribers. For any further information, apply to the undersigned.
