

THE GAZETTE.

FRIDAY EVENING, APRIL 23.

IN LOVE WITH A TWIN.—The Advertiser, of London, Ontario, vouches for the truth of the following singular story: Some of our citizens may remember the "Siamese twin" sisters, who were exhibited in this city a few years ago. They were not Siamese, but mulattoes, and were designated "Siamese twin" sisters because they were naturally joined together after the same manner as the famous Siamese twins, yet still more effectually. They formed a rather disgusting object, and it is hard to imagine how any one could fall in love with it, or any part of it, yet a man has been found who worships at the shrine of monstrosity. The Milly sisters, as their name is, are in Berlin, in charge of Frederick Hunt, of Cincinnati, and a Russian Baron, von Nergel, saw and fell madly in love with one of the sisters—which one it is not stated. His admiration made a positive distinction, however, and caring nothing for the other, he wanted an introduction to the one. He sued in vain. He sent a diamond ring to his particular charmer, but there were twenty fingers and thumbs so mixed up that they could not decide to which it belonged, and sent it back. The Baron was not to be filled in this manner. He heard that the sisters wished to get an engagement at one of the theatres of Vienna during the Exposition and had failed. He knew the manager of the Leopold Stadt Theatre in Vienna, and writing to him offered to pay the twins' compensation out of his own pocket if he would engage them. The twins were accepted, a contract was signed to this effect, and then the Baron von Nergel got the coveted introduction. One of the present wonders of Berlin is the Milly sisters every day riding in the Baron's carriage in the Tiergarten Park and the Baron at their sides. He had several times publicly proclaimed his intention of marrying the object of his adoration, and is supposed to be the maddest man in Europe.

SALE OF VALUABLE VIRGINIA LANDS.

By virtue of a decree of the County Court of Loudoun, made in the chancery suit of Hopkins, Hull & Co., vs. Berkeley, the undersigned, in conformity with a commission of sale will offer at public auction, in front of the Court House, in Leesburg, Loudoun county, Va., on MONDAY, March 17th, 1873, the following REAL ESTATE, viz:

A VALUABLE TRACT OF TIMBER LAND, containing 408 acres, in Prince William county, adjoining the lands of Edmund Berkeley, Ewell, Bayley and others, about six miles from Thoroughfare station, on the O., A. & M. R. R., and four miles from Aldie, on the Piedmont and Potomac Railroad—over firm roads of easy grade.

The tract is timbered with hickory and oak, and has upon it a vein of rich iron ore, running through its entire length.

Also the ONE UNDIVIDED HALF of one of the most valuable and productive estates in Virginia, known as "GOOSE POND," lying on the south bank of the Mattaponi river, in Caroline county, containing 1950 acres, of which about 950 is timber of original growth, and the rest productive, arable land, under cultivation.

The timber consists of the varieties of oak, pine, walnut and hickory, and is considered by good judges equal to any body of timber land in the State.

An experienced timber getter estimates the value of the hickory alone, for spokes, at double its assessed value. The pine and oak furnish the finest masts and ship timber. The arable land has heretofore been cultivated by intelligent and liberal agriculturists, and until the war, and the owners have not had the means since of restoring it to its former productiveness.

Two hundred acres of this land have been cropped continuously for nearly a century, and will produce from 50 to 75 bushels of corn to the acre. Marl is abundant on the place, and has been liberally applied. The Mattaponi is a beautiful stream; its navigation was obstructed during the war, but at a slight expense it can be made navigable for vessels of 10 tons in the State.

"Goose Pond" adjoins the famous Corbin estate, "The Reeds," and also "HAYS," the justly celebrated estate of Major Wm. N. Berkeley, separated from "Goose Pond" only by the Mattaponi river. The other half of "Goose Pond" is held for sale by General Eppa Hays, of Washington, who will unite in the sale of the whole tract.

"HAYS," containing 1650 acres, will be offered for sale at the same time, by B. P. Noland, Trustee, under a deed of trust from Maj. Berkeley, and the arable land of the same estate, about 2600 acres of splendid land, offer the most desirable location in Virginia for a colony. The attention of capitalists, of agriculturists and dealers in timber and lumber is invited to these lands. None more desirable, in quality or price, are now on the market.

Terms of Sale: So much of the purchase-money to be paid in cash on the day of sale as will pay the costs of suit and expenses of sale; the residue upon a credit of one, two, three and four years, in equal instalments, bearing interest from the day of sale; the purchaser to execute his bonds for the deferred instalments, and the title to be retained till the purchase money is all paid.

MATTHEW HARRISON, B. P. NOLAND, POWELL HARRISON, J. H. ALEXANDER, Commissioners of Sale.

BY AUTHORITY OF A DEED OF TRUST.

dated the — day of —, and with the full consent of the present owner, Major W. N. Berkeley, I will offer, at the same time and place, and upon the same terms as the above, the splendid estate of King William county, known as "HAYS," containing 1650 acres, adjoining "Goose Pond," the Mattaponi river being the dividing line. The timber upon this estate is of the same quality as that on "Goose Pond," and the arable land of the same fertile character. It has been managed since the war better than "Goose Pond," and is consequently now in better condition, and produces heavy crops of grain, tobacco and clover. The DWELLING HOUSE and out-buildings are complete and in good condition.

B. P. NOLAND, Trustee. Loudoun county, Feb 17-1s

The sale of the above property has been adjourned until MONDAY, the 12th day of May, 1873, Court day.

sp 7-1s W. B. NOLAND, Auct'r.

COMMISSIONER'S SALE OF REAL ESTATE.

By virtue of a decree of the County Court of Loudoun, made at the August term, 1872, in the case of Hopkins, Hull & Co. vs. Berkeley, the undersigned, commissioners of sale, will sell to the highest bidder, in front of the Court House, in Leesburg, Va., on MONDAY, May 12th, 1873, TWO VALUABLE TRACTS OF LAND, of which Charles F. Berkeley died seized and possessed, one in Berkeley county, Va., situated on the edge of Prince William county, 3 miles southeast of Aldie, containing about 265 acres of unusually fine timber land—mostly chestnut. About the same quantity of land was recently sold off of "Endfield," to Mr. Letterman, of Baltimore, who now owns it. There is a steam saw mill near this tract, which makes the timber very valuable.

2. A BEAUTIFUL FARM, in Caroline county, known as "REDGLYFFE," containing 5474 acres. This farm lies on the Pamunkey river, 2 miles from Hanover Court House, a depot on Chesapeake and Ohio Railroad—and adjoins "North Wales," the splendid estate of the late Williams Carter. The neighborhood is a desirable one; the land is of good quality and easily cultivated. The DWELLING is large and comfortable, and is altogether a most beautiful and desirable farm.

Terms of Sale: So much of the purchase money to be paid in cash on the day of sale as will pay the costs of suit and expenses of sale; the residue upon a credit of one, two, three and four years, in equal instalments, bearing interest from the day of sale; the purchaser to execute his bonds for the deferred instalments, and the title to be retained till the purchase money is all paid.

McCLURE'S SELF-ADJUSTING, ANTI-FRICTION BACK-CHAIN AND TRAVELLER.

Read the following testimonials to its merits: Office Society for Prev. Cru. to Animals, New York, April 11, 1873.

I have seen, and do most unqualifiedly approve of Mr. W. B. McClure's Anti-friction Chain and Traveller, for the use of cart horses, whereby the severe concussion and continual jarring incident to the present mode of harnessing draft animals are effectually overcome. This invention should be speedily in general use. HENRY BRON, President.

I have been using for more than four months the Self-adjusting, Anti-friction Back Chain and Traveller," and take pleasure in testifying that they are a perfect success. The saving in wear of the saddle alone is worth more than the cost of the chain, and the saving in labor and suffering to the horse is incalculable. JOHN LEATHERLAND, Coal Merch't.
