Fishtown on Fire!

ANOTHER GREAT CITY GONE!

It is our sad duty to add another leaf to the history of Chicago and Boston. About half-past five o'clock yesterday afternoon Sparks were observed issuing from the upper story of the principal hotel of the above-mentioned metropolis; thence running along the Mansard roof the fire quickly attacked Ryan's fine Exchange Buildings, and in less than ten minutes it took all the business part of the city was on fire—

Look to your Interest!

At this most unprecedented money stringency in our commercial metropolis and correspondingly dull times most all over the country, it will for each and every individual to look to his interests. By paying our enterprising Clothiers, I. Schwartz & Co., at Sarapeta Clothing Hall, a visit, you can save at least 20 per cent on buying your garments there; besides the extraordinary advantage of having a variety of styles and patterns to select from, immense in quantity and far superior in quality to any others in the city. They say they will sell remarkably cheap, and, as is generally known, they mean what they say. You will do well to call early at 89 King street, Sarapeta Clothing Hall. ap 12

Read the following testimonials to its merits: Office Society for Prev. Cru. to Animals, New York, April 11, 1873. I have seen, and do most unqualifiedly approve of Mr. J. B. McClure's Anti-friction Chain and Traveller, for the use of cart horses, whereby the severe concussions and continual galling incident to the present mode of harnessing draft animals are effectually overcome. This invention should be speedily in general use. HENRY BENNETT, President. Alexandria, April 9, 1873. I have been using for more than four months the Self-adjusting, Anti-friction Back Chain and Traveller, and take pleasure in testifying that they are a perfect success.
