

THE GAZETTE.

WEDNESDAY EVENING, JUNE 11.

A NOVEL FROM A MAJOR GENERAL.—A novel from the pen of a Major General would be at any time something of a curiosity; but it seems we are to have during the coming autumn a book from the press of J. R. Osgood & Co., which will be equally remarkable for its author, its subject and its literary ability.

WOMAN'S RIGHTS IN MEXICO.—Even in Mexico the women are asserting the right to their own way to fortune and fame. We learn from the Two Republics that on a recent occasion, in a competitive examination of candidates to fill the vacant professorship of English in the female college of Calle Santa Catalina, six gentlemen and one lady, Senorita Angela Lozano, presented themselves to pass the ordeal, only one of whom could gain the honorable station desired.

Fears are entertained that Miss Muhlbach will get hold of a copy of the lately discovered diary of Louis XVI.

The present high price of Government Securities is increasing the demand for first-class Railroad Bonds; and it is not reasonable to suppose that the present difference of from TWENTY to THIRTY per cent can be obtained for any great length of time.

The CHESAPEAKE AND OHIO SEVEN PER CENT MORTGAGE BONDS, interest payable January and July; principal and interest payable in gold in New York city.

Only \$3,000,000 of these Bonds will be offered for sale at present. Price 90 and accrued interest.

They are amply secured, and a very desirable investment. The proceeds will be used in adding largely to the present equipment, and in extending the line from its present tidewater terminus at Richmond to deep water on the Chesapeake bay, where the largest steamers in the world can load and unload alongside the cars.

Also, the CHESAPEAKE AND OHIO SIX PER CENT BONDS, interest payable May and November; these bonds are issued in denominations of \$100, \$500 and \$1,000. Price 88 and accrued interest. The road, 420 miles in length, is now completed, and the business offering is very large, and increasing daily.

Pamphlets, giving a full description of the Chesapeake and Ohio Railroad and its advantages, and particular information concerning the agricultural, mineral and mechanical resources; the remarkable coal and iron deposits; and the opportunities for settlement, investment, and the employment of capital and labor in various industries along its route, copies of which may be had, free of charge, upon application in person or by mail.

A GOOD INVESTMENT—ATTENTION, CAPITALISTS—BUCKLAND WOOLLEN MILLS, PRINCE WILLIAM COUNTY, VIRGINIA, AT PUBLIC AUCTION.

By virtue of a decree of Fauquier County Court, pronounced on the 1st day of March, 1873, in the chancery cause therein pending styled "Campbell vs. Hunton et al.," the undersigned, special Commissioners, appointed for that purpose, will sell at public auction, to the highest bidder, on SATURDAY, July 6th, 1873, at the front door of the Court House, in the town of Warrenton, county of Fauquier, State of Virginia, that valuable Mill and Mill property attached thereto, known as "THE WOODLAND WOOLLEN MILLS," situated at Buckland, in the county of Prince William.

These Mills are upon Broad Run, only a few miles distant from Gainesville, a station upon the Manassas Division of the Washington & Northern Midland and Great Southern Railroad, (formerly the O. A. & M. R. R.), and contain ONE HUNDRED ACRES OF LAND.

The buildings consist of FIVE (5) TENEMENT HOUSES and Factory Buildings. The Factory is ready for work, and has in it the very best and most improved machinery; the water power as good as can be found in Virginia, and the location in every respect desirable.

Capital invested in these Mills, properly managed, must pay handsomely. Terms of Sale: Ten per centum of the purchase money in cash; the residue in one, two, three and four years from the day of sale; the purchaser to execute bonds, with approved personal security, bearing interest from date, for the deferred instalments; title retained until the last payment is made, and the property sold by virtue of a decree of the Circuit Court for the city of Alexandria, Va., rendered at the November term, 1872, in the suits of Newton against Newton and others, and Phillips' administrator against Newton's executors and others, (consolidated) the undersigned, commissioners, appointed by said decree, will offer at public auction, in front of the Mansion House, on Fairfax street, in the said city of Alexandria, Virginia, on WEDNESDAY, the 30th of April, 1873, at 12 o'clock m., a TRACT OF LAND, situate in the county of Prince William, Virginia, on the Potomac river, containing about 822 acres, being the residue, after deducting the purchase of Naglo, Musser and Opp, respectively, of a larger tract known as DEEP HOLE, MOUNT PLEASANT and THE FARM, which was conveyed by Isaac Newton and wife and Samuel N. Garwood and wife, in trust, to Edward T. Patton and Presley Thornton Lomax, by deed, dated May 29th, 1854, recorded in the land records of Prince William county, Virginia.

This is a very valuable estate, and has on it a large quantity of excellent timber and a valuable FISHERY, known as "Deep Hole." Fisheries to market are afforded by the Potomac river and the Alexandria and Fredericksburg Railroad, which latter passes through the land. A plat and survey will be exhibited at the time and place of sale, and the tract will be sold entire, or divided in parcels as may seem to the commissioners most advisable.

Terms of Sale: Enough in cash to pay the costs of suit and expenses of sale, and the residue in three equal annual instalments, with interest from date; the purchaser or purchasers giving bonds with approved security, and the property to be retained secure the deferred payments, and the land subject to be resold under decree in those suits at purchasers' risk, in case of a failure to comply with the terms of sale.

FRANCIS L. SMITH, EPPA HUNTON, Commrs. of Sale. The above sale is postponed until WEDNESDAY, July 24th, 1873 at the same hour and place.
