LOCAL NEWS.

MARRIED ENJOYMENT.—Nothing in itself, really harmless, probably affords so much enjoyment to the average cultured mind as attendance upon a funeral. Such being the case, great disappointment was experienced by those who had assembled to witness the obsequies of Beth Ward—the woman who was burned to death last week—and their sensibilities sadly shocked, at the behavior of the husband of the deceased upon that occasion. He not only abused the crowd, applying to them opprobrious epithets, but actually threatened them with personal violence if they did not quit his house and dispersed them, and drove them from his premises, and with only the assistance of the grave digger, bore the remains from his house to the grave on a litter and interred them.

CHURCH DEDICATION.—The new Catholic Church of St. James, at Falls Church, which is in charge of Father O'Keefe, of this city, will be dedicated with appropriate ceremonies to-morrow. Bishop Gibbons, of Richmond, will on the occasion give Pontifical High Mass, and the sermon will be delivered by Father Clarke, of Baltimore. The Knights of St. Patrick and the Catholic Beneficial Society of this city will meet at their respective halls at 8 a. m. and proceed to the Fairfax-street depot from which place a special train will leave for Falls Church at 9 a. m.

PARTRIDGES.—Partridges are now in season, and can be shot with impunity on unposted lands. Several sportsmen who have been out here returned with their game bags filled with them. The birds are well grown and are in excellent condition, and not having been hunted, are by no means wild. A flock that flew into town the other day afforded the boys, who were chasing them about the streets, fine sport.

COAL.—Owing to the decrease in the demand for coal, in consequence of the depression in the manufacturing business in the North, the stocks at the several agencies in this city are accumulating rapidly, as much as fifteen thousand tons being piled up in some of the yards, and with few orders and low freights these stocks are not likely to speedily experience any great diminution.

STOCKHOLDER'S MEETING.—It will be seen by the advertisement in to-day's Gazette, that the annual meeting of the stockholders of the Washington and Ohio Railroad will take place on the 4th of November next, at the office of the company in this city.

LOCAL BRIEFS.

A remarkable incident occurred on the ten o'clock ferry boat from Washington this morning—a runaway. While the driver of a morning wagon was taking a little game of cards his horses started off at a full run and were not stopped and quieted until they had broken the pole of the wagon.

The Piedmont Virginian, of Orange C. H., says:—"On Saturday last R. D. Ruffin, A. W. Harris, R. L. Mitchell and Wm. Miller, (all colored) of Alexandria, addressed their colored fellow-citizens of this place in the interest of Hon. James Barbour, candidate for Congress from this district."

The Lynchburg Republican says:—"Transportation has already been secured from the Orange road for 2,000 head of cattle, to be shipped from this place on Sunday next. This will be the heaviest shipment of cattle made by this road in one day since the war."

Mr. S. D. Cook, from northern New York, who has purchased from Mr. Dennis Smith a tract of land, part of the original Gunston estate, arrived here with his family this morning and has gone to take possession of his new home.

The Manassas Gazette says:—"Maj. Wilmer McLean's family, who are among the most esteemed of this community, moved to Alexandria on Thursday last, where they will permanently reside."

The market this morning was well supplied with all sorts of provisions, including game and fish. White perch sold at 25 to 35 cents a bunch, hares at 15 cents, wild pigeons 10 cents, and some partridges at 15 cents a brace.

Underzook insists upon his innocence, and denies that the body found on the York road was that of W. S. Goss. The 12th of November has been fixed by the Governor of Pennsylvania for the hanging of Underzook. His wife and children will soon leave Baltimore on a farewell visit to him.

TELEGRAPHIC NEWS.

(SPECIAL DISPATCHES TO THE GAZETTE.)

Foreign News.

LONDON, Oct. 17.—A special to the Times from Berlin says: Count Von Arnim's case is becoming intelligible. It appears, says the dispatch, that Bismarck became indignant at the Count's want of judgment in preferring an ultramontane monarchy in France to a comparatively liberal and pacific republic, and determined to remove him. Not wishing, however, to offend the Count, the Prince wrote him censorious letters which he expected would induce the Count to tender his resignation of the French Ambassadorship. This Von Arnim refused to do, and was finally absolutely dismissed, and took with him those letters of Bismarck which are now represented to be so fearfully offensive. The Times' dispatch also says it is reported that the letters have been publicly offered for sale.

PARIS, Oct. 17.—L'Opinion Nationale states that Duke De Cazes, Minister of Foreign Affairs, has communicated documents to the Spanish Ambassador which clearly exonerate France from the accusations made in the note recently sent to the French Government by Spain, and show that the note should be addressed to other powers. The Spanish Ambassador, says L'Opinion Nationale, expressed his satisfaction at the explanation.

BOMBAY, Oct. 17.—The Presidency of Bengal has been visited by a frightful cyclone which caused great havoc. The telegraph line between this city and Calcutta was prostrated and communication suspended. A train of cars on the Bombay and Calcutta Railway was blown from the track.

LONDON, Oct. 17.—Glasgow University will elect a Lord Rector on November 16. An acute canvass is in progress. The Conservative students support Disraeli for re-election. The Liberals are divided, some going for Right Hon. Wm. Edward Forster, and others favoring Ralph Waldo Emerson.

A Fearful Warning.

YANCKTON, DEK., Oct. 17.—A party of seven persons, five of them residents of Yanckton, who left here ten days ago for the Black Hills, were attacked by a party of Beule Sioux while in camp at the mouth of Little Platte river, and in the fight which ensued John Lowe was shot dead, B. L. Boden mortally wounded, and two others of the party severely wounded, while the Indians are believed to have lost ten killed and wounded. The survivors of the white party have returned to this city. Apprehensions are felt for the safety of a party of twenty-seven who left this city for the Black Hills, and who intended to travel in the track of the Yanckton party. The Indians are understood to have expressed the determination to prevent white men entering the region of the Hills at all hazards.

The mule was restored to its legitimate owner, Fannon compensated by a horse which Cummings gave him, and Cummings is to seek reparation from Emory and Baker.
