CASH PLAN ADOPTED.

The postage law, which goes into operation on January 1, 1875, requires prepayment on all newspapers sent through the mails beyond the limits of the counties in which they are published. We have, therefore, determined to adopt the CASH PLAN for all subscriptions. While avoiding the losses, tardy payments and expenses of collection incident to the credit system, we will be required to prepay the postage. The change determined upon will, therefore, prove beneficial to both subscribers and publisher. The former will be relieved of the postage tax whilst the latter will be enabled to simplify the operations of his business and to improve the facilities for conducting it.

No name will be entered unless the subscription is paid for in advance. During the past few months every subscriber in arrears has been furnished, through the mails, with a statement of his account. Many have responded with remittances discharging their liabilities and paying in advance for the current year. We appeal urgently to those who have not made a similar response to do so without further delay, as after the first of January, 1875, we will commence to discontinue the paper to those who do not pay in advance.
