### POTOMAC RIVER.

[From the Washington Chronicle.]  
In the Chronicle of January 30 is a paragraph in which it is stated that "the word Potomac, in the Indian tongue, meant river of swans." It has also been stated that it meant "place of the burning pine—resembling a canoe fire," and again, as meaning "Porpoise river."

About the first reference to this river is to be found in Captain John Smith's account of his voyages. About 1608 he had charge of a party making explorations up the Chesapeake Bay. After spending some twelve or fourteen days toiling at the oar his comrades became worn out and discouraged, and insisted on returning to Jamestown. Smith made a speech to them, earnestly desiring them to continue their explorations, at the close of which he says:

"Hearken, therefore, you old spirits, for return I will not (if God please) till I have seen the Massawomeks, found Patowomek, or the head of this water you conceit to be endless."

Again he says:  
"On the 16th of June we fell in with the river Patowomek; fears being gone, and our men recovered, we were content to take some pains to know the name of that seven miles broad stream."

Smith's spelling of the name is about the same as William Strackey, who was Secretary of the Colony of Virginia in 1609, and a few years subsequently. In Strackey's "Historic of Travail" he calls it Patowomek.

**RIVER OF SWANS.**  
This explanation of the origin of the name seems a fanciful one, without any plausible authority. The Indian word for swan was *osowocoi* or *osowocoiak*; and for river, *seepo* or *sepo*, or *sebo*, and *hanna* or *hannig*. The somewhat noted Abasco inlet at Atlantic City New Jersey, is derived from the Indian words *Abse-wocoi-on*, meaning "place of swans," shortened for euphony, or convenience, to *Absecon*.

The Indian name for river, *seepo*, was intended to be given by the French when they endeavored to give the Indian pronunciation of the river Mississippi, the *i* in the French having the sound of *e* in the English, *hanna* or *hannig* seems generally to have been used to designate a river by the Indians of Pennsylvania and New Jersey. (Heckwelder, Salem interpreter, 1684, in Lossing's History Record, July, 1872; Mr. Cumming, Indian agent in Indian Archives, volume 24, &c.)

**BURNING PINE OR COUNCIL FIRES.**  
Webster's Illustrated Dictionary page 1631, says: "Potomac, (Ind.) a place of the burning pine, resembling a canoe fire."

This is another probably fanciful explanation, but it is a pity that it is not well founded in view of the fact that the great council fire of the nation, Congress, holds its session so near the river.

The Indian name for pine according to Heckwelder was *cucen* or *cuew*, and Dr. E. B. O'Callahan, the learned New York historian, gives it as *kwat* or *quat*; both writers evidently intending to convey substantially the same Indian pronunciation of the name—*cucen* or *quat*, but no sound resembling either can be found in the name Potomac. In modern times the Delaware name for pine is given as *pux-caw*. (Cummings.)

Captain John Smith says the Indian word for fire was *pkatawaw*; the Indian interpreter in Lossing's Record, July, 1872, says *rutpi* was the Indian word for burned or destroyed. De Lait says the Indian word for fire was *tinawye*; in modern times the Delaware word for fire is given as *tun dahl*.

**PORPOISE RIVER.**  
The most plausible origin of the name Potomac is derived from "The Historic of Travail into Virginia Brittainia," by William Strackey, Gent., published in 1618. Strackey, as before stated, was appointed Secretary of the Colony of Virginia in 1609.

A correspondent of the Historical Magazine, 1863, (p. 356,) says the name Patowomek, as given in Strackey, is from Potowawh, a porpoise, and eek, a place. The Dictionary appended to Strackey's work gives *potawawh* as the Indian word for porpoise, (porpois), and further says: "The last syllable, eek, with the uphousion 'm' prefixed, is a frequent termination of locality; without the 'k' it is the same. Thus the meaning of Pat-a-wo-mee, or Potowawh-mee, shortened into Potomac by English usage, is Porpoise river."

The same explanation substantially is given by another correspondent of the Historical Magazine, 1865, p. 91.

The probabilities are that these two correspondents are about correct, and that the name is derived from Potowawh-meek; it comes nearer the Indian word used to designate a wide, big river or broad bay. Heckwelder says *Peth-amook* means "they are coming by water." *Acce-omea*, a broad bay, land beyond the water. (Heckwelder, Webster, &c.) Captain John Smith speaks of the Massawomeks, a powerful, warlike tribe of Indians, who "came by water" to attack the Virginia Indians. This explanation of the meaning of the termination confirms the conclusion of the writers in Historical Magazine, the only difference being that a large, great river was meant—Potowawh-meek, "a great river where are porpoise." Strackey enumerates the porpoise among "the no mean commodities" of fish in that region.

Heckwelder gives still another version of the origin of the name Potomac. He thinks it is a corruption of *Peth-amook*, "they are coming by water." If the present name had been bestowed by Indians, his explanation would seem plausible, as *Peth-amook* and *Potomac* differ but little in sound; but the name originally was spelled *Potowomek*, *Patawomek*, then *Potowomek*, *Potomac*, and finally settled for euphony or convenience to *Potomac*.

In attempts to give the signification of geographical names of Indian origin, some writers have evidently strained a point or gone beyond the record to give romantic or fanciful derivations. And perhaps no writer has been more severely criticised for this than Schoolcraft. Webster's explanation of the signification of the name Potomac, reads as follows: "The name Potomac, reads as though it may have been derived from Schoolcraft, in regard to whom as authority

as to the signification of geographical names of Indian origin, the chief fault found with him by critics has been instead of giving the most simple, evident origin of names, he labors hard to find a poetical or fanciful meaning, as witness his explanation of the origin of Niagara, Manhattan, Shawmut, &c., and the criticisms thereon in the Historical Magazine, "Lossing's Historical Record," &c. Niagara he says means, "Thunder of Waters," while it is now conceded to mean "neck of water," connecting Lake Erie with Lake Ontario. Manhattan he says means people who live along the whirlpool, or hell-gate; it is now conceded to mean "island place." Heckwelder's explanation of the origin of the name Manhattan, "the place where we all got drunk together," has long since been proven unfounded. In regard to Schoolcraft, a correspondent of "Lossing's Historical Record," (July, 1872,) writing from the Grosvenor Library, Buffalo, who says that for thirty-five years he has been pretty well acquainted with certain branches of the Indian language, speaks as follows:

"It is high time to purge our history of these fanciful meanings, and cease to term Niagara 'Thunder of Waters' because the old hunting H. R. S. (Schoolcraft) once attempted to palm that meaning off on the community, as to him 'the Neck, was not romantic enough."

"But it is hard for many people to give up these fanciful explanations as it was to convince the Pickwickians that the celebrated antiquarian stone found by Mr. Pickwick was not a relic, giving mysterious characters used in former ages, but only had cut on it, in rude letters, 'Bill Stumps X his mark.'"

### CURIOUS ERRORS.

Among fanciful explanations may be mentioned the well known one stating that "Rhode Island derives its name from its real or fancied resemblance to the Isle of Rhodes, in the Mediterranean," whereas it is from the Dutch word *rood*, (pronounced as *rode*), meaning red, and so called by Captain Adrain Block, in 1614, when he cruised through Long Island sound in the celebrated yacht "Orestes," his name, "Roody Eylant," was given probably because he saw red earth there.

Maine, instead of being in honor of a certain princess, was so called by the first settlers on an island near the coast, who spoke of "going over to the main," or Maine land, as do residents on our beaches now. Bergen, New Jersey, is not, as stated in old geographies, after Bergen in Norway, but is the Dutch word for hilly. Mississippi does not mean "Father of waters," but "Great river"—river everywhere—with branches all over the country.

**HISTORY OF THE POTOMAC RIVER.**  
Awhile before the outbreak of the late rebellion the State of Virginia deputed Col. A. G. McDonald to go to London to make searches in regard to the original settlements on the river, laws relating to it, &c. In 1861 Col. McDonald made a report to Gov. Lester on "Virginia's claims to the Potomac river." This report contains many interesting facts relating to the early history of the river, ancient maps, settlements, ferries, laws mentioning it, &c. EDWIN SALTER.

**WASHINGTON, D. C.**  
My stock of FALL CLOTHING and GENTS FURNISHING GOODS is now complete, comprising the greatest variety of SUITS, of the latest styles, best material and finest finish ever before offered.

I am doing a large business, with comparatively small expenses; hence my ability to sell cheaper than the like can be procured in larger cities. My stock being unsurpassed in variety and quality, you will do well to give me a call and thereby save a large percentage.

The Montpelier Female Humane Association, chartered by the Legislature of Virginia and the Circuit Court of Orange county, proposes, by a series of Grand Gift Concerts, to establish and endow a Home for the Old, Infirm and Destitute Ladies of Virginia," at Montpelier, the former residence of President Jas. Madison.

The Association is under the control of eight trustees, six of whom are elected biennially by the stockholders and two appointed by the Governor of Virginia.

References by permission: His Excellency, James L. Kemper, Governor of Virginia; His Excellency, Gilbert C. Walker, ex-Gov. of Va.; Hon. Robert E. Withers, Lieutenant Governor of Virginia and U. S. Senator elect; Hon. R. H. W. Hughes, Judge Eastern District of Virginia; Senators and Members of Congress from Virginia.

Governor's Office, Richmond, July 3, 1874. It affords me pleasure to say that I am well acquainted with a large majority of the officers of the Montpelier Female Humane Association who reside in the vicinity of my home, and attest their intelligence and their worth and high reputation as gentlemen, as well as the public confidence, influence and substantial means liberally represented among them.

JAMES L. KEMPER, Gov. of Virginia.

Alexandria, Va., July 8th, 1874. My personal acquaintance with a majority of the gentlemen controlling the Montpelier Female Humane Association and the reputation of all of them enables me to commend them as fully entitled to the confidence of the public. No act of Virginia and U. S. Senator elect; Hon. R. H. W. Hughes, Judge Eastern District of Virginia; Senators and Members of Congress from Virginia.

For full particulars, testimonials, &c., send for circular.

Remittances for tickets may be made by express pre-paid, postoffice money order on Alexandria, Va., or by registered letter, addressed to Hon. JAMES BARBOUR, President M. F. H. A., Alexandria, Va. Reliable Agents wanted everywhere. nov 23-14
