The Hamburg "Outrage."

EDGEFIELD, S. C., July 16, 1876.

To the editors of the Journal of Commerce:

The high joint commission, consisting of William Stowe, Carpet-Bag Attorney General, and the mulatto Adjutant-General of the State, Purvis have lately visited Hamburg to investigate the "horror," and the former has made his "report," and the latter has made his "report." Why Governor Chamberlain should have subjected the State to the expense, and these two dignitaries to the trouble of going to Hamburg, is somewhat surprising. When we read the "report," and consider the data from which it is made, the extreme statements of lying negroes, and the partial reports and false conclusions of its facile authors, and the suggestions of the affluents were not written out in Alabama, made to order, and sent by express to be executed with out a moment's delay, and the latter has made a swindled purpose of the outrage manufacturer, and their lying newspaper clumps as just as well.

If this so-called attorney general had been in pursuit of the truth, why did he confine his inquiries to the besotted negroes, and a few perjured white men who had instigated them into an armed insurrection against the laws of the country, the rights and property of its citizens, and the safety and peace of that community? If acting within the periphery of the duties incident to the high position in the State to which he had been elevated, why did he not, as he should have done, go to the scene of the outrage, and there, with a report prepared with care and accuracy, and with the odor of radical falsehood? If his high-champions of the press had desired to present to the public a truthful account and a fair representation of the "Hamburg Horror," why did they not send to the scene of the outrage, and there, with a report prepared with care and accuracy, and with the odor of radical falsehood? If his high-champions of the press had desired to present to the public a truthful account and a fair representation of the "Hamburg Horror," why did they not send to the scene of the outrage, and there, with a report prepared with care and accuracy, and with the odor of radical falsehood?

Why did he not send to the scene of the outrage, and there, with a report prepared with care and accuracy, and with the odor of radical falsehood? MEDICAL.

Simmons' Liver Regulator

For all Diseases of the Liver, Stomach and Spleen.

After Forty Years' trial it is still receiving the most unqualified testimonials of its virtues from persons of the highest character and respectability.

It is eminently a Family Medicine, and by being kept ready for immediate resort will save many an hour of suffering, and many a dollar in time and money.

DOCTORS' BILLS.
Your Regulator is one of the best family medicines I ever used. I have not spent one dollar for my family for medicine in five years, only for your Regulator, and must say it does all it says it will. You can also recommend it in Colic for Stock, it having cured a fine mule of mine worth five hundred dollars.—[J. A. Nelson, Macon, Ga.]

The Liver, the largest organ in the body, is generally the seat of the disease, and if not regulated in time great suffering, weakness and DEATH will ensue.

If you feel DULL, DROWSY, DEPRESSED, have frequent Headache, MOUTH TASTES badly, poor Appetite and Tongue Coated, you are suffering from Torrid Liver or "Biliousness," and nothing will cure you so speedily and permanently.

Hon. Alexander H. Stephens.
"I occasionally use, when my condition requires it, your Regulator, with good effect."—[Hon. Alex. H. Stephens, Governor of Alabama.]

"Your Regulator has been in use in my family for some time, and I am persuaded it is a valuable addition to the medical science."—[Gov. J. Gill Shorter, Ala.]

"I have used the Regulator in my family for the past seventeen years. I can safely recommend it to the world as the best medicine I have ever used for that class of diseases it purports to cure."—[H. F. Thayer.]

Baltimore Episcopal Methodist.
This medicine is acknowledged to have no equal as a Liver Medicine, containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail.

Lady's Endorsement.
"I have given your medicine a thorough trial, and in no case has it failed to give full satisfaction."—[Ellen Mescham, Chatsbooth, Fla.]

Professional.
"From actual experience in the use of this medicine in my practice I have been, and am, fully satisfied to recommend it as a purgative medicine."—[Dr. J. W. Mason.]

Florida M. E. conference.
"I have used Dr. Simmons' Liver Regulator in my family for Dyspepsia and Sick Headache, and regard it an invaluable remedy. It has not failed to give relief in any instance."—[Rev. W. F. Esseling.]

Pres. dent Ogilthorpe College.
"Simmons' Liver Regulator is certainly a specific for that class of complaints which it claims to cure."—[Rev. Daniel Willis, my 11 For sale by E. S. Leadbeater & Bro.]
