WEATHER PROBABILITIES.—War Department, Office of the Chief Signal Officer, Washington, D. C., October 9, 1876—10:30 a. m.—For the Middle States, falling barometer, winds shifting to southerly, rising temperature and generally clear weather.

CHILDREN'S MEETING LAST NIGHT.—The Sunday School of the Union Presbyterian Church held its third "Quarterly Concert," or Children's Meeting, in that church, last night, the exercises of which were of a most interesting character.

By half past seven o'clock the time for commencing the exercises, the body of the church was well filled with children, accompanied by their parents and friends, when Mr. H. W. Beadle, the Superintendent of the school, gave out the hymn, "The Light of the World is Jesus," which was sung very well by the scholars of the school, led by Mr. A. W. Harrison, Mrs. Charles Whitlesey presiding at the organ.

After prayer, by Mr. Wm. H. McKnight, the hymn entitled, "I am only remembered by what I have done," was sung to a most excellent manner by a quartette, consisting of Messrs. A. W. Harrison and W. W. Willoughby, and Mrs. Whitlesey and Mrs. Harrison, Miss Sarah J. Noyes presiding at the organ.

After the reading of a portion of Scripture, the hymn, "Be-cause the perishing," was sung by the school and congregation.

A report was then read, in which it was stated that the school was in a prosperous and healthy condition.

After singing by the school, verses of Scripture were recited by the scholars of the different classes, headed by their teachers, containing the word "Hope," which was the concert word for the evening.

Rev. Mr. Riddle, of Falls Church, then, for about twenty minutes, addressed the children on the subject of the evening, "Hope," in a manner that was both instructive and entertaining, eliciting the attention of all, young and old.

The ladies and gentlemen above mentioned then, in splendid style, rendered the chaot, "He gently visits come to Me."

Rev. Dr. Bullock, pastor of the church, in his usual pleasant manner, briefly addressed the school, saying that it was his heart's desire and prayer to God, that they all might be brought to Christ.

After singing the hymn, "Safe in the arms of Jesus," and the benediction having been pronounced by Rev. Mr. Riddle, this pleasant and instructive meeting closed.

THE YELLOW FEVER.—The following card from the wife of the president of the Young Men's Christian Association of Savannah, Ga., has just been received by the president of the Y. M. C. A. of this city:

SAVANNAH, Ga., Oct. 3, 1876.  
Mr. A. J. Fleming, President, Y. M. C. A. of Alexandria, Va.

DEAR SIR:—Permit me through this card to acknowledge the receipt of your draft on the First National Bank for one hundred dollars. Your favor came to day, and as my husband is quite sick with fever, I have assumed the duty of secretary for him. He will forward the desired amount to Brunswick as soon as he can attend to this matter. To thank your citizens is no expression of the deep gratitude we feel for your kindness. Truly the hearts of many strangers have been touched by your present distress and suffering. May you all ever experience our condition. I know with you of friends of friendship we have your constant prayers. Continue to pray for our stricken community. Respectfully,  
Mrs. G. N. SAUSSY.

Accordingly at the four o'clock prayer meeting, yesterday, held in the M. P. Church, fervent and united prayer to Almighty God was offered in response to the appeal for prayer for Mr. Saussy and for the stricken community.

R. D. RUFFIN'S TROUBLES.—In Saturday's Gazette mention was made of the latest escape of the redoubtable R. D. Ruffin, in having received a stolen chain as a retaining fee in a larceny case in Washington. As a sequel to this case the Washington Republican says: "Detective Coomes last Saturday morning arrested Ruffin on a warrant sworn out by Eiza Marlow, charging him with receiving stolen property, knowing it to be stolen, and brought him into the Police Court. Mr. Birney, for the Government, called the case and stated that it had been arranged with Mr. Riddle, counsel for Ruffin, to postpone the hearing until tomorrow, and he asked that bonds be required in the sum of \$250 which was so ordered. Judge Seal instructed the bailiff hereafter to admit Ruffin within the bar of the court until he could furnish a certificate that he was a member of the bar. This order was given by Judge Mills recently while he was presiding during the absence of Judge Seal. The record of attorneys admitted to practice at the bar of the Supreme Court of this District has been thoroughly examined and Ruffin's name fails to appear in the list. He has, therefore, imposed upon the courts for some time, and placed himself with honors that he had no right to enjoy."

ATTEMPTED ROBBERIES.—Some person or persons unknown effected an entrance into the residence of Mr. Hammond, who lives at the southwest corner of Pitt and Queen streets, last night, about eleven o'clock, but were overheard by the family, and frightened off before they secured any plunder. The entrance was made by the back door. Several entries of this sort have been made lately, and it behooves all householders to look well to the fastenings of their windows and doors. One gentleman living on Prince street had occasion to open a window shutter which looked into his garden, a few nights since, and in so doing struck a man who was standing against the shutter, and who immediately made his escape over the fence.

COMMITTEE MEETING.—The sub-committee of arrangements and the marshals of the proposed to-night procession met at the Sun E. Fine House on Saturday night, with Captain J. M. Stuart, Chief Marshal in the chair and G. S. Smith, Secretary. An invitation was extended to all the Tilden and Hendricks Clubs of Washington city and Fairfax and Alexandria counties to take part in the parade. The route of procession was agreed upon and will be published in a few days, and all friends of the cause, living along the line, were requested to illuminate their houses. Various other arrangements were agreed upon and the committee adjourned.

CORPORATION COURT.—Judge E. M. Lowe presiding.—Louis Mares, a native of Germany, declared his intention to become a citizen of the United States.  
Michael Igo was naturalized as a citizen of the United States.  
A deed from John W. Green to H. F. Davis was ordered to be recorded.  
A deed from Susan C. Baker to Elizabeth Harrison was admitted to record.  
Scaton vs. Bryant; deb; verdict set aside; pleas of set off filed; replication and issue; jury and case in progress.  
FRENCHER KILLED WHILE STEALING.—Passengers on the Washington and Ohio train this morning report that a negro preacher named Smith was shot and instantly killed at the farm of Mr. A. Vandusee, near Herndon, last night. The shooting was done by a spring gun which the shoemaker had placed in his hen house, and occurred while the deceased was trying to steal that gentleman's poultry. Smith had been living with a white woman, and leaves several children.

BEULAH CHURCH.—Rev. C. Robinson appeared at Beulah Church, on Washington street, yesterday, and occupied the pulpit both morning and afternoon. He was accompanied by another preacher from Washington, and everything passed off quietly, no allusion being made to the recent troubles in the congregation. Officer Nightingill was present by order of the Mayor to preserve order, but his services were not needed. The preacher announced that he would either preach himself or send a minister from Washington each Sunday.

THE CHURCHES YESTERDAY.—The congregations at all of the churches yesterday were large, morning, afternoon and night. Rev. Richard Morris, of Georgetown, preached at the M. E. church in the morning. Rev. Mr. Fitzpatrick, of Florida, at the M. E. church morning and night, and Rev. Dr. Gwinn at the Baptist church in the morning. The pulpits of the other churches were filled by the regular pastors.
