LOCAL MATTERS.

WEATHER PROBABILITIES.—War Department, Office of the Chief Signal Officer, Washington, D. C., May 28, 1877.—10:30 a. m.—For the Lower Lake region and the Middle Atlantic States nearly stationary or falling barometer, rising temperature, winds mostly from southeast to southwest, clear or partly cloudy weather.

YESTERDAY.—The weather yesterday was bright and beautiful, with a pleasant breeze blowing nearly all day. In the afternoon heavy black clouds gathered in the West, threatening a storm, but none came. The churches were all well attended. In the Catholic and Episcopal churches the day was celebrated as Trinity Sunday, a day especially set apart for honoring the mystery of the Holy Trinity. In the former church it was the conclusion of the Paschal Lent, which commenced on the first Sunday of Lent, and within which all Catholics are obliged to receive the Holy Communion, on pain of excommunication. At St. Mary's Church Rev. W. P. Clarke, of Baltimore, preached a most learned and powerful sermon in the morning on the Holy Trinity. At the Baptist Church Rev. Mr. Kirk preached in the morning. At the Union Presbyterian Church at night a Sunday-school meeting was held. In the other churches the regular services were held by the pastors. The first open air meeting of the season by the Y. M. C. A. was held at the tunnel at 6:30 o'clock p. m. The attendance was good for the opening services. A full committee was on hand, and were assisted by members of the churches in the singing, which was spirited. The speakers were very earnest in their appeals, and were listened to with marked attention. The services will be repeated at the same place next Sunday, and every Sunday thereafter until further notice. A meeting was held in the Friends' meeting-house, on St. Asaph street, in the afternoon, which was addressed by Deborah Wharton and Sarah Hoopes, of Philadelphia. The attendance was very large, many persons being unable to obtain seats.

THE CONFEDERATE DEAD.—The Washington Republican has the following:—A meeting of the Southern Memorial Association was held Saturday afternoon for the purpose of making arrangements for decorating the graves of the Confederate dead on the 7th of June. The President, Dr. A. Y. P. Garnett, presided, with Mr. Henry W. Garnett acting as recording secretary. Eulogies on the life and character of the late Charles P. Harmon, vice president of the association, were pronounced by Messrs. John Hanna and Mills Dean.

A committee consisting of Messrs. Henry W. Garnett, Mills Dean and John Hanna, was appointed to draft suitable resolutions to be presented to the deceased. The committee retired, and soon after returned and reported appropriate resolutions of respect to the memory of their dead comrade; which were unanimously adopted. A committee on decoration was appointed, consisting of Messrs. William Harmon, James Robertson, Charles Wilson, Major Hungerford, and A. M. Tutman, and the president, Dr. A. Y. P. Garnett, and treasurer, J. W. Drew, and corresponding secretary, Henry W. Garnett, as ex officio members of the committee. On motion, the committee was increased two to represent the city of Alexandria, and by order of the association the chair appointed Colonel Arthur Herbert to represent that city with the privilege of the appointee selecting his associate. The committee on decorations was instructed to meet at the office of Dr. Garnett Tuesday afternoon.

THE LATE DR. MURPHY.—The funeral of the late Dr. Francis J. Murphy took place on Saturday afternoon, and was largely attended. In accordance with the expressed desire of the deceased, the funeral was a very quiet one and marked by the absence of all display. After services for the dead, at the residence of Mrs. Wood, where Dr. Murphy died, by Rev. A. P. Keating, of St. Mary's Church, the remains were conveyed to St. Mary's Cemetery, followed by a large concourse of friends, on foot, the deceased having directed that no eulogies should be allowed at his funeral. The pall-bearers were Drs. Lewis, Stabler, French, Gibson, Klipstein and Powell. The final service was read at the Cemetery, and the remains were assigned to the family vault, which was immediately walled up. Dr. Murphy made a will, by which he left his two houses on the corner of Duke and Fairfax streets, to the Conference of St. Mary, of the Society of St. Vincent of Paul, of which he was a member, to be used for charitable purposes. His furniture he left to Mrs. M. A. Wood, at whose residence he had lived for some time past. His medical library, a very valuable one, he bequeathed to Dr. Beale, of Washington, who was very attentive to him while at Providence Hospital, some years since. Messrs. Richard L. and Wm. F. Carno are appointed his executors.

COUNTY COURT.—The May term of the County Court, Judge James Sangster presiding was held today. James T. Chase was granted a certificate to obtain a license to practice law. An account of R. T. Lucas for \$70.40 was ordered to be paid. Charles W. Payne qualified as Supervisor for Washington district. Board of Supervisors vs. The Georgetown and Fairfax Turnpike; notice of motion filed; motion docketed and rule and continued. Licenses to sell liquor were granted to Larkin Patton, Patrick Hynes, Amos Woodward and others. The last will and testament of Richard Southern was admitted to probate. The executors declining, Henry W. Febray qualified as administrator W. w. a. Commonwealth vs. B. N. Rothery; assault and battery; appeal; docketed and continued. Moses Wilson, Daniel Walker and Andrew Wilson were relieved of their capitation tax on account of age and infirmity. Mrs. Annie Roberts, R. T. Anlow and John Temple were relieved of erroneous assessments.

ARRESTED.—The Washington correspondent of the Baltimore Gazette says:—"To-day Detective Pontier, of Baltimore, brought to this city Charles Groedell and turned him over to the Washington authorities. Groedell had been coaxed in this city by W. Ullman in the junk business, and about May 3, a check came from a firm in Baltimore to Messrs. Groedell & Ullman amounting to \$130, which Groedell had cashed and absconded with the money, together with \$500 worth of silverware belonging to Ullman. The police authorities of this city notified the authorities of other cities, and Groedell finding there was no chance for him to escape gave himself up to Detective Pontier last night." Both Groedell and Ullman formerly resided in this city and are well known here.

BASE BALL.—The Kendall Club from the Deaf and Dumb Asylum, in Washington, and the Howard Club of the High School, played a match game of base ball on Saturday evening. The score resulted: Kendalls, 39; Howards, 21. It is reported that some of the deaf and dumb pupils suddenly recovered their speech on their return to Washington.

DECORATION DAY.—A number of the ex-Federal soldiers of this city propose to decorate the graves of their fallen comrades, in the Soldiers' Cemetery, on Decoration Day, Wednesday next. They will meet at the residence of Col. Roome, on St. Asaph street, and proceed thence to the Cemetery, and they invite all who wish to do so, to participate with them.

THE GILGERS' WAR.—In the U. S. District Court in Baltimore, last Saturday, bail in the sum of \$1,000 was entered by Henry Radcliffe for M. C. Gregg for his appearance for trial when required, with five others as previously noticed. Mr. Radcliffe was indicted by the grand jury of the District Court at the March term for conspiracy to deprive Thomas Downs and three other colored men of Delaware county, Penn., of their right to fish in the Potomac river, binding on Charles county, Maryland. The others indicted are Joseph Denty, M. C. Gregg, Wm. J. Chiles, Llewellyn Scott and George Carpenter, Jr.

GOLDEN JUBILEE.—In St. Mary's Church, yesterday, a circular letter from Rt. Rev. Bishop Gibbons, of this diocese, was read, calling attention to the occurrence of fiftieth anniversary of the episcopal consecration of Pope Pius IX., next Sunday. The Bishop calls upon the people of the diocese to unite with their brethren, throughout the world, in celebrating the joyous occasion, and prescribes the singing of the Mass and the reciting of the Litany of the Saints on that day, besides such other services as each congregation may deem proper.

HANDSOME MONUMENT.—One of the most beautiful monuments ever seen here has been erected in St. Paul's cemetery, to the memory of the late Rev. James T. Johnston. It is of beautifully polished white marble and is surmounted by a life sized statue of the same material, representing the Recording Angel. The statue was imported from Italy, and is said to be the work of a boy twelve years of age. A number of persons visited the cemetery yesterday to view this monument.

ARRESTED.—A man named Robert Johnson was arrested near the canal locks last night, on complaint of his wife, who states that she is from Annapolis, and that Johnson beat her severely, stole some of her clothing and ran off with another woman, from that place. He was locked up in the station house to await the action of the Maryland authorities, who have been notified.

ST. JOHN'S CADETS.—The Cadet Battalion of St. John's Academy paraded through the principal streets this morning, and paid the Gazette office the compliment of a marching salute. They were under the command of Major B. J. Burgess and Captains Bradley and Loeb, and presented a neat and soldierly appearance.

INSURANCE. PROPERTY OWNERS, LOOK TO YOUR INTERESTS.

Liverpool and London and Globe INSURANCE COMPANY.

Cash Capital \$27,000,000 American Direct—Individually Liable.

This Company paid over \$1,000,000 losses at Chicago without touching one dollar of the American reserve fund, and gave \$10,000 to the sufferers.

In consequence of its promptness and liberality and the assurance thus given of its safety, its premiums increased nearly \$300,000 for the first month after that disastrous fire.

All losses made in this city have been promptly paid as soon as ascertained without dispute—generally from one to five days—never receiving a card of thanks sixty days afterwards for doing what it should have done at once.

Rates of insurance as low as consistent with safe, conservative and reliable management. The Company regards the interests of its insured too much to offer inducements for the sake of getting business at ruinous rates. It only asks fair rates and promises prompt, liberal and honest settlements.

Foreign News.

The Secretary of the National Rifle Association this morning received a telegram from Capt. E. St. John Midway, Secretary of the British National Rifle Association, which was to the following effect:—"The National Rifle Association will send United Kingdom team to Creedmoor this year. This will result in probably the greatest rifle match yet fought. The British team will include pick of Scottish, Irish, and English small-bore shots, while the American team will comprise the cream of Creedmoor, Chicago and other American rifle-races."

LONDON, May 25.—A special dispatch from Paris to the Times says: "M. de Fauron, Minister of the Interior, addressing the mayors and heads of departments at the Ministry of the Interior, said the programme of the Government may be summed up thus: "The marshal is order and peace."

The race for the championship of the Thames took place on the river to-day between Boyd and Higgins, and was won by the former by twenty lengths. Higgins was the favorite.

It is reported that Chantant, the Darby favorite, has gone amiss. He has declined in the betting to 5 to 1 against him.

Tienna, the prima donna, is dangerous to ill in London. She underwent a surgical operation recently, and on Thursday and Friday the worst fears were entertained, but yesterday there were some encouraging indications, and although for many days her state will be so critical that not even any member of her own family will be permitted to see her, there is still room to hope that her life will be spared.

The complaint from which she is suffering is dropsy. It is stated she is now out of danger and improving.

The Ministerialists say that France, ruled by the Vatican, is the centre of a Papal system which frivolously threatens the world's peace, and is preparing a crusade against Germany, for there can be no doubt that a disturbance of the peace is inevitable should France continue the course she has now taken.

There are several indications that the French Chamber will be dissolved sooner than expected. All the newspapers urge their respective parties to actively canvass the electors.

By an official decree twenty-six committees have been pardoned. Five thousand Pitt and Clacksonian soldiers were locked out on Saturday.

General Grant. LIVERPOOL, May 25.—Ex-President Grant arrived at Liverpool on the American line steamer Indiana to-day. Mr. Eddan, U. S. Consul General at London, and the Vice Consul here (in Consul Fairchild's absence), with several prominent Americans, went in a tender to meet the ship. The Mayor of Liverpool with a number of prominent citizens received Gen. Grant at the landing stage on the return of the tender.

LIVERPOOL, May 25.—Heavy cheers followed the tender as General Grant and his family left the steamer. Many members of the Common Council and a large crowd of citizens received the tender with cheers. The Mayor formally welcomed the ex-President and extended to him the hospitalities of the town. Gen. Grant returned thanks and accepted the invitation. The party then drove off in the Mayor's state carriage. To-morrow morning Gen. Grant will visit the docks at the invitation of the Dock Board, and at 2 o'clock he will lunch with the Mayor at the town hall. He purposes going to London later in the afternoon.

FOR GOVERNOR.—The Farmville Mercury says:—General W. H. F. Lee, as we have said for months past, is the only man who can seriously oppose the southside. Hilliard and Daniel will get large complimentary votes in the Convention, but their chances of success are more apparent than real. General "Rooney" Lee would, however, be a formidable competitor, and if the southside is to be beaten we would rather be beaten by him than by any other candidate. General Lee is a Southside landowner and would unquestionably be more popular in one section than any of the candidates except Moore or Berkley. General Lee is, however, not a candidate. General Taliaferro would make a splendid Lieutenant Governor, but we scarcely think he would accept the position.
