ARCOLA, FORT BEND COUNTY, TEXAS, August 27, 1877. Wm. M. Giles, Esq.—Dear Sir: I have been suffering for the past four months with a terrible attack of rheumatism in my back and hip; I could not move; I thought I should never get well, as I had used most every known remedy. By chance I got hold of one of your circulars, and thought I would try it—not having any faith in it, or anything else—but what was my astonishment after one application, I got instant relief, and now, after using it one week, I am nearly well. I have bought one dozen bottles of it, and never intend to do without it. I have also used it with great benefit on protruding piles. I shall try to tell all of the people in this section about your remedy, but most of them know of it, as they used to come to see me when I could not move in bed. You will please excuse this writing, as it is my first letter in four months. I hope I do not intrude on your time, but, my dear sir, I owe you a debt of gratitude which I can never repay. Wishing you every success in the introduction of your medicine, I am, Dear Sir, Yours sincerely, J. W. CARROLL.

Sold by E. S. Leadbeater & Bro. Send for pamphlet, Dr. Giles, 120 West Broadway, N. Y. Trial size 25 cents.

QUININE AND ARSENIC form the basis of many of the Ague remedies in the market, and are the last resort of physicians and people who know no better medicine to employ for this distressing complaint. The effects of either of these drugs are destructive to the system, producing headache, intestinal disorders, vertigo, dizziness ringing of the ears, and depression of the constitutional health. A. T. RAY'S AGUE CURE is a vegetable discovery, containing neither quinine, or arsenic, nor any deleterious ingredient, and is an infallible and rapid cure for every form of Fever and Ague. Its effects are permanent and certain, and no injury can result from its use. Besides being a positive cure for Fever and Ague in all its forms, it is also a superior remedy for Liver Complaint. It is an excellent tonic and preventive, as well as cure, of all complaints peculiar to malarious, marshy and unwholesome districts. It acts directly on the Liver and biliary apparatus, thus stimulating the system to a vigorous, healthy condition. For sale by E. S. Leadbeater & Bro.
