WEATHER PROBABILITIES, Sept. 2, 1880. For the Middle Atlantic States...

THE DEMOCRATIC REUNIONERS.—The democratic reunion met at their headquarters...

The executive committee consists of five members from each ward...

The following is the declaration of principles set forth by the club:

1. That this club recognizes the liability of the government of Virginia for a just proportion of the public debt...

2. That in any settlement of the public debt with her creditors the annual interest ought to be paid at a rate as can be certainly and promptly paid out of the revenue...

3. That the tax levied for the purposes of education in free schools ought to be collected in money, and an amount sufficient to maintain an economical administration of the State government...

4. That no tax receivable coupons ought to be attached to any bonds hereafter issued by the State of Virginia...

5. That our free school system must be sustained by the faithful application for its support of every dollar required by the constitution...

6. That this association will cordially support the election of Winfield Scott Hancock as President of the United States...

7. That the association will support the nomination of any man for President who is a native-born American citizen...

8. That the association will support the nomination of any man for Vice President who is a native-born American citizen...

9. That the association will support the nomination of any man for Governor who is a native-born American citizen...

10. That the association will support the nomination of any man for Senator who is a native-born American citizen...

11. That the association will support the nomination of any man for Representative who is a native-born American citizen...

12. That the association will support the nomination of any man for Judge of the Supreme Court who is a native-born American citizen...

13. That the association will support the nomination of any man for Judge of the Circuit Court who is a native-born American citizen...

14. That the association will support the nomination of any man for Judge of the District Court who is a native-born American citizen...

15. That the association will support the nomination of any man for Judge of the County Court who is a native-born American citizen...

16. That the association will support the nomination of any man for Judge of the City Court who is a native-born American citizen...

17. That the association will support the nomination of any man for Judge of the Municipal Court who is a native-born American citizen...

18. That the association will support the nomination of any man for Judge of the Probate Court who is a native-born American citizen...

19. That the association will support the nomination of any man for Judge of the Court of Appeals who is a native-born American citizen...

20. That the association will support the nomination of any man for Judge of the Supreme Court of the United States who is a native-born American citizen...

21. That the association will support the nomination of any man for Judge of the Supreme Court of the United States who is a native-born American citizen...

22. That the association will support the nomination of any man for Judge of the Supreme Court of the United States who is a native-born American citizen...

23. That the association will support the nomination of any man for Judge of the Supreme Court of the United States who is a native-born American citizen...

24. That the association will support the nomination of any man for Judge of the Supreme Court of the United States who is a native-born American citizen...

25. That the association will support the nomination of any man for Judge of the Supreme Court of the United States who is a native-born American citizen...
