TRUTH ATTESTED.
(Some Important Statements of Well Known People Wholly Verified.)
In order that the public may fully realize the genuineness of the statements, as well as the power and value of the article of which they speak, we publish herewith the fac simile signatures of parties whose sincerity is beyond question. The truth of these testimonials is absolute, nor can the facts they announce be ignored.
Alexandria, Va., August 4, 1881.
I was thrown from my horse 6 or 7 years ago, and suffered a severe wound of the side, which was aggravated by disordered kidneys. Eleven months ago I was attacked with pneumonia and bladder disease, deposits of uric acid in my urine being discernible by the naked eye. I was confined to the house for six months, and was unable to cross the floor without assistance. My physician did me no good. Having read in my religious weekly of the wonderful cures by your Safe Kidney and Liver Cure, and being advised to use it by Captain Graham, I did so, and am once more able to walk the streets. My pains have left me, and I believe if I had used the remedy a year ago I should think I was cured.
