DANIEL WEBSTER'S OPINION.—Many years ago when Daniel Webster stood at the summit of a commanding influence, upon a certain Sabbath he entered a small Methodist church in the vicinity of Washington.

Is this life? "What is life?" some one asked Montford. His answer is one of the most charming ever written: "The present life is sleeping and waking; it is good night on going to bed and 'good morning' on getting up; it is to wonder what the day will bring forth; it is rain on the window when one sits by the fire; it is to walk in the garden and see the flowers and hear the birds sing; it is to hear news from east, west, north and south; it is to read old books and new books; it is to see pictures and hear music; it is to have Sunday; it is to have breakfast and dinner and tea; it is to belong to a town, and to have neighbors, and to become one in a circle of acquaintances; it is to have friends and love; it is to have sight of dear old faces; and it is to know themselves thought of many times a day, in many places, by many children and grandchildren, and many friends."

A full stock of Straw Hats, all styles and qualities, at the lowest prices. HENRY STRATTS, 66 King street.

It is an effect, not a cause. Its origin is within; its manifestations without. Hence, to cure the disease the cause must be removed, and no other way can a cure ever be effected. WARNER'S SAFE KIDNEY AND LIVER CURE is established on just this principle. It realizes that all diseases arise from deranged kidneys and liver, and it strikes at once at the root of the difficulty.

For the innumerable troubles caused by unhealthy Kidneys, Liver and Urinary Organs; for the distressing Disorders of Women; for Malaria, and for physical derangements generally, this great remedy has no equal. Beware of impostors, imitations and concoctions said to be just as good. For Diabetics, see H. H. WARNER'S SAFE DIABETES CURE. For sale by all Dealers. H. H. WARNER & CO., Rochester, N. Y.
