**THE HIGHEST BUILDING IN EUROPE**—Hitherto the Hospice of the Great St. Bernard, which stands 8,200 feet above the level of the sea, has enjoyed the distinction of being the most elevated inhabited building in Europe. This honor it can now no longer claim. During the past year the city authorities of Catania, in Sicily, have caused to be erected near the summit of the great volcano, Mt. Etna, an astronomical observatory which stands 2,943 metres above the sea level, or 9,655 feet higher than the Hospice of St. Bernard. The structure is nine metres in height, and covers an area of 200 square metres. It consists of an upper and lower story, and is built in a circular form. In the lower story there rises a massive pillar, upon which is placed the great refracting telescope. The lower story is divided into a dining room, kitchen and store-rooms. In the upper story there are three bed-rooms, intended for the accommodation of astronomers and tourist visiting the establishment. The roof consists of a movable cupola or dome. From the balconies of the upper story a prospect of vast extent and grandeur is presented. The spectator is able to see over half the island of Sicily, the island of Malta, the Lipari Isles, and the province of Calabria, on the mainland of Italy. The observatory is erected upon a small cone, which will, in the case of eruption, protect it completely from the lava-stream which always flows down on the opposite side of the volcano.—*Buller.*

**WARNER'S SAFE KIDNEY AND LIVER CURE**

Disease is an effect, not a cause. Its origin is within; its manifestations without. Hence to cure the disease the cause must be removed, and no other way can a cure ever be effected. WARNER'S SAFE KIDNEY AND LIVER CURE is established on just this principle. It realizes that of all diseases arise from deranged kidneys and liver, and it strikes at once at the root of the difficulty. The elements of which it is composed act directly upon these great organs, both as a food and restorer, and by placing them in a healthy condition, drive disease and pain from the system. For the innumerable troubles caused by weak kidneys, liver and urinary organs; for the distressing disorders of women; for malaria, and for physical derangements generally, this great remedy has no equal. Beware of impostors, imitations and concoctions and be just to your health. For Diabetes, ask for WARNER'S SAFE DIABETES CURE. For sale by all dealers.
