FRIDAY EVENING, JULY 22.

FATAL ACCIDENT IN A MILL.—An accident occurred at the Roane Iron Company steel mill, Chattanooga, Tenn., yesterday morning, which resulted in the death of one workman and the serious injury of another.

THE POLL-PARROT MAN WILL TAKE A VACATION.—George Watson, alias Smith, has been sentenced to the Washington workhouse for three months by Judge Snell as a suspicious character.

Every Woman Knows Them. The human body is much like a good clock or watch in its movements; if one goes too slow or too fast, so follow all the others, and bad time results; if one organ or set of organs works imperfectly, perversion of functional effort of all the organs is sure to follow.

Alexandria Gazette.

The GAZETTE is now the oldest paper in the State, and with few exceptions the oldest in the country, and its usefulness has been demonstrated and appreciated during the EIGHTY-SEVEN YEARS of its existence. In its columns has always been found a mirror of passing events, and the careful chronicling of the history of what is going on in the world has ever been its aim. It is always welcomed in the household, while in the counting room and workshop it has become invaluable.

The GAZETTE has better facilities for obtaining news than any paper outside of the national capital. Situated as it is so close to the great centre of news, it enjoys daily the benefit of the Associated Press dispatches from every part of the world; hence its patrons can read from its columns in the evening what has transpired that day in every portion of our own domain as well as from every part of the habitable globe. Consequently it is an every day occurrence for the GAZETTE to publish telegrams from the various European capitals twelve and fifteen hours earlier than the morning papers.
