THURSDAY EVENING, MAY 3.

SHOULD THE SISTERS PASS THE PLATE.—It seems to me that the idea of ladies passing the contribution plate in our churches is an excellent one. In some of the Western States it was done that way years ago, and some churches out there keep up the practice. There is nothing out of the way about it. If ladies preside at organs and sing in our choirs, why not have them pass the plate also? "There is no harm, as far as I can see," said a regular lady attendant of our churches to me last Sunday evening. "And there are good reasons why the ladies would make first class collectors. Men would be more apt to drop in the plate 10 cents or a quarter instead of a nickel, if only for appearance sake, and as an extra contribution to beauty. Of course the prettiest ladies in the congregation must be selected for the work. Then, again, the ladies would all give something, for they know that two eyes would be watching them, and for shame sake, and for fear they would hear of it if they never put anything in the plate, an event very probable; every one of them would give some of their pin money. I tell you, in all candor, lady collectors in our churches with the contribution plates would raise nearly twice as much as men collectors, who nonchalantly pass the plate, and are indifferent to whether you give anything or not. Such an innovation would not be irregular. We have lady solicitors at our church fairs, and why not lady contribution collectors in our churches? Let one church take up the idea as an experiment, and others will speedily follow. Lady contribution collectors would speedily raise enough to pay off church debts."—Albany Argus.

A MOST SUCCESSFUL ENTERPRISE.—Those two actors, Edwin Booth and Lawrence Barrett, have this year been engaged, with a company which they have specially organized for the purpose, in giving theatrical representations in all parts of the country, and the pecuniary result has been most gratifying. Some two months ago it was reported that their joint profits up to that time amounted to \$600,000, of which the contract of partnership gave to Mr. Booth six tenths and to Mr. Barrett four tenths. Since then they have continued to play and with the same surprising prosperity, so that as we now learn, their gains for the whole season will not be less than \$900,000, of which Mr. Booth will have for his share \$540,000 and Mr. Barrett for his \$360,000. This, no doubt, the greatest sum of money ever made in one season by any theatrical enterprise.
